GERALD DWORKIN, AND ROBERT E. GOODIN

Nuclear Deterrence Ethics And Strategy

Frances Scott

Nuclear Deterrence Ethics And Strategy:

Nuclear Deterrence Russell Hardin,1985 *Ethics and Strategic Defense* Douglas P. Lackey,1989 *Energy Abstracts for Policy Analysis* ,1987 **Ecoviolence and the Law: Supranational Normative Foundation of Ecocrime** Laura Westra,2021-11-22 Exploring such acts of environmental violence as ecocrimes the author builds the case that the international law principles of jus cogens and erga omnes justify characterizing ecocrime as a just crime requiring action to curb their occurrence and punishment to deter them The book discusses the obstacles that defining environmental assaults as ecocrimes will face both in national and international circumstances The author concludes by proposing the creation of an International Environmental Court that would adjudicate ecocrime issues This forward thinking work will be of great interest to all involved in the human rights issues of environmental threats Published under the Transnational Publishers imprint

Desiring the Bomb Calum Lister Matheson,2018-11-13 A timely interdisciplinary study that applies psychoanalysis and the rhetorical tradition of the sublime to examine the cultural aftermath of the Atomic Age Every culture throughout history has obsessed over various end of the world scenarios The dawn of the Atomic Age marked a new twist in this tale For the first time our species became aware of its capacity to deliberately destroy itself Since that time the Bomb has served as an organizing metaphor a symbol of human annihilation a stand in for the unspeakable void of extinction and a discursive construct that challenges the limits of communication itself The parallel fascination with and abhorrence of nuclear weapons has metastasized into a host of other end of the world scenarios from global pandemics and climate change to zombie uprisings and asteroid collisions *Desiring the Bomb* Communication Psychoanalysis and the Atomic Age explores these world ending fantasies through the lens of psychoanalysis to reveal their implications for both contemporary apocalyptic culture and the operations of language itself What accounts for the enduring power of the Bomb as a symbol What does the prospect of annihilation suggest about language and its limits Thoroughly researched and accessibly written this study expands on the theories of Kenneth Burke Jacques Lacan Sigmund Freud and many others from a variety of disciplines to arrive at some answers to these questions Calum L Matheson undertakes a series of case studies including the Trinity test site nuclear war games urban shelter schemes and contemporary survivalism and argues that contending with the anxieties individual social cultural and political born of the Atomic Age depends on rhetorical conceptions of the real an order of experience that cannot be easily negotiated in language Using aspects of media studies rhetorical theory and psychoanalysis the author deftly engages the topics of Atomic Age survival extinction religion and fantasy along with their enduring cultural legacies to develop an account of the Bomb as a signifier and to explore why some Americans have become fascinated with fantasies of nuclear warfare and narratives of postapocalyptic rebirth **Perspectives on Strategy** Colin S. Gray,2013-03-28 *Perspectives on Strategy* examines in depth five aspects of strategy from the perspectives of intellect morality culture geography and technology The author asks and answers the most challenging and rewarding questions that can be posed in

order to reveal the persisting universal nature but ever changing character of strategy The Logic of Internationalism Kjell Goldmann,2002-11 Is internationalism plausible in today s world or must global relations be characterised by tension and war The author analyses internationalism s coercive and accomodative dimensions and considers practical problems

WAR, PEACE AND VICTORY: STRATEGY AND STATECRAFT FOR THE NEXT CENTURY Colin S. Gray,1991-06-15 From Simon Schuster War Peace and Victory is Colin S Gray s exploration of strategy and statecraft for the next century In War Peace and Victory Colin S Gray shows how geography technology history and national culture shape government policy and explains how nations pursue their strategic interests in times of peace **Practical Pacifism** Andrew Fiala,2004 The United States has a unique responsibility and opportunity to use democracy to end war but after 9 11 many can no longer imagine pacifism in any form Practical Pacifism argues for an approach to peace that aims beyond religion toward a moral consensus that is developed pragmatically through dialogue aimed at overlapping consensus *Strategy and Ethnic Conflict* Laure Paquette,2002-02-28 Ethnic conflict now presents the thorniest problems for military and civilian strategists of all stripes This book presents a new general theory of strategy encompassing studies of the relationship between values interest and strategy as these relate to ethnic conflicts It focuses on the relationship between values and strategy building a theory on the hypothesis that national values influence national strategy Paquette s research reveals that national values influence national strategy through three mechanisms cognition appreciation and evaluation Each mechanism and indeed the whole value focused approach to strategic thinking is described using a network of interrelated statements Paquette develops a methodology specific to the issues of international security and ethnic considerations She tests this theory extensively for internal consistency before applying it to a single historical case French decision making on national strategy between 1955 and 1970 however because of its generality this same theory could easily be applied to other cases As with any theory it is possible to vary successively or simultaneously assumptions or conditions and to derive new predictions This process of deriving variations has the potential to help in the training of strategists both military and civilian **Modern Just War Theory** Michael P. Farrell,2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today s students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from

competing ideologies as well as those presented by the changing nature of warfare Modern Just War Theory A Guide to Research by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell's guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories Modern Just War Theory will appeal to students and scholars of theology military history international law and Christian ethics

Fighting to the End C. Christine Fair, 2014-04-25 Since Pakistan was founded in 1947 its army has dominated the state The military establishment has locked the country in an enduring rivalry with India with the primary aim of wresting Kashmir from it To that end Pakistan initiated three wars over Kashmir in 1947 1965 and 1999 and failed to win any of them Today the army continues to prosecute this dangerous policy by employing non state actors under the security of its ever expanding nuclear umbrella It has sustained a proxy war in Kashmir since 1989 using Islamist militants as well as supporting non Islamist insurgencies throughout India and a country wide Islamist terror campaign that have brought the two countries to the brink of war on several occasions In addition to these territorial revisionist goals the Pakistani army has committed itself to resisting India's slow but inevitable rise on the global stage Despite Pakistan's efforts to coerce India it has achieved only modest successes at best Even though India vivisected Pakistan in 1971 Pakistan continues to see itself as India's equal and demands the world do the same The dangerous methods that the army uses to enforce this self perception have brought international opprobrium upon Pakistan and its army And in recent years their erstwhile proxies have turned their guns on the Pakistani state itself Why does the army persist in pursuing these revisionist policies that have come to imperil the very viability of the state itself from which the army feeds In *Fighting to the End* C Christine Fair argues that the answer lies at least partially in the strategic culture of the army Through an unprecedented analysis of decades worth of the army's own defense publications she concludes that from the army's distorted view of history it is victorious as long as it can resist India's purported drive for regional hegemony as well as the territorial status quo Simply put acquiescence means defeat *Fighting to the End* convincingly shows that because the army is unlikely to abandon these preferences Pakistan will remain a destabilizing force in world politics for the foreseeable future

The War That Must Not Occur Jean-Pierre Dupuy, 2023-09-19 The possibility of a nuclear war that could destroy civilization has influenced the course of international affairs since 1945 suspended like a sword of Damocles above the heads of the world's leaders The fact that we have escaped

a third world war involving strategic nuclear weapons indeed that no atomic weapon of limited power has yet been used under battlefield conditions seems nothing short of a miracle Revisiting debates on the effectiveness and ethics of nuclear deterrence Jean Pierre Dupuy is led to reformulate some of the most difficult questions in philosophy He develops a counterintuitive but powerful theory of apocalyptic prophecy once a major catastrophe appears to be possible one must assume that it will in fact occur Dupuy shows that the contradictions and paradoxes riddling discussions of deterrence arise from the tension between two opposite conceptions of time one in which the future depends on decisions and strategy and another in which every occurring event is one that could not have failed to occur Considering the immense destructive power of nuclear warheads and the almost unimaginable ruin they are bound to cause Dupuy reaches a provocative conclusion whether they bring about good or evil does not depend on the present or future intentions of those who are in a position to use them The mere possession of nuclear weapons is a moral abomination **Strategic Thinking** Philip Windsor,2002 Windsor 1935 2000 retired from over 30 years at the London School of Economics in 1997 In his final book he introduces some of the principle features of strategic thought during the Cold War for students of international relations and general readers He thinks it is time to examine and question the validity of a complex of thinking that he along with many others took entirely for granted for a long time Berdal and Economides are with the International Institute for Strategic Studies Annotation copyrighted by Book News Inc Portland OR **Understanding Contemporary Strategy** Thomas M. Kane,David J. Lonsdale,2012-03-12 Understanding Contemporary Strategy provides an accessible and comprehensive introduction to the theory and practice of modern strategy Covering all the main issues in the field the book explores the major themes through a combination of classical and modern strategic theory history and current practice The book is split into three main sections Definition and Context including discussion of the human technological intelligence ethical and grand strategic dimensions Strategy in the Geographic Environments land sea air and space Contemporary Strategic Challenges terrorism insurgency and nuclear strategy Each chapter presents the reader with a succinct summary of the topic but also provides a challenging analysis of current issues supporting students with pedagogical features such as suggested further reading boxed case studies and study questions This book will be essential reading for upper level students of strategic studies war studies military history and international security On the Eve of the 21st Century William Gay,T. A. Alekseeva,1994 Presents a collection of essays by both Russian and American philosophers responding to the dissolution of the Soviet Union Included are a liberal feminist critique of political realism a view of Hobbes political philosophy and a view of the Marxian legacy and world security *The Ethics of War and Nuclear Deterrence* James P. Sterba,1985

This is likewise one of the factors by obtaining the soft documents of this **Nuclear Deterrence Ethics And Strategy** by online. You might not require more epoch to spend to go to the ebook establishment as competently as search for them. In some cases, you likewise realize not discover the statement Nuclear Deterrence Ethics And Strategy that you are looking for. It will enormously squander the time.

However below, considering you visit this web page, it will be correspondingly extremely easy to acquire as competently as download lead Nuclear Deterrence Ethics And Strategy

It will not recognize many era as we explain before. You can realize it even though action something else at house and even in your workplace. as a result easy! So, are you question? Just exercise just what we have the funds for below as well as review **Nuclear Deterrence Ethics And Strategy** what you past to read!

Nuclear Deterrence Ethics And Strategy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nuclear Deterrence Ethics And Strategy PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant

information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nuclear Deterrence Ethics And Strategy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Nuclear Deterrence Ethics And Strategy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Nuclear Deterrence Ethics And Strategy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nuclear Deterrence Ethics And Strategy is one of the best book in our library for free trial. We provide copy of Nuclear Deterrence Ethics And Strategy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nuclear Deterrence Ethics And Strategy. Where to download Nuclear Deterrence Ethics And Strategy online for free? Are you looking for Nuclear
