Public War,

Private Conscience Andrew Fiala, 2010-05-02 Public War Private Conscience offers a philosophical reflection on the moral demands made upon us by war providing a clear and accessible overview of the different ways of thinking about war Engaging both with contemporary examples and historical ideas about war the book offers unique analysis of issues relating to terrorism conscience objection just war theory and pacifism Andrew Fiala examines the conflict between utilitarian and

deontological points of view On the one hand wars are part of the project of public welfare subject to utilitarian evaluation On the other hand war is also subject to deontological judgment that takes seriously the importance of private conscience and human rights This book argues that the conflict between these divergent approaches is unavoidable We are continually caught in the tragic conflict between these two values public happiness and private morality And it is in war that we find the conflict at its most obvious and most disturbing

Out of the Darkness Frank Trentmann, 2024-02-20 1 Most Important Political Book of 2023 Sueddeutsche Zeitung
Germany A Best Book of 2023 The Telegraph Great Britain A gripping and nuanced history of the German people from World War II to the war in Ukraine including revealing new primary source material on Germany's transformation In 1945 Germany lay in ruins morally and materially Its citizens stood condemned by history responsible for a horrifying genocide and war of extermination But by the end of Angela Merkel's tenure as chancellor in 2021 Germany looked like the moral voice of Europe welcoming more than one million refugees holding together the tenuous threads of the European Union and making military restraint the center of its foreign policy At the same time Germany's rigid fiscal discipline and energy deals with Vladimir Putin have cast a shadow over the present Innumerable scholars have asked how Germany could have degenerated from a nation of scientists poets and philosophers into one responsible for genocide This book raises another vital question How did a nation whose past has been marked by mass murder a people who cheered Adolf Hitler reinvent themselves and how much Trentmann tells this dramatic story of the German people from the middle of World War II through the Cold War and the division into East and West to the fall of the Berlin Wall and the struggle to find a place in the world today This journey is marked by a series of extraordinary moral conflicts admissions of guilt and shame vying with immediate economic concerns restitution for some but not others tolerance versus racism compassion versus complicity Through a range of voices German soldiers and German Jews displaced persons in limbo East German women and shopkeepers angry about energy shortages opponents and supporters of nuclear power volunteers helping migrants and refugees and right wing populists attacking them Trentmann paints a remarkable and surprising portrait spanning eighty years of the conflicted people at the center of Europe showing how the Germans became who they are today
