Dak'Art Ugochukwu-Smooth Nzewi, Thomas Fillitz, 2020-06-15 What can an art biennale in Dakar Senegal tell us about current discourses surrounding the place of art in the world and in the academic study of anthropology This volume investigates the Dak Art biennale ranked among the world s top 20 biennials drawing upon fieldwork archival research and the experiences of those involved In so doing the chapters make a statement about the impact of globally acting art biennials contributing to current scholarship both on biennales and the anthropology of art scene more widely Part I opens with the history of its foundation and considers it in conjunction with the rise of contemporary art in Senegal Part II deals with the biennale s various objectives selection strategies exhibition spaces platforms for debate and discourses between the State the secretariat and local artists and art world professionals Part III examines the cyclical creation of contemporary African art and questions if the Biennial creates local canonical practices The Epilogue uses the Dak art biennale to question assumptions around practice in general biennale scholarship and work Featuring a dialogic structure

between practitioners of art and anthropologists this unique volume will be of interest to students of anthropology art history and practice African studies and curatorial practice      *Flowers and Towers* Nira Tessler, 2015-11-25 This book explores the meaning and symbolism of the flower motif in the art of women artists from the nineteenth century to the present day It begins with a discussion of the symbolic significance of the flower in canonical texts such as the Song of Songs in which the female lover is likened to a lily among the thorns and to an enclosed garden These allegorical images permeated into Christian iconography attaining various expressions in the plastic arts from the twelfth through nineteenth centuries The heart of the book is a discussion of the meaning of the change in representations of the flower and at the same time the appearance of amazing images of masculine skyscrapers in the works of avant garde American women artists during the 1920s and 30s in three hubs of Modernist art New York California and Mexico Tessler explains how modernist artists of various fields of art such as Glaspell Stettheimer O Keeffe Pelton Cunningham Mather Modotti and Kahlo were aware of the religious symbolism of the flower in Judaism and Christianity and turned it into an emblem of the new modern woman with her own views of the world *Flowers and Towers* concludes by presenting the works of contemporary feminist American artists such as Chicago and Schapiro who pay tribute to those same Modernist artists by creating a new and daring image of the flower and using feminine materials and techniques that link them as it were to their spiritual mothers      **The Justice of Visual Art** Eliza Garnsey, 2020 Drawing on novel case studies this book provides the first substantive theoretical framework for understanding transitional justice and visual art      **Early Modern Art Theory. Visual Culture and Ideology, 1400-1700** James Hutson, 2016-06-20 The development of art theory over the course of the Renaissance and Baroque eras is reflected in major stylistic shifts In order to elucidate the relationship between theory and practice we must consider the wider connections between art theory poetic theory natural philosophy and related epistemological matrices Investigating the interdisciplinary reality of framing art making and interpretation this treatment rejects the dominant synchronic approach to history and historiography and seeks to present anew a narrative that ties together various formal approaches focusing on stylistic transformation in particular artist s oeuvres Michelangelo Annibale Carracci Guercino Guido Reni Poussin and others and the contemporary environments that facilitated them Through the dual understanding of the art theoretical concept of the Idea an evolution will be revealed that illustrates the embittered battles over style and the overarching intellectual shifts in the period between art production and conceptualization based on Aristotelian and Platonic notions of creativity beauty and the goal of art as an exercise in encapsulating the divine truth of nature      *After Babel* George Steiner, 2013-04-16 A brilliant work A dazzling meditation on the very nature of language itself from the world renowned scholar and author of *The Poetry of Thought* Kirkus Reviews In his classic work literary critic and scholar George Steiner tackles what he considers the Babel problem Why over the course of history have humans developed thousands of different languages when the social material and economic advantages of a single tongue are obvious Steiner argues that

different cultures desires for privacy and exclusivity led to each developing its own language Translation he believes is at the very heart of human communication and thus at the heart of human nature From our everyday perception of the world around us to creativity and the uninhibited imagination to the often inexplicable poignancy of poetry we are constantly translating even from our native language
