Clifford Howard

Phallic Worship:

Sexual Symbolism Richard Payne Knight, Thomas Wright, 2006-01-01 Comprising two works this is a pioneering volume on a taboo subject Characterized by a systematic approach it has served as a foundation for subsequent studies *Phallic Worship* Hargrave Jennings, 2023-09-01 Reproduction of the original [Phallic Worship: A Description of The Mysteries of The Sex Worship of The Ancients With The History of The Masculine Cross](#) Anonymous, Sex Worship has prevailed among all peoples of ancient times sometimes contemporaneous and often mixed with Star Serpent and Tree Worship The powers of nature were sexualised and endowed with the same feelings passions and performing the same functions as human beings Among the ancients whether the Sun the Serpent or the Phallic Emblem was worshipped the idea was the same the veneration of the generative principle Thus we find a close relationship between the various mythologies of the ancient nations and by a comparison of the creeds ideas and symbols can see that they spring from the same source namely the worship of the forces and operations of nature the original of which was doubtless Sun worship It is not necessary to prove that in primitive times the Sun must have been worshipped under various names and venerated as the Creator Light Source of Life and the Giver of Food In the earliest times the worship of the generative power was of the most simple and pure character rude in manner primitive in form pure in idea the homage of man to the supreme power the Author of life Afterwards the worship became more depraved a religion of feeling sensuous bliss corrupted by a priesthood who were not slow to take advantage of this state of affairs and inculcated with it profligate and mysterious ceremonies union of gods with women religious prostitution and other degrading rites Thus it was not long before the emblems lost their pure and simple meaning and became licentious statues and debased objects Hence we have the depraved ceremonies at the worship of Bacchus who became not only the representative of the creative power but the God of pleasure and licentiousness The corrupted religion always found eager votaries willing to be captives to a pleasant bondage by the impulse of physical bliss as was the case in India and Egypt and among the Ph nicians Babylonians Jews and other nations Sex worship once personified became the supreme and governing deity enthroned as the ruling God over all dissent therefrom was impious and punished The priests of the worship compelled obedience monarchs complied to the prevailing faith and became willing devotees to the shrines of Isis and Venus on the one hand and of Bacchus and Priapus on the other by appealing to the most animating passion of nature *Sex Worship* Clifford Howard, 1898 [Phallic Worship](#) Hargrave Jennings, 1880 [Phallic Worship](#) Hargrave Jennings, 2023-09-01 Reproduction of the original *Sex and sex worship (phallic worship); a scientific treatise on sex, its nature and function, and its influence on art, science, architecture, and religion - with special reference to sex worship and symbolism* O.A. Walls, 1922-01-01 [Sex Worship](#) Clifford Howard, 1917 **Sex and Sex Worship** Otto Augustus Wall, 1922 **Primitive Symbolism, as Illustrated in Phallic Worship** Hodder Michael Westropp, 1885 [Phallic Worship](#) George Ryley Scott, 1941 **Phallic Worship** Hargrave Jennings, 2022-08-21 In *Phallic Worship*

Hargrave Jennings deftly navigates the complex interplay between mythology religion and sexuality presenting a thorough examination of the historical significance of phallic symbols across various cultures Written in a period marked by burgeoning interest in anthropology and the occult Jennings employs a meticulous scholarly style weaving historical texts folklore and personal observations into a compelling narrative His exploration reveals how phallic iconography has transcended its seemingly explicit nature to convey deeper spiritual and cultural meanings from ancient civilizations to contemporary society Hargrave Jennings was a notable figure in the 19th century intellectual landscape deeply influenced by the Enlightenment's quest for knowledge His background as a spiritualist and his engagement with esoteric doctrines undoubtedly shaped his views on sexuality and divinity leading him to investigate the often taboo subject of phallic worship Jennings commitment to illuminating the connections between sex spirituality and culture is evident throughout his work revealing a man keenly aware of the psychological and societal implications of his subject Phallic Worship is a fascinating read for those interested in understanding the symbolic dimensions of sexuality in human history Jennings invites readers to reconsider preconceived notions of sexuality by situating these symbols within their broader cultural frameworks It is an essential text for scholars students or any curious mind seeking to delve into the intricate relationship between spirituality and sexuality In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read
