Custodio,Judith B. O'Loughlin,2017-02-23 New hope for our most vulnerable English learners One of the guiding principles of

effective English language teaching is for educators to know their students And that in a nutshell captures the value of this

book The compassion that Custodio and O Loughlin feel for our SIFE students the commitment they have to educating them

well and the comprehension they have of the assets these learners bring to the classroom are evident in the writing tools and

vignettes they share Deborah J Short Under the best of circumstances the academic demands of today s classrooms can be

daunting to our English learners But for the tens of thousands of newly arrived students with interrupted formal education

even the social challenges can be outright overwhelming Rely on this all in one guide from Brenda Custodio and Judith O

Loughlin for expert insight on how to build the skills these students need for success in school and beyond Inside you ll find

Essential background on factors leading to interrupted education Specific focus on refugee children and Latino immigrants

Guidance on building internal resilience for long term social and emotional health Recommendations for creating supportive

environments at the classroom school and district level About one thing Brenda and Judith are absolutely convinced our SIFE

students can learn and make progress often at a remarkable speed But it s up to us their educators to provide the time

attention and a specific focus Consider this book your first step forward **The Best Books** William Swan
