USPTO Image File Wrapper Petition Decisions 0696 , Squeezing Out the Dirt From the Beautiful Game SUNNY ERONMOSE ISUEKEBHOR,2014-06-16 Every year many wrong decisions are made by Referees during football matches as a result teams are knocked out of Champions Leagues by fake goals penalties are awarded to players who dive in the penalty area offside goals are allowed and legitimate goals are ruled out as offside goals Many nations miss out on World Cup qualifications because of red cards that were issued to their players for fouls the players had not committed and in leagues all around the world teams are relegated because of refereeing errors while teams that may have been relegated remain in higher divisions Sadly there have been death threats made on Referees after video replays showed that they made mistakes which cost teams and nations valuable points qualifications and trophies And these death threats are not only irresponsible but criminal But If Referees are humans and not angels as FIFA wants us to believe do they need help and can video technology be the answer Should video replays be approved to help Referees avoid these monumental errors or should the game continue as it is without video technology or video replays This book is one of the most unique books you ever read rather than using words or phrases as titles of chapters as it is in almost every book you and I have read the titles of chapters of this book are actually sentences yes each chapter title is a sentence they are sentences made by fictional commentators in four of the more popular football or soccer leagues in the world Each title sentence covers a specific Referee decision in football Chapter one is titled with a sentence that covers the award of a penalty to a player who dives in the penalty box Chapter two has a sentence title that exemplifies a commentator s reaction when a fine goal is disallowed and chapter three s sentence title deals with the issue of an unwarranted second yellow card to a player whilst the title of chapter four is a sentence that shows a commentator s lamentation when a player is unjustly sent off and finally chapter five carries in its title a sentence of a commentator describing the worst decision he has ever seen in three decades of football commentary while calling for

football authorities to consider the introduction of video replays to aid Referees *POSSILPARK to IBROX* Donald Caskie, 2014-12-05 The book traces the football career of Jimmy Caskie from 1931 to 1952 He was an exceptionally gifted left wing player who could also play on the right wing but as he was not a one club player he never became a legend at any of the clubs for whom he played In the course of a career which took him from Corporation pitches in the north of Glasgow to Wembley and further afield at various times he regularly played alongside Bill Shankly Matt Busby Gordon Smith and Willie Waddell As a juvenile player in Glasgow he was described by Sir Alex Ferguson's father as a "stare" and he went on to play with distinction for Ashfield St Johnstone Everton St Mirren Hibernian and Rangers He assisted Everton to win the League Championship in 1939 toured North America in the same year with the SFA and was the outstanding player of the touring party won several trophies while playing as a guest player with Hibernian during the Second World War and represented Scotland in nine war time internationals against England In 1945 he came to Ibrox and was a regular at outside left in the very successful Rangers side of the immediate post war years As well as providing a statistical record of Jimmy Caskie's career the book places this against the background of the turbulent times in which football was being played It deals with such issues as the numbering of players dual control of games by two referees concessionary gates for the unemployed during the Depression and the dangers associated with large crowds at games which were not all ticket The problems faced by football during the Second World War such as the guest player system the controversy surrounding reserved occupations for players and the shortage of kit and balls brought about by rationing are discussed Post war football had its own problems in the shape of severe winter weather which resulted in games being played in fog on frozen heavily sanded pitches league reconstruction a threatened players strike in which Jimmy Caskie took a leading part and disputes with the authorities over industrial absenteeism caused by the playing of games on mid week afternoons there were no floodlights and with the Chancellor of the Exchequer over gate admission prices and these are also discussed The circumstances which led to the 1947 boardroom coup at Ibrox and the decision by the SFA not to send a team to Brazil for the World Cup in 1950 despite receiving a specific invitation from FIFA to do so are explained In short the book highlights the differences between the way football was played and organised before during and after the Second World War and the modern game **Sports Betting**
