

# PLAYING FROM THE HEART

GREAT MUSICIANS TALK  
ABOUT THEIR CRAFT

EDITED BY ROBERT L. OBERSCHEK

# Playing From The Heart Great Musicians Talk About Their Craft

**Nigel Barlow**

## **Playing From The Heart Great Musicians Talk About Their Craft:**

**Playing from the Heart** Bob Doerschuk, 2002-05 Presents a collection interviews with such rock musicians as Chuck Berry Bonnie Raitt Billy Joel Eddie Van Halen Ray Manzarek and Tori Amos      **The Quest for the Melodic Electric Bass** Per Elias Drabløs, 2016-03-03 The double bass the preferred bass instrument in popular music during the 1960s was challenged and subsequently superseded by the advent of a new electric bass instrument From the mid 1960s and throughout the 1970s a melismatic and inconsistent approach towards the bass role ensued which contributed to a major change in how the electric bass was used in performance and perceived in the sonic landscape of mainstream popular music Investigating the performance practice of the new melodic role of the electric bass as it appeared and disappeared in the 1960s and 1970s the book turns to the number one songs of the American Billboard Hot 100 charts between 1951 and 1982 as a prime source Through interviews with players from this era numerous transcriptions elaborations of twenty bass related features are presented These are juxtaposed with a critical study of four key players who provide the case studies for examining the performance practice of the melodic electric bass This highly original book will be of interest not only to bass players but also to popular musicologists looking for a way to instigate methodological and theoretical discussions on how to develop popular music analysis      **Hell of a Hat** Kenneth Partridge, 2021-09-21 In the late 90s third wave ska broke across the American alternative music scene like a tsunami In sweaty clubs across the nation kids danced themselves dehydrated to the peppy rhythms and punchy horns of bands like The Mighty Mighty Bosstones and Reel Big Fish As ska caught fire a swing revival brought even more sharp dressed brass packing bands to national attention Hell of a Hat dives deep into this unique musical moment Prior to invading the Billboard charts and MTV ska thrived from Orange County California to NYC where Moon Ska Records had eager rude girls and boys snapping up every release On the swing tip retro pioneers like Royal Crown Revue had fans doing the jump jive and wail long before The Brian Setzer Orchestra resurrected the Louis Prima joint Drawing on interviews with heavyweights like the Bosstones Sublime Less Than Jake and Cherry Poppin Daddies as well as underground heroes like Mustard Plug The Slackers Hepcat and The New Morty Show Kenneth Partridge argues that the relative economic prosperity and general optimism of the late 90s created the perfect environment for fast danceable music that with some notable exceptions tended to avoid political commentary An homage to a time when plaids and skankin were king and doing the jitterbug in your best suit was so money Hell of a Hat is an inside look at 90s ska swing and the loud noises of an era when America was dreaming and didn't even know it      **Encyclopedia of Great Popular Song Recordings** Steve Sullivan, 2013-10-04 From John Philip Sousa to Green Day from Scott Joplin to Kanye West from Stephen Foster to Coldplay The Encyclopedia of Great Popular Song Recordings Volumes 1 and 2 covers the vast scope of its subject with virtually unprecedented breadth and depth Approximately 1 000 key song recordings from 1889 to the present are explored in full unveiling the stories behind the songs the recordings the performers and the songwriters Beginning the

journey in the era of Victorian parlor balladry brass bands and ragtime with the advent of the record industry readers witness the birth of the blues and the dawn of jazz in the 1910s and the emergence of country music on record and the shift from acoustic to electrical recording in the 1920s The odyssey continues through the Swing Era of the 1930s rhythm the rock modern soul the British invasion and the folk rock movement of the 1960s and finally into the modern era through the musical streams of disco punk grunge hip hop and contemporary dance pop Sullivan however also takes critical detours by extending the coverage to genres neglected in pop music histories from ethnic and world music the gospel recording of both black and white artists and lesser known traditional folk tunes that reach back hundreds of years This book is ideal for anyone who truly loves popular music in all of its glorious variety and anyone wishing to learn more about the roots of virtually all the music we hear today Popular music fans as well as scholars of recording history and technology and students of the intersections between music and cultural history will all find this book to be informative and interesting

**The B.B. King Reader** Richard Kostelanetz, Jesse Reiswig, 2005-11 B B King is a national treasure For more than five decades he has been the consummate blues performer His unique guitar playing powerful vocals and repertoire of songs have taken him from tiny Itta Bena Mississippi to worldwide renown In this comprehensive volume the best articles interviews and reviews about B B King s life and career have been gathered Learn how he first made his mark as a disc jockey in Memphis hawking Pepticon elixir and taking the moniker of the Beale Street Blues Boy trace his early tours and recordings see him be swept up in the blues revival and finally enjoy his fame as the greatest living exponent of the blues style

**The Blues** Chris Thomas King, 2021-06-08 A fresh new perspective that will be a true revolution to readers and will open new lines of discussion on the importance of the city of New Orleans for generations to come Dr Michael White jazz clarinetist composer and Keller Endowed Chair at Xavier University of LA An untold authentic counter narrative blues history and the first written by an African American blues artist All prior histories on the blues have alleged it originated on plantations in the Mississippi Delta Not true says author Chris Thomas King In *The Blues* King present facts to disprove such myths This book is the first to argue the blues began as a cosmopolitan art form not a rural one As early as 1900 the sound of the blues was ubiquitous in New Orleans The Mississippi Delta meanwhile was an unpopulated sportsman s paradise the frontier was still in the process of being cleared and drained for cultivation Expecting these findings to be controversial in some circles King has buttressed his conclusions with primary sources and years of extensive research including a sojourn to West Africa and interviews with surviving folklorists and blues researchers from the 1960s folk rediscovery epoch New Orleans King states was the only place in the Deep South where the sacred and profane could party together without fear of persecution creating the blues

*Van Halen Rising* Greg Renoff, 2015-10-01 A vivid and energetic history of Van Halen s legendary early years After years of playing gigs everywhere from suburban backyards to dive bars Van Halen led by frontman extraordinaire David Lee Roth and guitar virtuoso Edward Van Halen had the songs the swagger and the talent to turn the rock world on its ear The quartet s

classic 1978 debut Van Halen sold more than a million copies within months of release and rocketed the band to the stratosphere of rock success On tour Van Halen's high energy show wowed audiences and prompted headlining acts like Black Sabbath to concede that they'd been blown off the stage By the year's end Van Halen had established themselves as superstars and reinvigorated heavy metal in the process Based on more than 230 original interviews including with former Van Halen bassist Michael Anthony and power players like Pete Angelus Marshall Berle Donn Landee Ted Templeman and Neil Zlozower Van Halen Rising reveals the untold story of how these rock legends made the unlikely journey from Pasadena California to the worldwide stage Grateful Dead's Workingman's Dead Buzz Poole,2016-04-21 Released in 1970

Workingman's Dead was the breakthrough album for the Grateful Dead a cold water shock departure from the Acid Test madness of the late 60s It was the band's most commercially and critically successful release to date More importantly these songs established the blueprint for how the Dead would maintain and build upon a community held together by the core motivation of rejecting the status quo the straight life in order to live and work on their own terms As a unified whole the album's eight songs serve as points of entry into a fully rendered portrait of the Grateful Dead within the context of late twentieth century American history These songs speak to the attendant cultural and political anxieties that resulted from the idealism of the 60s giving way to the uncomfortable realities of the 70s and the band's evolving perspective on these changes Based on research interviews and personal experience this book probes the paradox at the heart of the band's appeal the Grateful Dead were about much more than music though they were really just about the music **Prince on Prince** Arthur Lizie,2022-11-15 Prince on Prince gets behind the controversies to tell the Prince story in his own words Prince is among the most respected and influential entertainers of the twentieth century breaking sexual racial and creative barriers throughout his almost forty years in the spotlight He was a multitalented studio artist a master songwriter who produced and performed almost all of his own music on yearly LPs and countless singles and videos He was one of the most dynamic live performers ever to hit the stage a world class dancer and musician who's still remembered for the best Super Bowl halftime performance in history He fought for artists rights changed his name to a glyph and took a star turn in the Oscar winner Purple Rain But for all this he was a quiet and private individual reluctant to talk about the work he felt should speak for itself This volume offers a chronological look at some of Prince's most entertaining and revealing interviews from 1978 and the release of his debut LP For You to a 2015 interview conducted only months before his untimely death at the age of fifty seven Prince's memoir was left incomplete but this volume offers a view of the man as he sought to portray himself in his own words to journalists of every status throughout his career Finding Fogerty Thomas M. Kitts,2012-12-21 Essays on the 50 year career of American songwriter and composer John Fogarty which argue for his musical and cultural significance *Miles on Miles* Paul Maher,Michael K. Dorr,2021-06-15 Miles on Miles collects the thirty most vital Miles Davis interviews Essential reading for anyone who wants to know what Miles Davis thought about his music life and philosophy Miles on Miles reveals

the jazz icon as a complex and contradictory man secretive at times but extraordinarily revealing at others Miles was not only a musical genius but an enigma and nowhere else was he so compelling exasperating and entertaining as in his interviews which vary from polite to outrageous from straight ahead to contrarian Even his autobiography lacks the immediacy of the dialogues collected here Many were conducted by leading journalists like Leonard Feather Stephen Davis Ben Sidran Mike Zwerin and Nat Hentoff Others have never before seen print are newly transcribed from radio and television shows or appeared in long forgotten magazines Since Miles Davis's 1991 death his influence has continued to grow But until now no book has brought back to life his inimitable voice contemplative defiant elegant uncompromising and humorous Miles on Miles will long remain the definitive source for anyone wanting to really encounter the legend in print *Forthcoming Books* Rose Army,2002

**In the Heart of Harmony** Pasquale De Marco,2025-03-15 In the symphony of life music plays a captivating melody weaving its way through our hearts and souls connecting us in ways that transcend words Embark on a compelling journey into the world of music with *In the Heart of Harmony* a book that explores the profound impact of music on our lives Within these pages you'll encounter the inspiring stories of musicians composers and performers who have dedicated their lives to the pursuit of musical excellence Discover their creative processes the challenges they overcame and the triumphs they achieved Their tales will ignite your passion for music and leave you in awe of the transformative power it possesses But *In the Heart of Harmony* delves deeper than just the personal narratives of musicians It also delves into the scientific evidence that unveils the extraordinary benefits of music on our physical mental and emotional well being Learn how music can reduce stress improve cognitive function boost our immune system and even alleviate pain Discover the healing power of music and how it can be harnessed to enhance our lives Furthermore this book explores the role of music in shaping cultures and societies throughout history From ancient civilizations to the modern era music has been an integral part of human experience marking rites of passage commemorating historical events and uniting people from all walks of life Witness the transformative power of music as it transcends barriers of race religion and nationality creating a sense of shared humanity that binds us together Whether you're a seasoned musician a casual listener or simply someone who appreciates the beauty of music *In the Heart of Harmony* offers a captivating and informative exploration of this remarkable art form Delve into the depths of music discover its transformative power and gain a newfound appreciation for its profound impact on our lives Let the music play on and let it fill your heart with joy inspiration and wonder If you like this book write a review

[On the Road to Find Out](#) Cherie Bell,2014-04-22 *On the Road to Find Out* an MLS Journey begins with a crisis that eventually turns into inner exploration and world travel Cherie Bell writes with humor and honesty of her decision to return to college after almost thirty years to work on a liberal studies degree in graduate school Her intention was to focus on world religion and philosophy but varied interests led her to courses that would take her around the world She writes in detail about her journeys to India and to World War II sites in England and France More poignantly she reveals how liberal arts

studies became a journey into the self and exploration of the mind and soul      *Seduced by the Muse* Harry George Pellegrin, 2014-02-19 Music Is it a hobby Is it a pastime Is it an ego boost Is it an obsession Only if it is an all consuming obsession should one consider music as a career Someone once said If anything can discourage you from being a musician let it *Seduced by the Muse* is the biography of a professional musician highlighting how life's experiences death injury sickness ridicule and praise shaped a relatively successful career Music is life to the musician and every incident emotion and trial form the core of how that musician interprets his world and this interpretation is clearly apparent in every note played The observations of classical guitarist Harry George Pellegrin Contains detailed descriptions of paranormal events as well as experiences with a religious cult      **Paideia** Dr. Joni Nicole McAllister, 2024-10-31 Overseer Dr Joni Nicole McAllister was born in Brooklyn New York to the late John Allen McAllister Sr and the late Virginia Scott McAllister She is the second of eight children who grew up in the South Bronx The author currently holds both Associate and Bachelor of Science degrees in Business from Empire State University a Master of Arts in Theological Studies degree from Liberty University a Master of Divinity degree and a Doctor of Ministry degree from Apex School of Theology In her forty years of ministry she has a passion for training associate ministers who are called by God but have little or no adequate ministerial training to address the needs of their congregation or provide support to their senior pastor Joni is the founder of Paideia University located in Greenville North Carolina which assists in training pastors associate ministers and ministry leaders Paideia The Associate Minister's Training Manual is her first book A second book Paideia The Associate Minister's Workbook will be released in 2024 Joni worked as a customer service representative and retired from Verizon Communications after twenty six years of service Joni is the Senior Pastor of Healing Word Ministries which is located in Greenville NC She is an ordained Overseer who serves under the auspices of the Presiding Bishop Tillary Nashaun Burkett and Executive Pastor Krystal Burkett of the Progressive Fellowship of Churches Corona New York Joni loves the Lord and the church where she serves She enjoys fun times with her family and friends gospel music classic black and white movies concerts and traveling Her future goals are to learn to swim and play the violin Joni currently lives in North Carolina      *Writing for the Ear, Preaching from the Heart* Donna Giver-Johnston, 2021 In *Writing for the Ear Preaching from the Heart* Donna Giver Johnston teaches preachers how to communicate effectively how to get away from their notes and make a more personal connection with their listeners Grounded in a theology of the incarnation she offers a step by step method for writing sermons with the fewest most impactful and memorable words and delivered by heart to communicate a message that captures the ears and hearts of listeners      *Rock Your Presentation* Nigel Barlow, 2016-04-28 This book will protect your audiences from the following disorders Death by PowerPoint Tedium Compulsive fidgeting Losing the Will to Live Syndrome Nearly all of us have to pitch or present our ideas whether in a formal setting like a theatre at a company conference in a classroom or even selling a concept one to one to our boss In *Rock your Presentation* Nigel Barlow a professional keynote speaker and creative coach to

many of the world's most famous organisations gives you inspiring insights and practical techniques to rock up your presentation or speech. Many of these tips come from exploring what makes great music so moving and impactful and are easy to apply to make your own talks more dynamic and memorable. Try changing your key for different emotional impact, come up with a stronger chorus and an exciting climax, create your speaker's rider, be a protest singer to unleash your passion and learn when and how to go unplugged to touch your audience. Whether you want to create a whole new presentation or tune up a tired old one, *Rock Your Presentation* will give you plenty of fresh ideas. *The Encyclopedia of Popular Music: Selected Albums. Bibliographies* Colin Larkin, 2006. Containing 27 000 entries and over 6 000 new entries, the online edition of the Encyclopedia of Popular Music includes 50% more material than the Third Edition. Featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day, including jazz, country, folk, rap, reggae, techno, musicals and world music, the Encyclopedia also offers thousands of additional entries covering popular music genres, trends, styles, record labels, venues and music festivals. Key dates, biographies and further reading are provided for artists covered, along with complete discographies that include record labels, release dates and a 5 star album rating system.

**Love Songs in Motion** Christina J. Woolner, 2023-11-24. An intimate account of everyday life in Somaliland explored through an ever-evolving musical genre of love songs. At first, listen both music and talk about love are conspicuously absent from Somaliland's public soundscapes. The lingering effects of war, the contested place of music in Islam and gendered norms of emotional expression limit opportunities for making music and sharing personal feelings. But while Christina J. Woolner was researching peacebuilding in Somaliland's capital Hargeisa, she kept hearing snippets of songs. Almost all of these she learned were about love. In these songs, poets, musicians and singers collaborate to give voice to personal love aspirations and often painful experiences of love suffering. Once in circulation, the intimate and heartfelt voices of love songs provide rare and deeply therapeutic opportunities for *dareen wadaag* (feeling sharing). In a region of political instability, these songs also work to powerfully unite listeners on the basis of shared vulnerability, transcending social and political divisions and opening space for a different kind of politics. Taking us from 1950s recordings preserved on dusty cassettes to new releases on YouTube and live performances at Somaliland's first postwar music venue, where the author herself eventually takes the stage, Woolner offers an account of love songs in motion that reveals the capacity of music to connect people and feelings across time and space, creating new possibilities for relating to oneself and others.

## Unveiling the Energy of Verbal Beauty: An Psychological Sojourn through **Playing From The Heart Great Musicians Talk About Their Craft**

In a global inundated with monitors and the cacophony of instantaneous connection, the profound power and psychological resonance of verbal artistry usually fade into obscurity, eclipsed by the continuous assault of noise and distractions. ## **Playing From The Heart Great Musicians Talk About Their Craft Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Playing From The Heart Great Musicians Talk About Their Craft has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Playing From The Heart Great Musicians Talk About Their Craft has opened up a world of possibilities. Downloading Playing From The Heart Great Musicians Talk About Their Craft provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Playing From The Heart Great Musicians Talk About Their Craft has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Playing From The Heart Great Musicians Talk About Their Craft. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Playing From The Heart Great Musicians Talk About Their Craft. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize

reputable websites that prioritize the legal distribution of content. When downloading Playing From The Heart Great Musicians Talk About Their Craft, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Playing From The Heart Great Musicians Talk About Their Craft has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Playing From The Heart Great Musicians Talk About Their Craft Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
