

The book cover features a photograph of Earl Woods and Tiger Woods on a golf course. Earl Woods is seated in the foreground, wearing a white polo shirt, a white Titleist cap, and a watch, smiling broadly. Tiger Woods stands behind him, wearing a blue polo shirt and a white Nike cap, with his arm around Earl's shoulder. The background shows a lush green golf course under a clear sky.

Visible Differences Dominic J. Pulera, 2002-06-05 Race The mere mention of the R word is a surefire conversation stopper In this book about America's most divisive social issue Dominic J Pulera offers a compelling roadmap to our future This accessible and penetrating analysis is the first to include detailed coverage of America's five racial groups whites blacks Hispanics Asian Americans and Native Americans The author contends that race will matter to Americans during the twenty first century because of visible differences and that differences in physical appearance separating the races are the single most important factor shaping intergroup relations in conjunction with the social cultural economic and political ramifications that accompany them Pulera shows how why when and where race matters in the United States and who is affected by it He explains the ongoing demographic transition of America from a predominantly white country to one where nonwhites are increasingly numerous and consequently more visible The advent of a multiracial consciousness has tremendous implications for America's future because the racial significance of almost every part of the American experience is increasing as a result The author concludes on a note of cautious optimism as he explores whether the visible differences dividing Americans are reconcilable
