Hull, Patricia Bell-Scott, Barbara Smith, 2016-01-01 Published in 1982 But Some of Us Are Brave was the first ever Black women s studies reader and a foundational text of contemporary feminism Featuring writing from eminent scholars activists teachers and writers such as the Combahee River Collective and Alice Walker All the Women Are White All the Blacks Are Men But Some of Us Are Brave challenges the absence of Black feminist thought in women s studies confronts racism and investigates the mythology surrounding Black women in the social sciences As the first comprehensive collection of Black feminist scholarship But Some of Us Are Brave was recognized by Audre Lorde as the beginning of a new era where the women in women s studies will no longer mean white Coeditors Akasha Gloria T Hull Patricia Bell Scott and Barbara Smith are authors and former women s studies professors Brittney C Cooper is a professor of Women s and Gender Studies and Africana Studies at Rutgers University She is the author of several books including Eloquent Rage named by Emma Watson as an Our Shared Shelf read for November December 2018 **Black Women of the Harlem Renaissance Era** Lean'tin L. Bracks, Jessie Carney Smith, 2014-10-16 The Harlem Renaissance is considered one of the most significant periods of creative and intellectual expression for African Americans Beginning as early as 1914 and lasting into the 1940s this era saw individuals reject the stereotypes of African Americans and confront the racist social political and economic ideas that denied them citizenship and access to the American Dream While the majority of recognized literary and artistic contributors to this period were black males African American women were also key contributors Black Women of the Harlem Renaissance Era

profiles the most important figures of this cultural and intellectual movement Highlighting the accomplishments of black women who sought to create positive change after the end of WWI this reference work includes representatives not only from the literary scene but also ActivistsActressesArtistsEducatorsEntrepreneursMusiciansPolitical leaders Scholars By acknowledging the women who played vital if not always recognized roles in this movement this book shows how their participation helped set the stage for the continued transformation of the black community well into the 1960s To fully realize the breadth of these contributions editors Lean tin L Bracks and Jessie Carney Smith have assembled profiles written by a number of accomplished academics and historians from across the country As such Black Women of the Harlem Renaissance Era will be of interest to scholars of women s studies African American studies and cultural history as well as students and anyone wishing to learn more about the women of this important era **Encyclopedia of the Harlem**

Renaissance Cary D. Wintz,Paul Finkelman,2012-12-06 From the music of Louis Armstrong to the portraits by Beauford Delaney the writings of Langston Hughes to the debut of the musical Show Boat the Harlem Renaissance is one of the most significant developments in African American history in the twentieth century The Encyclopedia of the Harlem Renaissance in two volumes and over 635 entries is the first comprehensive compilation of information on all aspects of this creative dynamic period For a full list of entries contributors and more visit the Encyclopedia of Harlem Renaissance website

Profiles of African American Stage Performers and Theatre People, 1816-1960 Bernard L. Peterson Jr.,2000-10-30 This directory includes over 500 African American performers and theater people who have made a significant contribution to the American stage from the early 19th century to the beginning of the civil rights movement of the 1960s Entries provide succinct biographical and theatrical information gathered from a variety of sources including library theater and drama collections dissertations and theses newspaper and magazine reviews and criticism theater programs theatrical memoirs and earlier performing arts directories Among the professional artists included in this volume are performers librettists lyricists directors producers choreographers stage managers and musicians The individuals profiled represent almost every major category and genre of the professional semiprofessional regional and academic stage including minstrelsy vaudeville musical theater and drama Persons of historical significance are included as well as those stars and theatrical personalities that were well known during their time but who are relatively forgotten today This comprehensive volume will appeal to theater and musical theater Black studies and American studies scholars Cross referenced throughout this reference also includes an extensive bibliography and appendices of other theater personalities excluded from the main text Separate indexes list the personalities teams and partnerships and performing groups organizations and companies **Black Theatre** Paul Carter Harrison,Victor Leo Walker (II.),Gus Edwards,2002-11-08 Generating a new understanding of the past as well as a vision for the future this path breaking volume contains essays written by playwrights scholars and critics that analyze African American theatre as it is practiced today Even as they acknowledge that Black experience is not monolithic these

contributors argue provocatively and persuasively for a Black consciousness that creates a culturally specific theatre This theatre rooted in an African mythos offers ritual rather than realism it transcends the specifics of social relations reaching toward revelation The ritual performance that is intrinsic to Black theatre renews the community in Paul Carter Harrison s words it reveals the Form of Things Unknown in a way that binds cleanses and heals *Black on Black* John Cullen Gruesser,2021-05-11 *Black on Black* provides the first comprehensive analysis of the modern African American literary response to Africa from W E B Du Bois s *The Souls of Black Folk* to Alice Walker s *The Color Purple* Combining cutting edge theory extensive historical and archival research and close readings of individual texts Gruesser reveals the diversity of the African American response to Countee Cullen s question What is Africa to Me John Gruesser uses the concept of Ethiopianism the biblically inspired belief that black Americans would someday lead Africans and people of the diaspora to a bright future to provide a framework for his study Originating in the eighteenth century and inspiring religious and political movements throughout the 1800s Ethiopianism dominated African American depictions of Africa in the first two decades of the twentieth century particularly in the writings of Du Bois Sutton Griggs and Pauline Hopkins Beginning with the Harlem Renaissance and continuing through the Italian invasion and occupation of Ethiopia however its influence on the portrayal of the continent slowly diminished Ethiopianism s decline can first be seen in the work of writers closely associated with the New Negro Movement including Alain Locke and Langston Hughes and continued in the dramatic work of Shirley Graham the novels of George Schuyler and the poetry and prose of Melvin Tolson The final rejection of Ethiopianism came after the dawning of the Cold War and roughly coincided with the advent of postcolonial Africa in works by authors such as Richard Wright Lorraine Hansberry and Alice Walker *The Theater of Black Americans* Errol Hill,1987 Applause Books From the origins of the Negro spiritual and the birth of the Harlem Renaissance to the emergence of a national black theatre movement *The Theatre of Black Americans* offers a penetrating look at a black art form that has exploded into an American cultural institution Among the essays James Hatch Some African Influences on the Afro American Theatre Shelby Steele Notes on Ritual in the New Black Theatre Sister M Francesca Thompson OSF The Lafayette Players Ronald Ross The Role of Blacks in the Federal Theatre *The History of Southern Drama* Charles S. Watson,2021-12-14 Mention southern drama at a cocktail party or in an American literature survey and you may hear cries for Stella or laments for gentleman callers Yet southern drama depends on much more than a menagerie of highly strung spinsters and steel magnolias Charles Watson explores this field from its eighteenth and nineteenth century roots through the southern Literary Renaissance and Tennessee Williams s triumphs to the plays of Horton Foote winner of the 1994 Pulitzer Prize Such well known modern figures as Lillian Hellman and DuBose Heyward earn fresh looks as does Tennessee Williams s changing depiction of the South from sensitive analysis to outraged indictment in response to the Civil Rights Movement Watson links the work of the early Charleston dramatists and of Espy Williams first modern dramatist of the South to later twentieth century drama

Strong heroines in plays of the Confederacy foreshadow the spunk of Tennessee Williams's Amanda Wingfield. Claiming that Beth Henley matches the satirical brilliance of Eudora Welty and Flannery O'Connor, Watson connects her zany humor to 1840s New Orleans farces. With this work, Watson has at last answered the call for a single volume comprehensive history of the South's dramatic literature. With fascinating detail and seasoned perception, he reveals the rich heritage of southern drama.

A Companion to Twentieth-Century American Drama David Krasner, 2008-04-15 This Companion provides an original and authoritative survey of twentieth-century American drama studies written by some of the best scholars and critics in the field. Balances consideration of canonical material with discussion of works by previously marginalized playwrights. Includes studies of leading dramatists such as Tennessee Williams, Arthur Miller, Eugene O'Neill, and Gertrude Stein. Allows readers to make new links between particular plays and playwrights. Examines the movements that framed the century such as the Harlem Renaissance, lesbian and gay drama, and the solo performances of the 1980s and 1990s. Situates American drama within larger discussions about American ideas and culture.

The Christian Educator, 1928

The Development of the Alternative Black Curriculum, 1890-1940 Alana D. Murray, 2018-06-26 This book examines black intellectual thought during from 1890-1940 and its relationship to the development of the alternative black curriculum in social studies. Inquiry into the alternative black curriculum is a multi-disciplinary project; it requires an intersectional approach that draws on social studies research, educational history, and black history. Exploring the gendered construction of the alternative black curriculum, Murray considers the impact of Carter G. Woodson and W. E. B. DuBois in creating the alternative black curriculum in social studies and its subsequent relationship to the work of black women in the field and how black women developed the alternative black curriculum in private and public settings.

Willis Richardson, Forgotten Pioneer of African-American Drama Christine R. Gray, 1999-12-30 During the 1920s and 1930s, Willis Richardson (1889-1977) was highly respected as a leading African American playwright and drama anthologist. His plays were performed by numerous black high school, college, and university drama groups and by theater companies in Chicago, New York, Washington, D.C., Cleveland, Baltimore, and Atlanta. With the opening of *The Chip Woman's Fortune* (1923), he became the first African American to have a play produced on Broadway. Several of his 46 plays were published in assorted magazines, and in his essays, he urged black Americans to seek their dramatic material in their own lives and circumstances. In addition, he edited three anthologies of plays by African Americans. But between 1940 and his death in 1977, Richardson came to realize that his plays were period pieces and that they no longer reflected the problems and situations of African Americans. In the years before his death, he attempted vigorously yet unsuccessfully to preserve several of his plays through publication, if not production. But the man who has been called the father of African American drama and who was considered the hope and promise of African American drama died in obscurity. Richardson has even been neglected by the scholarly community. This critical biography, the first extensive consideration of his life and work, firmly reestablishes his pioneering role in American

theater The book begins with a detailed chronology followed by a thoughtful biographical essay The volume then examines the nature of African American drama in the 1920s the period during which Richardson was most productive and it analyzes his approach to drama as a means of educating African American audiences It then explores the African American community as the central theme in Richardson s plays for Richardson typically looks at the consequences of refusals by blacks to help one another The work additionally considers Richardson s history plays his anthologies his dramas intended for black children and his essays A concluding chapter summarizes his lasting influence the book closes with a listing of his plays and an extensive bibliography

Encyclopedia of American Drama Jackson R. Bryer, Mary C. Hartig, 2015-04-22 Provides a comprehensive guide to American dramatic literature from its origins in the early days of the nation to American classics such as Arthur Miller s *Death of a Salesman* and Thornton Wilder s *Our Town* to the groundbreaking works of today s best writers
