## Plays By Webster Ford:

Plays John Webster, 1949      Webster and Ford John Webster, John Ford, 1972-02-04      Webster and Ford's Play John Webster, John Ford, 1953-09      **Selected Plays** John Webster, John Ford, 1933      **Plays by Webster and Ford** John Webster, 1947      Webster, Ford: Selected Plays. The White Devil, The Duchess of Malfi, The Broken Heart, 'Tis Pity She's a Whore, Etc John WEBSTER (Dramatist.), 1954      **Selected Plays of John Webster and John Ford** John Webster, John Ford, 1958      *Webster and Ford: Selected Plays* John Webster, 1975      **The Selected Plays of John Ford** John Ford, 1986-08-29 This selection contains the three finest plays of the Stuart dramatist John Ford The Broken Heart is a classical tragedy of suffering 'Tis Pity She's a Whore Ford's best known play and one still frequently performed is a tragic story of limitless ambition and social rivalry expressed in sexual terms Perkin Warbeck is the last great successor to the history plays of Shakespeare Together they exemplify the unique tone of Ford's drama in which passion and gravity are united by a playwright with a poetic sense of theatre This is the only one volume selection of Ford's plays now available The texts are modernised and equipped with notes explaining unfamiliar language and historical references A general introduction gives a brief biography and bibliography individual introductions deal with the sources and stage history of each play Longer notes at the back of the book discuss points of staging and interpretation and there is a full textual apparatus which makes this edition useful for the scholar as well as the student      Plays John Webster, 1933      **Webster and Ford** Rowland Wymer, 1995 The reputation of Webster and Ford is based on a handful of tragedies which display extreme situations and emotional intensity Productions since 1945 have helped to vindicate the enthusiastic judgement of 19th century Romantic critics and demonstrated that these plays retain their capacity to disturb audiences arousing strong responses of both horror and pity The author outlines the careers of both dramatists and illuminates the Jacobean and Caroline theatre contexts It includes a detailed analysis of six plays emphasizing their emotional power and theatrical effectiveness and makes frequent references to modern performances The plays considered include The White Devil The Duchess of Malfi and 'Tis Pity She's a Whore      **Selected Plays** John Webster, 1963      **Pregnant Bodies from Shakespeare to Ford** Katarzyna Burzyńska, 2022-03-24 This book explores how the pregnant body is portrayed perceived and enacted in Shakespeare's and his contemporaries drama by means of a phenomenological analysis and a recourse to early modern popular medical discourse on reproduction Phenomenology of pregnancy is a fairly new and radical body of philosophy that questions the post Cartesian chasm of an almost autonomous reason and an enclosed and self sufficient male body as foundations of identity Early modern drama as is argued was written and staged at the backdrop of revolutionary changes in medicine and science where old and new theories on the embodied self clashed In this world where more and more men were expected to steadily grow isolated from their bodies the pregnant body constituted an embattled contradiction Indebted to the theories of embodiment this book offers a meticulous and detailed investigation of a plethora of

pregnant characters and their pregnant embodiment in the pre modern works by Shakespeare Middleton Webster and Ford The analysis in each chapter argues for an indivisible link between an intensely embodied experience of pregnancy as enacted in space and identity shaping processes resulting in a more acute sense of selfhood and agency Despite seemingly disparate experiences of the selected heroines and the repeated attempts at containment of their unruly bodies the ever transforming and spatial pregnant identities remain loci of embodied selfhood and agency This book provocatively argues that fictional characters experience reflects tangible realities of early modern women while often deflecting the scientific consensus on reproduction in the period      **Teaching Shakespeare and Early Modern Dramatists** A. Hiscock,L.

Hopkins,2007-07-02 This collection offers practical suggestions for the integration of non Shakespearean drama into the teaching of Shakespeare It shows both the ways in which Shakespearean drama is typical of its period and of the ways in which it is distinctive by looking at Shakespeare and other writers who influenced and developed the genres in which he worked      **Catalogue of the Trustees, Officers, and Students of the Oberlin Collegiate Institute** Oberlin

College,1907      Webster and Ford John Webster,1958      **Catalogue of Yale University** Yale University,1897

*Catalogue* Yale University,1913      **Catalogue of the Officers and Graduates of Yale University** Yale University,1896

Catalogue of the Officers and Students in Yale College Yale University,1897
