Plays By Y York Gerald's Good Idea The Secret Wife And The Snowflake Avalanche:

Afternoon of the Elves Y. York, 2000 *The Garden of Rikki Tikki Tavi* Y. York, 1999 *Plays* Dennis J. Reardon, 2001

Dennis Reardon is a passionate and always interesting playwright Richard Nelson One of the leading playwrights who engendered the early years of the Joseph Papp Public Theater a signal contribution to getting us on the national cultural map Bernard Gersten Executive Producer Lincoln Center Theater Reardon tackles some very pertinent and hair raising issues with great flair and humor I m glad to see that he continues to write provocative plays Gordon Davidson Artistic Director Producer Mark Taper Forum This collection includes three full length plays STEEPLE JACK THE PEER PANEL and THE MISADVENTURES OF CYNTHIA M About STEEPLE JACK Like a well cut diamond with many shining facets playwright Dennis J Reardon has given theater audiences a quality gem in STEEPLE JACK Set in rural Kansas STEEPLE JACK is about bare bones existence life and death youth and maturity males and females good and evil the relationships that hold life together and the need for love in the face of grief a richly textured work peopled with equally textured characters and dialogue the mystic Steeple Jack conveys a sympathetic personality that is despite his tramp like appearance otherworldly and eerily distant without seeming like something born of monster movies Kathleen Mills The Bloomington Herald Telephone About THE PEER PANEL Funny and incisive THE PEER PANEL shapes a meditation on the future of the American theater into an absorbing funny and gracefully structured play THE PEER PANEL evades its potential for caricature thanks largely to Reardon s uncanny command of each character s voice But THE PEER PANEL while rooted in its characters preoccupations isn t just about theater It s also about the foundations of personal aesthetic preferences about the ways in which culture and ideology and prejudice influence what we like and how differences in taste can obstruct interpersonal connections Sort of like Yasmina Reza s ART only without the tedium Eric Pfeffinger The Bloomington Herald Times **Plays by Y York** Y. York, 2000 This collection contains three full length plays GERALD S GOOD IDEA THE SECRET WIFE and THE SNOWFLAKE AVALANCHE If there is a common thread in York s projects it is that they are full of uncommon characters children 1960s housewives black financial consultants Native American activists Very few of York s characters seem to have anything to do with the playwright herself and her attention to those differences gives her work a frankly political spin American Theater Y York makes her points by not taking herself too seriously even as she offers astute observations about environmental racial and family matters The New York Times The future with all its exhilarating potential and terrifying possibilities has Y York in its grip York does not struggle to break free or even squirm Calmly with great wit and insight she writes plays environmental science fiction plays that raise important questions even as they entertain St Louis Post Dispatch Y York displays a strong imagination and raucous humor St Louis Sun Y York writes with passion and delivers a powerful appeal for personal freedom and idiosyncratic behavior St Louis Post Dispatch from reviews of THE SNOWFLAKE AVALANCHE An ambitious modern fable concerning ecological disaster race relations and the human condition A Native American fisherman s extreme

response to an atrocious oil spill brings his family together with that of the African American lawyer who defends him The script conspires to bring massive global issues to a human even comic plane Peripheral choices such as a mother struggling with whether to not to stop contributing to her planet s demise by using laundry bleach are weighed against the fisherman s violent choice in a world where rats chewing through computer chips can bring our entire justice system to a halt In the avalanche of today s reality this show offers us a chance to examine our own responsibility as you guessed it the flakes The Seattle Weekly York has a real flair for wry intelligent humor THE SNOWFLAKE AVALANCHE forgoes preaching for a gentle hopefulness that we can set things right on the planet and learn to understand each other better Seattle Times At one point in a discussion on environmental responsibility Janet the wife of Thomas a Native American being defended for shooting the president of a corporation responsible for a major oil spill refers to Russell as you white people Action stops for a moment and the implications hit with strong force To say that York s THE SNOWFLAKE AVALANCHE is provocative is somewhat an understatement Seattle Gay News An OUR TOWN for Our Time THE SNOWFLAKE AVALANCHE is about our shared home earth York has a wonderful gift for writing funny lines and she s endowed all her characters with individual senses of humor Even a sort of all knowing nature sprite has a delightful sly wit The tone and style of the whole production is indeed surprisingly light for what is basically a play about philosophical decisions THE SNOWFLAKE AVALANCHE is an adult play which children can enjoy Bellevue Journal American *The Dramatist* ,2000 Facing Forward Leah D.
