manifestations that have become canonized The transformation and transfer of meanings which accompanies any crossing between texts rests not least on the nature of the artistic corpus embodied in the general framework of historically and socially determined cultural traditions Traditions however result from selective forms of perception they are as much inventions as they are based on exclusion Intertextuality leads to a constant reinforcement of tradition while at the same time intertextual relations between the new literatures and other English language literatures are all too obvious Despite the inevitable impact of tradition the new literatures tend to employ a dynamic reading of culture which fosters social process and transition thus promoting transcultural rather than intercultural modes of communication Writing and reading across borders becomes a dialogue which reveals both differences and similarities More than a decolonizing form of deconstruction intertextuality is a strategy for communicating meaning across cultural boundaries      **Black Words, White Page** Adam Shoemaker, 2004-03-01 This award winning study the first comprehensive treatment of the nature and significance of Indigenous Australian literature was based upon the author s doctoral research at the ANU      Modern Migrations, Black Interrogations Philip Kretsedemas, Jamella Nefetari Gow, 2024-01-19 This edited collection applies theories and lessons from the study of antiblack racism to the study of migration and movement It locates often hidden legacies resonances and influences of antiblackness in contemporary migratory regimes      **Black Australian Literature** Heinz Schürmann-Zeggel, 1997      Sport in Australian Drama Richard Fotheringham, 1992-01-31 Sport in Australian Drama first published in 1992 provides an intelligent view of Australian society at play
