

Don't Cry for Me

Don't cry for me now I have died,
for I'm still here I'm by your side,
My body's gone but my soul is here,
please don't shed another tear,
I am still here I'm all around,
only my body lies in the ground.
I am the snowflake that kisses your nose,
I am the frost, that nips your toes.
I am the sun, bringing you light,
I am the star, shining so bright.
I am the rain, refreshing the earth,
I am the laughter, I am the mirth.
I am the bird, up in the sky,
I am the cloud, that's drifting by.
I am the thoughts, inside your head,
While I'm still there, I can't be dead.

The Extraordinary Confessions of Diana Please Bernard Capes,2023-02-09 Excerpt If the public seeks any apology for this introduction to it at a late date of the extraordinary woman whose self dictated Memoirs form the staple of the following pages it must look for it in the references of her contemporaries it will be far from gathering it from her own autobiography Diane Rosemonde de St Croix to give her her proper mother title considered that she owed to Romance in a glowing age what in a practical one is conceded by a thousand dull and petty vanities to a vulgar curiosity her personal reminiscences She had at least the justification of her qualities and the good fortune to find in her latter day friend the Marquis de C an enthusiastic historian of them In the question of their appeal one way or the other to the English reader the present transcriber from the original French notes must hold himself responsible both for choice and style Madame de St Croix was a passionist as the French called Casanova and indeed she had many points in common with that redoubtable adventurer an unappeasable vagabondism a love of letters an ardent imagination an incorruptible self love and lastly what we may term an exotic orthodoxy If subscribing to the universal creed which makes man s soul his fetish she worshipped an exacting god she was at least always ready to sacrifice the world to gratify it and now no doubt very logically sings among the angels [Catalog of Copyright Entries](#) Library of Congress.
