Aristotle's Nicomachean Ethics Book X ,2020-01-16 Accompanied by a new translation of Aristotle s Nicomachean Ethics X this volume presents a hybrid between a traditional commentary and a scholarly monograph Aristotle s text is divided into one hundred lemmata which not only explore comprehensively the content and strength of each of these units of thought but also emphasise their continuity showing how the smaller units feed into the larger structure The Commentary illuminates what Aristotle thinks in each lemma and why and also shows how he thinks In order to bring Aristotle alive as a thinker it often explores several possible ways of reading the text to enable the reader to make up their own mind about the best interpretation of a given passage The relevant background in Plato s dialogues is discussed and a substantial Introduction sets out the philosophical framework necessary for understanding Book X the final and most arresting section of the Ethics

slaveholder from Virginia's rural tidewater was unhappily married, resentful of his prosperous in-laws and terribly lonely. His closest friend was the diary he kept for more than thirty momentous years in American history from 1842 until his death at age sixty-one in 1872. The devout, plainspoken Cobb wrote in a conversational style, candidly recording his innermost thoughts. His diary's intimate account of a troubled marriage provides a painfully frank chronicle of incompatibility. The diary also illuminates the momentous impact of the Civil War and emancipation. Offering many insights into the oral culture from which he sprang, Cobb's *Ordeal* reveals the great differences that separate his world from our own. *Figuring Sex Between Men*

Alfred Davenport, 1823. *The Calendar Mums* Lauren K. McKellar, 2025-05-15. Meet single mum Samantha, entrepreneur Rhea, and first-time mother Tahlie, all from different walks of life brought together by their weekly mum and baby group in the town of Hickory Creek. Here they all find support and a moment's peace in the haze of raising their new-borns. But when the group is cancelled due to a lack of funds, it looks like the invaluable support they received will be no more. Until they decide to band together to save the community centre, their group and a whole host of other services that keep Hickory Creek running. Their plan: Create a fundraiser calendar featuring themselves in the nude. Baring all for charity requires bravery at the best of times, but as all of them have given birth in the last few months, it feels unthinkable. Which is exactly why they decide to do it. They will challenge not only what is celebrated about women's bodies but what each of them think they are capable of. Circle the date on your calendar, because for these women and their town, nothing will ever be the same again.
