Johnson, 1977 *Literary Research and the British Eighteenth Century* Peggy Keeran, Jennifer Bowers, 2013-02-21 The 18th century in Britain was a transition period for literature Patronage either by a benefactor or through subscription lingered even as the publishing and bookselling industries developed The practice of reviewing books became well established during the second half of the century with the first periodical founded in 1749 For the literary scholar these gradual changes mean that different search strategies are required to conduct research into primary and secondary source material across the era Literary Research and the British Eighteenth Century addresses these unique challenges It examines how the following all contribute to the richness of literary research for this era book and periodical publishing a growing literate society dissemination of literature through salons private societies and coffee houses the growing importance of book reviews the explosion of publishing and the burgeoning of primary source material available through new publishing and digital initiatives in the 21st century This volume explores primary and secondary resources including general literary research guides union library catalogs print and online bibliographies scholarly journals manuscripts and archives 18th century books newspapers and periodicals contemporary reception and electronic texts and journals as well as Web resources Each chapter addresses the research methods and tools best used to extract relevant information and compares and evaluates sources making this book an invaluable guide to any literary scholar and student of the British eighteenth century Plots and Characters in the Fiction of Eighteenth-century English Authors: Henry Fielding, Tobias Smollett, Laurence Sterne, Samuel Johnson, and Oliver Goldsmith Clifford R. Johnson, 1977 Provides plot summaries and character identifications for all the important narrative works of Henry Fielding Tobias Smollett Laurence Sterne Samuel Johnson and Oliver Goldsmith English Literature, Volume 2 Louis A. Landa, 2015-12-08 Two volumes containing the annual bibliographies of 18th century scholarship published in the *Philological Quarterly* An excellent aid to the student of 18th century literature *Saturday Review* Volume 2 1939 1950 includes consolidated index for both volumes Originally published in 1952 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 A Reference Guide for English Studies Michael J. Marcuse, 2023-11-15 **The English Novel, 1700-1740** Robert Letellier, 2003-02-28 The English novel written between 1700 and 1740 remains a comparatively

neglected area In addition to Daniel Defoe whose Robinson Crusoe and Moll Flanders are landmarks in the history of English fiction many other authors were at work These included such women as Penelope Aubin Jane Barker Mary Davys and Eliza Haywood who made a considerable contribution to widening the range of emotional responses in fiction These authors and many others continued writing in the genres inherited from the previous century such as criminal biographies the Utopian novel the science fictional voyage and the epistolary novel This annotated bibliography includes entries for these works and for critical materials pertinent to them The volume first seeks to establish the existing studies of the era along with anthologies It then provides entries for a wide ranging selection of works which cover fictional theoretical historical political and cultural topics to provide a comprehensive background to the unfolding and understanding of prose fiction in the early 18th century This is followed by an alphabetical listing of novels their editions and any critical material available on each The next section provides a chronological record of significant and enduring works of fiction composed or translated in this period The volume concludes with extensive indexes

The New Cambridge Bibliography of English Literature: Volume 2, 1660-1800 George Watson,Ian R. Willison,1971-07-02 More than fifty specialists have contributed to this new edition of volume 2 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **The Eighteenth Century** ,1984 **Official Register of the Officers and Cadets** United States Military Academy,1925
