**The Poetry of Paul Muldoon** Jefferson

Holdridge, 2008-08-01 The Poetry of Paul Muldoon introduces the student and general reader to the critical discussion surrounding Muldoon's oeuvre as well as to his major themes. It examines the poet's meditations on culture and nature, human and animal speculations on the act of perception, figures fragmented by the Troubles, and philosophical considerations of colonisation. It then discusses what rank among the most beautiful and intricate elegies of our time. For Muldoon, art's complicity in suffering is a political self-indicting question which his best poems endeavour to answer. If sometimes this Pulitzer Prize winner insists that art has a positive role to play, at other times he fears that it merely feeds off the carnage. This critical book shows how for Muldoon, art should not merely repeat the devastation of the world, although he is afraid that it does, and engages in bitter moral despair that places his work among the very best any contemporary poet has written. The Poetry of Paul Muldoon unearths difficult questions of form with a metaphysical significance that is suitable to our times.

*Irish Women Writers Speak Out* Caitriona Moloney, Helen Thompson, 2003-03-01 Bringing together the diverse and marvelously articulate voices of women of Irish and Irish American descent, editors Caitriona Moloney and Helen Thompson examine the complicated maps of experience that the women's public, private, and literary lives represent, particularly as they engage in both feminism and postcolonialism. Acknowledging Mary Robinson's revised view of Irish identity, now global rather than local, this work recognizes the importance of identity as a site of mobility. The pieces reveal how complex the terms feminism and postcolonialism are; they examine how the individual writers see their identities constructed and/or mediated by sexuality. In addition, the book traces common themes of female agency, violence, generational conflicts, migration, emigration, religion, and politics, to name a few. As it represents the next wave of Irish women writers, this book offers fresh insight into the work of emerging and established authors and will appeal to a new generation of readers. **Ploughshares Fall, 1998**
