To Pray as Jesus Prayed Daniel Odle Sr., 2011-10-10 Most people have much experience in praying to God but far fewer hear the Father speaking to them in the way that Jesus heard the Father Clearly people would pray much more if their

spiritual communication was to the extent that they talk with one another in the natural sense To Pray as Jesus Prayed addresses this obscurity with clear Bible teaching For example you will learn how God communicates His voice why some do not hear Gods voice which images release Gods voice in your life how to be established in prayer by the Lord when you hear His voice how to overcome the groping so common in prayer life To Pray as Jesus Prayed shows you what matters most is not what you say to God but what God says to you You can obtain rich fellowship with the Father when His disposition His attitude and His true involvement is realized in prayer You in Me Lorraine J. Dorival,2023-10-13 You in Me chronicles my journey of healing learning and growth from the small Caribbean Island of Dominica to Canada and recognizes the many misunderstandings encountered along the way Such misunderstandings could keep us perpetually stuck in limiting beliefs and prohibit our progression to a more productive and enjoyable life When a change of course in life is desired in order to accommodate a more successful integration in a fast developing society it is imperative that these misunderstandings be faced with probing questions as to why they occur and our participation and contributing factors in causing them Our participation may sometimes be mainly unconscious making the cause difficult to detect The effect of and on behavior is a good indicator that something is amiss and may need some mode of adjustment We all share that commonality in unconscious behavior and the poetry You in Me speaks to the reconciliation of relationships with oneself others and more importantly the spirit which gives fervor and strength to drive the unknown to awareness When brought to the light of day misunderstandings may be examined for deeper reasons and meanings and by the grace of the ever present spirit we may be renewed and replenished A conscious effort is required to bring about these restorations and You in Me addresses some of these reconciliations Therefore with passion creativity and sensitivity I invite you to join me on this engaging adventure of self discovery and evolution which sheds some light on a hopeful and brilliant tomorrow Lorraine J Dorival **The Bhagavad-Gita** Georg Feuerstein,2011 The Bhagavad Gita the Song of God is not only one of the most revered texts of Hinduism but of world literature and spirituality in general Its 700 verses make up a small part of the great Sanskrit epic Mahabharata of which it can be said to be the heart It consists of a dialogue between the warrior Arjuna and Krishna avatar incarnation of the god Vishnu about action and nonaction knowledge and love The Gita is revered as a concise expression of Hindu philosophy as a work of profound poetry and as a guide to enlightened living It is one of the most often translated of spiritual texts and as is the case with other texts of its stature new translations tend to enhance rather than exhaust our understanding of it revealing new facets of its wisdom with each iteration This fresh translation stands out from the many others first of all in its careful faithfulness to the original language but also for the extensive tools for understanding it provides It is accompanied by detailed explanatory notes as well as by the entire Sanskrit text on facing pages both in the original Devanagiri alphabet and in a romanized version that allows the reader to approximate the sounds of this work that began with oral recitation a pronunciation guide is also provided Also included is a literal word for word translation for
