

Nouns

I can make plural nouns show ownership by making them possessive.

A plural possessive noun is a plural noun that shows ownership. It uses an apostrophe.

Next to each phrase, write the plural possessive form:

Books of the women

Women's books

Horns of the steer

Steers' horns

Tails of the kittens

Kittens' tails

Food of the animals

Animals' food

Wings of the planes

Planes' wings

Thomas Baby,2025-04-27 This textbook

presents a unique version of simplified English grammar that is easily understood by the average EFL student who struggles with the complex explanations found in standard grammar books prescribed for undergraduate students Moreover many prescribed grammar textbooks often lack sufficient practice materials and overlook certain seemingly trivial aspects of language that are crucial for language acquisition Therefore this book is specifically designed to address these challenges by shifting from traditional rule based grammar learning to a cognitive approach that identifies patterns of correct sentence structure This method makes grammar instruction easier and more engaging for the average student Additionally the book includes dedicated sections on summarizing paraphrasing and essay writing activities aimed at developing the writing skills of students at varying language levels by providing suitable practice materials

Property and Practical Reason Adam J. MacLeod, 2015-04-30 Property and Practical Reason makes a moral argument for common law property institutions and norms and challenges the prevailing dichotomy between individual rights and state interests and its assumption that individual preferences and the good of communities must be in conflict One can understand competing intuitions about private property rights by considering how private property enables owners and their collaborators to exercise practical reason consistent with the requirements of reason and thereby to become practically reasonable agents of deliberation and choice who promote various aspects of the common good The plural and mediated domains of property ownership though imperfect have moral benefits for all members of the community They enable communities and institutions of private ordering to pursue plural and incommensurable good ends while specifying the boundaries of property rights consistent with basic moral requirements
