Plutarch And The Historical Tradition

Jon Bartley Stewart, Katalin Nun

Plutarch And The Historical Tradition:

Plutarch and the Historical Tradition Philip A. Stadter, 2002-09-11 These essays by experts in the field from five countries examine Plutarch's interpretative and artistic reshaping of his historical sources in representative lives. Diverse essays treat literary elements such as the parallelism which renders a pair of lives a unit or the themes which unify the lives. Others consider the selecting, combining, simplifying and enlarging employed in composition. The construction of a Plutarchian life, the essays demonstrate, required careful selection and creative reworking of the historical material available.

Plutarch and History Christopher Pelling, 2011-12-31 Much of ancient history can only be written thanks to evidence supplied by Plutarch. The historical methods and qualities of this vital source were for long subjected to little systematic analysis. However, over the last two decades, an authoritative and profoundly influential set of studies has appeared in the field: the work of Christopher Pelling. Dispersed until now in a wide range of international journals and symposia, these fifteen studies are here published in a single volume, revised by the author with up-to-date annotations and bibliography. Together with three new studies, they form an essential reference work for serious students of classical Greece and Rome.

Donald Trump in Historical Perspective Michael Harvey, 2022-04-11 Donald Trump in Historical Perspective: Dead Precedents is a collection of chapters that utilizes the thinking of historians, philosophers and political scientists to explore historical parallels to the presidency of Donald J. Trump, the 45th President of the United States of America. This collection provides an extensive analysis on the ways Trump's impulsiveness, breaking of norms and disregard for longstanding democratic pieties caused him to represent a definitive end to the American century, an era when American self-confidence, steadiness and leadership, even in the face of titanic challenges, were almost universally taken for granted. Yet this book also argues how, in the longer sweep of history, Trump is a familiar figure in the turbulent life of democracies. These in-depth chapters reveal the ways Trump represents the anti-institutionalist, the populist demagogue, the would-be authoritarian who exploits electoral and political vulnerabilities to gain and hold power. Through these detailed evaluations, these chapters suggest that Trump is not radically unique, but that democracies have produced many previous versions of the Trump phenomenon. This book is essential reading for scholars and students in political science, political theory, history and leadership. This book is also noteworthy for readers interested in key developments in contemporary American democracy. One of its greatest appeals is its extensive look into leadership on an international scale, from Donald Trump's global significance to various explorations of non-American leaders and the comparisons that can be made.

Experience and Teleology in Ancient Historiography Jonas Grethlein, 2013-10-17 The past is narrated in retrospect. Historians can either capitalize on the benefit of hindsight and give their narratives a strongly teleological design, or they may try to render the past as it was experienced by historical agents and contemporaries. This book explores the fundamental tension between experience and teleology in major works of Greek and Roman historiography, biography and autobiography. The combination of theoretical reflections with close readings yields

a new often surprising assessment of the history of ancient historiography as well as a deeper understanding of such authors as Thucydides Tacitus and Augustine While much recent work has focused on how ancient historians use emplotment to generate historical meaning Experience and Teleology in Ancient Historiography offers a new approach to narrative form as a mode of coming to grips with time *Luke-Acts and the Rhetoric of History* Clare K. Rothschild,2004 Revised thesis Ph D University of Chicago Chicago 2003 **Recreating Ancient History** Karl A. E.. Enenkel,Jan de Jong,Jeanine de Landtsheer,2021-11-08 The papers in this volume offer examples of how historians writers playwrights and painters in the early modern period used ancient history as a rich field of raw material that could be used recycled and adapted to new needs and purposes They focused on classical antiquity as a source from which they could recreate the past as a way of understanding and legitimizing the present The contributors to this volume have addressed a number of important common issues that span a wide range of subjects from fifteenth century Italian painting to the teaching of Greek history in eighteenth century Germany This volume is of interest for historians of the early modern period from all disciplines and for all those interested in the reception of classical antiquity This publication has also been published in hardback please click here for details **Plutarch's >Parallel Lives** Chrysanthos S. Chrysanthou,2018-02-19 In the Parallel Lives Plutarch does not absolve his readers of the need for moral reflection by offering any sort of hard and fast rules for their moral judgement Rather he uses strategies to elicit readers active engagement with the act of judging This book drawing on the insights of recent narrative theories especially narratology and reader response criticism examines Plutarch s narrative techniques in the Parallel Lives of drawing his readers into the process of moral evaluation and exposing them to the complexities entailed in it Subjects discussed include Plutarch s prefatory projection of himself and his readers and the interaction between the two Plutarch s presentation of the mental and emotional workings of historical agents which serves to re enact the participants experience at the time and thus arouse empathy in the readers Plutarch s closural strategies and their profound effects on the readers moral inquiry Plutarch s principles of historical criticism in On the malice of Herodotus in relation to his narrative strategies in the Lives Through illustrating Plutarch s narrative technique this book elucidates Plutarch s praise and blame rhetoric in the Lives as well as his sensibility to the challenges inherent in recounting reading about and evaluating the lives of the great men of history **Plutarch's Sertorius** C. F. Konrad,2018-02-01 C F Konrad provides the first book length commentary on Plutarch s Life of Sertorius the work that has shaped most modern interpretations of the man and his career Quintus Sertorius 126 73 B C was a political and military leader during the period of turmoil that ended with the Roman Republic s disintegration just thirty years after his death A major figure on the losing side in the first civil war 87 82 B C he went to Spain to continue the struggle against the ruling senatorial faction with the help of Roman exiles and the native population His military skill was much admired but his increasingly despotic behavior combined with failing luck in the field eventually prompted Sertorius assassination by his Roman staff One of Plutarch s most austere biographies

Sertorius lacks the rich color and wealth of anecdote characteristic of his Antony or Perikles yet it is unsurpassed in its seemingly unbounded sympathy for its subject and is the most substantial source extant on Sertorius By analyzing Plutarch's method and purpose Konrad develops a more critical and less eulogistic view of Sertorius character and his actions during this period The Greek text of Plutarch's biography is included in this book **The Statesman in Plutarch's Works** Lukas De Blois,2004 The papers in this volume concentrate on political philosophical and literary aspects of Plutarch's presentation of statesmen and their activities and on the aftermath of this Plutarchan heritage **Greek Lives** Plutarch,1998-11-05

Lycurgus Pericles Solon Nicias Themistocles Alcibiades Cimon Agesilaus Alexander I treat the narrative of the Lives as a kind of mirror The experience is like nothing so much as spending time in their company and living with them I receive and welcome each of them in turn as my guest In the nine lives of this collection Plutarch introduces the reader to the major figures and periods of classical Greece He portrays virtues to be emulated and vices to be avoided but his purpose is also implicitly to educate and warn those in his own day who wielded power In prose that is rich elegant and sprinkled with learned references he explores with an extraordinary degree of insight the interplay of character and political action While drawing chiefly on historical sources he brings to biography a natural story teller's ear for a good anecdote Throughout the ages Plutarch's Lives have been valued for their historical value and their charm This new translation will introduce new generations to his urbane erudition The most comprehensive selection available it is accompanied by a lucid introduction explanatory notes bibliographies maps and indexes ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Traditions of the Magi** Albert De Jong,1997-01-01 This volume is intended as a contribution to the history of Zoroastrianism It attempts to show the diversity of beliefs and practices of ancient Zoroastrianism by analysing and interpreting all classical references to the religion of the ancient Persians **Plutarch and His Roman Readers** Philip A. Stadter,2015 This book is a collection of essays on the Parallel Lives of the Greek philosopher and biographer Plutarch which examines the moral issues Plutarch recognized behind political leadership and places his writings in their political and social context of the reigns of the Flavian emperors and their successors **The Rise And Fall of Athens** Plutarch,2024-02-29 Plutarch traces the fortunes of Athens through nine lives from Theseus its founder to Lysander its Spartan conqueror in this seminal work What makes a leader For Plutarch the answer lay not in great victories but in moral strengths In these nine biographies taken from his Parallel Lives Plutarch illustrates the rise and fall of Athens through nine lives from the legendary days of Theseus the city's founder through Solon Themistocles Aristides Cimon Pericles Nicias and Alcibiades to the razing of its walls by Lysander Plutarch ultimately held the weaknesses of its leaders responsible for the city's fall His work is invaluable for its imaginative

reconstruction of the past and profound insights into human life and achievement This edition of Ian Scott Kilvert's seminal translation fully revised with a new introduction and notes by John Marincola now also contains Plutarch's attack on the first historian On the Malice of Herodotus

The Limits of Ancient Biography Brian McGing, Judith Mossman, 2007-12-31 The genre of biography in the ancient world is interestingly diverse and permeable and deserves intensive study bearing as it does on ideas of characterization and the individual This volume considers both the form and the content of biography across the ancient world and is particularly interested in the frontiers with other related genres such as history The papers range from the Old Testament to the Arab world from the New Testament to the Lives of Saints from the classic Greek and Roman biographers to less well known practitioners of the art

The Statesman in Plutarch's Works, Volume I: Plutarch's Statesman and his Aftermath: Political, Philosophical, and Literary Aspects Jeroen Bons, Ton Kessels, Dirk Schenkeveld, Lukas de Blois, 2017-07-31 This volume presents the first half of the proceedings of the Sixth International Conference of the International Plutarch Society 2002 The selected papers are divided by theme in sections concentrating on political philosophical and literary aspects of Plutarch's presentation of statesmen and their activities and on the aftermath of this Plutarchan heritage The volume bears witness to the ongoing wide ranging interest in the work of Plutarch

The Dynamics of Intertextuality in Plutarch, 2020-05-11 The Dynamics of Intertextuality in Plutarch explores the numerous aspects and functions of intertextual links both within the Plutarchan corpus itself intratextuality and in relation with other authors works genres or discourses of Ancient Greek literature interdiscursivity intergenericity as well as non textual sources intermateriality Thirty six chapters by leading specialists set Plutarch within the framework of modern theories on intertextuality and its various practical applications in Plutarch's *Moralia* and *Parallel Lives* Specific intertextual devices such as quotations references allusions pastiches and other types of intertextual play are highlighted and examined in view of their significance for Plutarch's literary strategies argumentative goals educational program and self presentation

A Companion to Plutarch Mark Beck, 2013-11-13 A Companion to Plutarch offers a broad survey of the famous historian and biographer a coherent comprehensive and elegant presentation of Plutarch's thought and influence Constitutes the first survey of its kind a unified and accessible guide that offers a comprehensive discussion of all major aspects of Plutarch's oeuvre Provides essential background information on Plutarch's world including his own circle of influential friends Greek and Roman his travels his political activity and his relations with Trajan and other emperors Offers contextualizing background the literary and cultural details that shed light on some of the fundamental aspects of Plutarch's thought Surveys the ideologically crucial reception of the Greek Classical Period in Plutarch's writings Follows the currents of recent serious scholarship discussing perennial interests and delving into topics and works not formerly given serious attention

Kierkegaard and the Greek World: Aristotle and other Greek authors Jon Bartley Stewart, Katalin Nun, 2010 Tome II features articles dedicated to the Kierkegaard's Greek sources aside from Socrates beginning with a section containing

several articles on different aspects of Aristotle's writings that influenced his thought. This is followed by another section featuring analyses of other Greek philosophers and philosophical schools which were important for him. Finally, a third section explores Kierkegaard's uses of a handful of Greek poets, dramatists, and historians. *Plutarch's Unexpected Silences*, 2022-06-13. The act of recording anything is at the same time an act of silencing. Choices are made at every step about what to keep and what to discard. Examining what Plutarch has left out enriches our understanding of what he has chosen to say and both deepens our knowledge of the literary practices of this influential writer and opens new and fruitful lines of enquiry about Plutarch, his work, and his world.

Sparta in Plutarch's Lives Philip Davies, Edith Mossman, 2023-06-01. Plutarch, born before AD 50 and died after AD 120, is the ancient author who has arguably contributed more than any other to the popular conception of Sparta. Writing under the Roman Empire at a time when the glory days of ancient Sparta were already long in the past, Plutarch represents a milestone in Sparta's mythologisation but at the same time is a vital source for our historical understanding of Sparta. In this volume, eight scholars from around the world come together to consider Plutarch's understanding and presentation of Sparta, his flaws, and significance as an historical source, and his development of Sparta as a resonant subject and theme within his best-known work, the *Parallel Lives*. This book is the latest in a series which the Classical Press of Wales is publishing on major sources for Sparta. Volumes on Xenophon and Sparta (Powell Richer, 2020) and Thucydides and Sparta (Powell Debnar, 2021) have already been released, and a further volume on Herodotus and Sparta is currently in preparation.

Discover tales of courage and bravery in is empowering ebook, **Plutarch And The Historical Tradition** . In a downloadable PDF format (*), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.

Plutarch And The Historical Tradition Introduction

In the digital age, access to information has become easier than ever before. The ability to download Plutarch And The Historical Tradition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Plutarch And The Historical Tradition has opened up a world of possibilities. Downloading Plutarch And The Historical Tradition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Plutarch And The Historical Tradition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Plutarch And The Historical Tradition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Plutarch And The Historical Tradition. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Plutarch And The Historical Tradition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Plutarch And The Historical Tradition has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Plutarch And The Historical Tradition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Plutarch And The Historical Tradition is one of the best book in our library for free trial. We provide copy of Plutarch And The Historical Tradition in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Plutarch And The Historical Tradition. Where to download Plutarch And The Historical Tradition online for free? Are you looking for Plutarch And The Historical Tradition PDF? This is definitely going to save you time and cash in something you should think about.
