Journal Stanley Spooner,1910 *Erôs, Song, and Philosophy in Plato* Chara Kokkiou,2020-11-13 Er s Song and Philosophy
in Plato raises critical issues regarding how Plato treats song and philosophy in erotic contexts in his attempt to rewrite to
some degree the cultural tradition A question that seems to be repeatedly raised throughout the Platonic dialogues is why it
is precisely song that needs to be put aside before we can start doing philosophy as a more serious and perfect kind of song
This book highlights the importance of this key thematic cluster of beauty er s and song Chara Kokkiou argues that there is a
constant interplay among erotic musical poetic and spatial motifs and the way those are incorporated into the very essence of
philosophical dialectic is indicative of the unique nature of Plato s philosophy Her analysis centers on paidierastia and
mousikos er s which if thoroughly purified contribute significantly to the composition of Socrates portrait as mousikos
philosophos The Socratic philosophical logos displays reformed erotic and song authorized patterns such as inspiration and
healing Through a close reading of certain Platonic passages and detailed attention to both choral and mythical motifs in the
eschatological myths of Republic and Phaedo and to the descriptions of locus amoenus in Phaedrus and Laws Kokkiou
demonstrates that Plato through his painstakingly purged philosophical model delineates the route towards the creation of a
cultural and intellectual ideal In this way he establishes a dominant philosophical authority **Lucian, True History** Diskin
Clay,2021-07-29 Lucian of Samosata s True History is a fantastical tale of voyage and imagination No editor translator or
reader knows quite how to describe it or fit it comfortably into a familiar genre of Greek literature satires and dialogues only
partially describe the genre or genres he wrote in Of all the ancient Greco Roman writers Lucian is without doubt one of the
most inventive and witty The Greek text in this edition of the True History is accompanied by a facing page English
translation making it an accessible and informative resource aimed at students and teachers of Greek Whether used in the
classroom or in research readers will benefit from an introduction to Lucian and his place in imperial Greek literature as well
as a translation and commentary that bring out the wonders of his True History **1895** Nicholas Freeman,2011-10-12
Oscar Wilde s libel suit against the Marquess of Queensberry and its disastrous repercussions dominated British newspapers
during the spring of 1895 but as this innovative study reveals the Wilde scandal was by no means the only event to capture

the public's imagination. Freak weather, a flu epidemic, a General Election, industrial unrest, sex novels, and New Women trials of murderers and fraudsters, accidents, anarchists, bombers, balloonists, and bicyclists were all topics of interest and alarm. Drawing on strikingly diverse primary sources, Nicholas Freeman examines the recurrent preoccupations of a turbulent year, showing how 1890s Britain is at once far removed from our own day and yet strangely familiar. Lucian, True History Diskin Clay, 2021. This textbook for undergraduate and graduate students provides a lively and accessible translation of Lucian's *True History*. It is accompanied by an extensive commentary which explains historical references and offers help translating difficult words and phrases.
