Possessing the Land Edward James Murray, Jr., 2005-01-01 This book was written to help millions of believers to obey what the Lord commanded in Deut 1:8 which is to go and possess the land that He has already given to them It is intended to give the reader some understanding about modern day real estate and how it relates to the Word of God It will help you develop your faith in God in order to get to your Promised Land or the territory that God has called you to possess and occupy This book will also expose the subtle ways of the spirit of Baal and how it operates in the real estate business today This spirit tries to control intimidate and manipulate the real estate business world today This spirit is also known as the spirit of witchcraft Just like in the past when there was a showdown between the Prophet Elijah and the prophets of Baal we must confront and defeat this spirit Nevertheless God used this man of God Elijah that was outnumbered 900 to 1 to bring down the spirit of Baal The children of Israel chose to watch him instead of being on his side and help him to destroy the prophets of Baal As we saw in 1 Kings 18:24 only the God who answers by fire was on the side of this one man God used him to consume the gods of his time Just like today when the odds seem overwhelming and no one is standing with you our God who answers by fire will show up for you today just like He did for the Prophet Elijah The Word of God says in James 5:17 that Elijah was a man just like us He prayed earnestly that it would not rain and it did not rain for three and half years Again he prayed and the heavens gave rain and the earth produced its crops You and I have the same power available to us if we believe God in order to get into home ownership to take new territories title deeds to see our cities and surrounding communities transformed and overflowing with every good thing This book will help you gain more knowledge in buying a house and going even further into investment properties I believe this is one area of transformation of wealth that the believer is coming into and it has already started We must be a part of the tidal wave of transformation of wealth just as in the book of Acts when believers were homeowners landowners They sold off land from time to time in order to bring the proceeds to the apostles and they placed the proceeds at the apostle's feet as we saw demonstrated in Acts 4:34-35 Today we are to possess our land and effectively occupy the real estate industry so that we have more than enough to give to a local pastor ministry leader mission and other organizations so that they can produce fruit in their ministries You should read this entire chapter of Acts of the Apostles so that you can see the great power of God that was released in the city when they were giving outrageously This book will help enable you to go and possess the land or home that God wants to give you because He has promised many times that it is your inheritance from Him If you read Isaiah 61:7 God said instead of shame my people will receive a double portion and instead of disgrace They will rejoice in their inheritance and so they will inherit a double portion in their land This is just one scripture that tells us that God will not only give you a double portion in the natural things but will also give you a double portions in the land in which you are living Yes

that is real estate So begin to shout for those walls of Jericho to come down in your life and march on to your Jordan to possess the land like Joshua did Every battle was different for him and so will it be for you also Have faith in God to see the Promised Land that is in store for you **God Is A Real Estate Agent** Douglas Lattimore, 2017-08-31 Also known as the Realtor Devotional Click Here for an audio sample of chapter 1 https://christianagent.podomatic.com/enclosure/2019/01/07T06_18_30_08_00.mp3 This book is the first devotional ever made specifically for Christian real estate agents This book is not about selling it's about faith The real estate industry is one of the largest trade organizations in the nation with over a million members apart of the National Association of Realtors NAR With the educational prerequisites required of real estate agents being relatively low compared to other trade organizations top real estate professionals in the field seek supplemental education elsewhere to become more successful They will spend thousands of dollars on their personal development to insure that their businesses stay successful But the question here is this With everybody else writing books about selling real estate that cater to the natural man teaching principles of productivity how to sell and how to get results who among them is encouraging the spiritual men and women of this industry This whole industry revolves around faith in something or another Absolutely no one can make it big in this industry without faith but absolutely everyone in this industry is nervous about revealing the magnitude of the role that God plays in their success which is totally understandable in the world we live in today This book was written to completely break that ice However the real estate industry isn't in need of another guru talking about the spiritual powers of the Universe We are in need of a voice crying out in the wilderness proclaiming the abundant power of God The Creator of the Universe Now more than ever the real estate industry needs a book that teaches mindset and success principles based solely from the Bible Get this book today You'll have a new worship experience in reading a book that depicts Jesus Christ as the first ever real estate agent By reading this book God's love and grace will reflect in you through you and toward each and every one of your prospects clients and referrals And when God's favor is following you like that you will definitely be able to sell real estate in total peace In this book you will find out How to dominate your market The importance of strategy and the basics of constructing a business plan Sound advice for people considering real estate as a profession new agents or struggling agents How the love of God gives us the competitive advantage over any competition How to use your gifts to make room in your market Different mindset and success principles based on the Word of God Devotions and affirmations to start each day with Techniques to use your faith to overcome your fears Why women and introverts do so well in the real estate business Spoiler They know how to listen How to accomplish more progress with less resources And Much More This book has many subject topics that will keep you both interested and engaged This book is indeed the first of its kind Purchase it today and you will experience and explore a new level of thinking as a real estate agent and in God Remember it's not about selling it's about faith **Kingdom Principles for Business** Janet Miller, 2017-04-11 This is a book for every business man and woman both for those who are a success to know how to
