Pobeda Pod Moskvoi:

Operation Barbarossa David M Glantz, 2011-09-30 On 22 June 1941 Hitler unleashed his forces on the Soviet Union Spearheaded by four powerful Panzer groups and protected by an impenetrable curtain of air support the seemingly invincible Wehrmacht advanced from the Soviet Union's western borders to the immediate outskirts of Leningrad Moscow and Rostov in the shockingly brief period of less than six months The sudden deep relentless German advance virtually destroyed the entire peacetime Red Army and captured almost 40 percent of European Russia before expiring inexplicably at the gates of Moscow and Leningrad An invasion designed to achieve victory in three to six weeks failed and four years later resulted in unprecedented and total German defeat David Glantz challenges the time honoured explanation that poor weather bad terrain and Hitler's faulty strategic judgement produced German defeat and reveals how the Red Army thwarted the German Army's dramatic and apparently inexorable invasion before it achieved its ambitious goals *The Rzhev Slaughterhouse* Svetlana Gerasimova, 2013-09-19 Historians consider the Battle of Rzhev one of the bloodiest in the history of the Great Patriotic War and Zhukov's greatest defeat Veterans called this colossal battle which continued for a total of 15 months the Rzhev slaughterhouse or the Massacre while the German generals named this city the cornerstone of the Eastern Front and the gateway to Berlin By their territorial scale number of participating troops length and casualties the military operations in the area of the Rzhev Viazma salient are not only comparable to the Stalingrad battle but to a great extent surpass it The total losses of the Red Army around Rzhev amounted to 2 000 000 men the Wehrmacht's total losses are still unknown precisely to the present day Why was one of the greatest battles of the Second World War consigned to oblivion in the Soviet Union Why were the forces of the German Army Group Center in the Rzhev Viazma salient not encircled and destroyed Whose fault is it that the German forces were able to withdraw from a pocket that was never fully sealed Indeed are there justifications for blaming this lost victory on G K Zhukov In this book which has been recognized in Russia as one of the best domestic studies of the Rzhev battle answers to all these questions have been given The author Svetlana Gerasimova has lived and worked amidst the still extant signs of this colossal battle the tens of thousands of unmarked graves and the now silent bunkers and pillboxes and has dedicated herself to the study of its history Svetlana Aleksandrovna Gerasimova is a historian and museum official After graduating from Leningrad State University with a history degree she worked in the Urals as a middle school history teacher before moving to Tver where she taught a number of courses in history and local history and about museum work and leading excursions in the Tver School of Culture She earned her Ph D in history from Tver State University in 2002 For more than 20 years S A Gerasimova has been working in the Tver State Consolidated Museum and is the creator and co creator of a many displays and exhibits in the branches of the Museum and in municipal and institutional museums of the Tver Oblast Recent museum exhibits that she has created include The Battle of Rzhev 1942 1943 and The Fatal Forties Toropets District in the Years of the Great Patriotic War She has led approximately 20 historical

Marshal K.K. Rokossovsky Boris Sokolov, 2015-03-19 The author Boris Sokolov offers this first objective and intriguing biography of Marshal Konstantin Konstantinovich Rokossovsky who is widely considered one of the Red Army's top commanders in the Second World War Yet even though he brilliantly served the harsh Stalinist system Rokossovsky himself became a victim of it with his arrest beatings and imprisonment between 1937 and 1940 The author analyzes all of Rokossovsky's military operations in both the Russian Civil War and the Second World War paying particular attention to the problem of establishing the real casualties suffered by both armies in the main battles where Rokossovsky took part as well as on the Eastern Front as a whole Rokossovsky played a prominent role in the battles for Smolensk Moscow Stalingrad Kursk Belorussia Poland East Prussia and Pomerania While praising Rokossovsky's masterful generalship the author does not shy away from criticizing the nature of Soviet military art and strategy in which the guiding principle was at all costs and little value was placed on holding down casualties This discussion extends to the painful topic of the many atrocities against civilians perpetrated by Soviet soldiers including Rokossovsky's own troops A highly private man Rokossovsky disliked discussing his personal life With the help of family records and interviews including the original uncensored draft of the Marshal's memoirs the author reveals the numerous dualities in Rokossovsky's life Despite his imprisonment and beatings he endured Rokossovsky never wavered in his loyalty to Stalin yet also never betrayed his colleagues Though a Stalinist he was also a gentleman widely admired for his courtesy and chivalry A dedicated family man women were drawn to him and he took a campaign wife during the war Though born in 1894 in Poland Rokossovsky maintained that he was really born in Russia in 1896 This Polish Russian duality in Rokossovsky's identity hampered his career and became particularly acute during the

Warsaw uprising in 1944 and his later service as Poland's Defense Minister Thus the author ably portrays a fascinating man and commander who became a marshal of two countries yet who was not fully embraced by either **Widener Library Shelflist: General European and world history** Harvard University.
