Pocahontas Jr Novel:

Pocahontas Gina Lugoglia,1998-02-22 Based on true accounts of the settlement of the Virginia colony Pocahontas is the story of a courageous young Native American woman who understands the timeless value of living in harmony with nature and among peoples This junior novelization features a spellbinding story and color stills from the movie **300 Junior Novel Anticipation Guides** Nancy J. Polette,2006-05-30 The author has created reproducible anticipation guides to 300 popular junior novels ranging from classics like Ben and Me and Cricket in Times Square to the award winner Kira Kira The book consists of 300 reproducible sets of open ended values questions to pique the interest of readers Librarians and teachers will use these anticipation guides to spark interest in reading or as comprehension starters tapping into prior knowledge and starting the process of understanding The guides are also valuable for closure and comparative discussions with literature circles In contrast to the low level knowledge recall questions used by some electronic reading programs these questions are higher order thinking questions that will encourage critical and divergent thinking Grades 4 8

Teaching Economic Concepts with Picture Books and Junior Novels Nancy J. Polette,2013-08-29 Using quality literature to introduce younger students to economic terms and concepts is an engaging and effective teaching method This book demonstrates how At what age can children benefit from learning about economics The consensus among educators today is the earlier the better K 8 teachers and librarians will find this book invaluable for introducing basic economic concepts to students and giving them a solid foundation of understanding that can be built upon as they advance in grade level Author Nancy Polette prolific author and expert on using picture books for education explains how to use 20 picture books to present basic ideas such as credit wants and needs and supply and demand and to build understanding of more complex concepts with 20 junior novels The titles and suggested activities enable students to enjoy the literary experience and benefit from economic lessons that sink in because they are presented through stories involving characters with whom children can relate
