unbiased information they need to evaluate select and specify the best finish materials for any job. This powerful visual resource combines hundreds of illustrations from Architectural Graphic Standards with corresponding building material performance and specification information from AIA MASTERSPEC published by ARCOM. Use this book during the schematic and design development phases of a project and as an indispensable aid for product selection and specification. Essential for architects, interior designers and building designers, this vital reference provides information to make informed decisions about specific design goals such as affordability, environmental friendliness, durability, fire resistance and esthetic success. Features include: Unique source of independent in-depth building product performance information, the one source that gives you reliable building product information before you consult with manufacturers. Covers a full range of standard finish materials and includes selection criteria, details, typical product sizes and installation and maintenance data. Provides current standards based on research by government association and independent testing organizations as well as the input of experienced architects and specifiers. Architectural Graphic Standards has served the design community for decades as a virtual bible for architectural detailing. MASTERSPEC Evaluations have long comprised one of the best resources available for building product selection and specification. Consolidating the strong points of both into this new desktop reference is an act of sheer brilliance. Martin M. Bloomenthal, FAIA, CCS, CSI, Principal, The Hillier Group, Princeton, New Jersey. Pocket Guide to Sainthood Jason Boyett, 2009-08-03. Boyett's witty, weird and sometimes even wise Pocket Guides are proof that the best things do come in small packages. DANIEL RADOSH, AUTHOR, RAPTURE READY. We name our cities, hospitals and churches after them. We flock to shrines bearing their remains. We ask for their help when we lose our keys. Who are these saints, what made them so holy and what in the world are those birds doing on St. Francis's shoulder? Jason Boyett's Pocket Guide to Sainthood takes an intriguing and unflinching look at the fascinating and fascinatingly weird lives of the saints. Whether you are a Catholic desperately needing a patron or a Protestant trying to identify your cabbie's bobblehead, this may be as close as you ever come to true holiness. Make the most of it by learning how St. Denis delivered his best sermon while holding his own decapitated head. Why both hair shirts and nakedness are mainstays of saintly fashion. Which saints are the patrons of bowel disorders, serial killers and other useful categories. What is involved in the canonization process should you get so lucky or martyred. With Pocket Guide to Sainthood, virtue just got a whole lot more entertaining. THE POCKET GUIDE SERIES explains complex religious subjects with a lethal dose of educational hilarity, guided by the author's insatiable curiosity, humor and gentle irreverence. The Pocket Guide series includes Pocket Guide to the Bible, Pocket Guide to the Afterlife and this book.
