## **Pocket Impressionists:**

**Pocket Impressionists** Steve Dobell, 1998-11 Each of the principal members of the impressionist movement is represented in this pocket reference book The development of each painter is charted with colour illustrations that depict both famous and lesser known works by each artist **California Impressionists** Susan Landauer, Irvine Museum, Georgia Museum of Art, Atlanta Committee for the Olympic Games, 1996 The years around the turn of the century were a dynamic time in American art Different and seemingly contradictory movements were evolving and the dominant style that emerged during this period was Impressionism Based in part on the broken brushwork and high keyed palette of Claude Monet it was a form especially suited to the dramatic landscape and shimmering light of California This book celebrates forty Impressionist painters who worked in California from 1900 through the beginning of the Great Depression it includes widely recognized California artists such as Maurice Braun and Guy Rose less well known artists such as Mary DeNeale Morgan and Donna Schuster and eastern painters who worked briefly in the region such as Childe Hassam and William Merritt Chase The contributors essays examine the socioeconomic forces that shaped this art movement as well as the ways in which the art reflected California's self cultivated image as a healthful sun splashed arcadia **The Impressionist Murders** William Sargent, 2012-10 Two Arab men are found murdered near downtown Houston Texas and detectives Ross Clayton and Leona Stillwell are sent to investigate These aren't ordinary murders however the bodies are arranged to mirror a famous Impressionist painting and the exactitude of the killing gives Clayton cause to be concerned He suspects this killer isn't finished His suspicions turn out to be correct as more men end up dead and similarly arranged Every victim is of Arab descent and it's hard to deny the killer must have both some kind of racial vendetta and a love for Impressionist art Clayton and his partner have no choice but to seek out an expert Lund Corbel from the Houston Fine Arts Museum He sets them on the right path but their path gets crowded as the serial killer continues the spree Clayton has solved plenty of strange crimes before but he's beginning to feel out of his depth especially following the death of a fellow cop in pursuit of another investigation involving drugs prostitution and murder Soon two investigations collide and the end won't be as pretty as a painting **Katie Meets the Impressionists (Scholastic Bookshelf)** James Mayhew, 2017-04-25 Imagine if art could come to life That's what happens when Katie steps into some of the world's greatest Impressionist paintings And where Katie goes adventure is never far behind Katie discovers the true magic of Impressionist art in this addition to James Mayhew's Katie series Katie and her grandmother are visiting the art museum While admiring a painting of a beautiful garden Katie is certain she can smell the flowers Sure enough when she opens her eyes she is inside the painting Join Katie as an ordinary day at the museum turns into a special gift for her grandmother's birthday **From the Classicists to the Impressionists** Elizabeth Basye Gilmore Holt, Elizabeth Gilmore Holt, 1986-01-01 The nineteenth century historian and artist shared the same aim to present the unsystematic diversity of peoples cultures customs and myths in a process of evolutionary transformation that
