 Martin Griffiths, 2013-03-07 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company The
 Silent God and the Silenced Min-Ah Cho, 2025-02-01 A groundbreaking exploration of the transformative power of silence The
 Silent God and the Silenced Mysticism and Contemplation amid Suffering explores the theological and spiritual dimensions of
 silence challenging traditional speech silence dichotomies Cho investigates the silenced voices of the vulnerable
 interweaving Christian mysticism literature and art to reveal silence s subversive potential in unlearning dominant narratives
 The book advocates a theological approach that seriously considers silence and prioritizes attentive listening to promote
 genuine accountability By engaging with figures such as Evagrius Ponticus Hadewijch of Antwerp Michel de Certeau and
 Simone Weil alongside contemporary voices like Theresa Hak Kyung Cha and Arundhati Roy the book offers fresh
 perspectives on the transformative power of silence in today s turbulent world This interdisciplinary exploration will intrigue
 scholars and enthusiasts of theology literature and art Readers will discover how silence can serve as a counterpoint to the
 noise and violence of modern life providing avenues for resisting injustice and fostering contemplative transformative
 pathways to spiritual and intellectual growth No Angel in the Classroom Berenice M. Fisher, 2001 No Angel in the
 Classroom Teaching through Feminist Discourse presents a theoretically complex yet down to earth and personal account of
 feminist teaching in higher education Starting with a nuanced interpretation of consciousness raising longtime feminist
 educator Berenice Malka Fisher develops her philosophy of feminist teaching as a form of political discourse Through
 reflection on a series of candid classroom stories she analyzes knotty problems faced by academics and activists What counts
 as knowledge in discussion of feminist issues Can teachers exercise authority without being authoritarian What is the role of
 caring in political deliberation Should safety be considered when students and teachers address volatile topics How can
 feminist and other teachers committed to social justice give serious attention to the intersections of gender race and sexual
 orientation This groundbreaking book is intended for the beginning and veteran teachers and others concerned with the
 contribution of education to extending social justice Fisher s work offers a pedagogical vision that inspires both passion and
 critical thinking Sociological Visions Kai Erikson, 1997 All of the essays are by authors whose sociological vision has had a
 profound impact on our culture Who's Afraid of Children? Helen Brocklehurst, 2017-03-02 Brocklehurst s impressive work
 breaks new ground in normative international political theory It develops a new theoretical framework which exposes how
 children are present in international relations and security practices using an empirical and comparative assessment of the
 role of children and youth in a range of conflicts including Nazi Germany Mozambique South Africa Northern Ireland the
 Cold War and the British Empire The author argues powerfully that concepts of children are partial and contained through
 their construction as non political Global in scope this book is a timely and important contribution given the growing visibility
 of children in international relations evident after September 11 The political and ethical question at the heart of this book is

will international relations dare to catch up *Christianity and Family Law* John Witte, Jr, Gary S. Hauk, 2017-10-12 The Western tradition has always cherished the family as an essential foundation of a just and orderly society and thus accorded it special legal and religious protection Christianity embraced this teaching from the start and many of the basics of Western family law were shaped by the Christian theologies of nature sacrament and covenant This volume introduces readers to the enduring and evolving Christian norms and teachings on betrothals and weddings marriage and divorce women s and children s rights marital property and inheritance and human sexuality and intimate relationships The chapters are authoritatively written but accessible to college and graduate students and scholars as well as clergy and laity While alert to the hot button issues of sexual liberty today the contributing authors let the historical figures speak for themselves about what Christianity has and can contribute to the protection and guidance of our most intimate association
