Powys Brothers A Biographical Appreciation:

The Powys Brothers Kenneth Hopkins,1967 **In the Spirit of Powys** Denis Lane,1990 This work is a collection of essays on the work of John Cowper Powys the English novelist and Nobel nominee The critical intention of these essays is to provide a picture of Powys's achievement The Powys Brothers Kenneth Hopkins,1967 *T.F. Powys: A Modern Allegorist* Marius Buning,2022-07-04 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries Twentieth Century Fiction George Woodcock,1983-04-01 Hardy's Influence on the Modern Novel Peter J Casagrande,1987-05-27

Anarchist Seeds beneath the Snow David Goodway,2011-12-12 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history In *Anarchist Seeds beneath the Snow* David Goodway seeks to recover and revitalize that indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq this challenging volume will energize leftist movements throughout the world *The Powys Family* Kenneth Carter,1972 *Powys Checklist & Readers' Guide* Alan Howe,1996
