Moses Knows The Ten Commandments:

The Selfish America Gregory Ransaw, 2016-07-28 America today is a shadow of what it once was Over the past forty years people have turned away from God and instead accepted the flawed view that morality is subjective and personal As a country we have discarded the idea that there is an absolute right and an absolute wrong This is spread through our universities where students learn only the scientific perspective without completing their education in religion and morality This has created untold social problems from the 2008 market crash to the widespread abuse of drugs and alcohol The Selfish America looks closely at the transcendent reality of absolute morality and how it can be used to reestablish the word of God in our country With these steps we can save America and reestablish our moral foundations This can only be done through acknowledging that there is a transcendent physical reality a transcendent intellectual reality and a transcendent moral reality in God 10 Minutes to Knowing the Men and Women of the Bible Jim George, 2011-01-01 The benefits we

gain from God's Word multiply significantly as we see how the Lord worked in the lives of His people Their examples help guide us in very practical ways enabling us to live the Christian life more effectively and successfully The 50 biographical sketches in this book both instruct and encourage readers by looking at the key facts about each Bible character's life major events and crises and how God worked through them special qualities worth emulating life lessons for everyday living and spiritual growth As readers discover the ways God has worked through His people in the past they'll become much better equipped for what God wants to do through them today This is an outstanding resource for small group leaders Bible study teachers and personal time in God's Word **Now You Know — Heroes, Villains, and Visionaries** Doug

Lennox, 2013-11-20 Presenting four books in the popular and exhaustive trivia series In these Doug Lennox's brain teasers focus on famous figures both real and mythological dealing with kings and queens villains Canada's heroes and dastardly pirates Questions answered include What is the difference between a pirate and a privateer What royal family in the world today has ruled the longest How did Tom Longboat astound the world in 1907 What caused Moses to break the tablets of the Ten Commandments and hundreds more Includes Now You Know Pirates Now You Know Royalty Now You Know Canada's Heroes Now You Know the Bible **Beating Around the Bush** Art Buchwald, 2011-01-04 Pulitzer Prize winning

Washington Post columnist Art Buchwald returns undaunted to examine the ridiculous people and preposterous events that we call our daily reality Collected from his columns with a foreword by Garry Trudeau Buchwald's satirical voice darts at politicians power corporations and the media without pause A self-described troublemaker Buchwald continues to represent the great American traits of skepticism humor and a refusal to compromise in the face of absurdity **50 Things You're**

Not Supposed to Know: Religion Daniele Bolelli, 2011-12-20 This compendium of obscure facts about the world's religions highlights the political cultural and philosophical aspects of the history of religion If you're waiting for the world's Holy Men to tell you the truth about their religions do you suppose they'll mention that The Tao Te Ching was only created because Lao

Tzu was thrown in jail by a disciple who didn't want to let him leave town without writing down his teachings. Passover celebrates God killing all firstborn Egyptian kids while Jewish homes were passed over by the angel of death. Shinto a nature-loving mellow religion was transformed by the Japanese government into a nationalistic ideology promoting holy war. Adding to its popular 50 Things You're Not Supposed To Know series, Disinformation has teamed with Daniele Bolelli, writer, professor of comparative religion and renowned martial arts practitioner and philosopher to tackle an ever more serious and important topic: popular misconceptions about religion. Among other revelations, Carpocrates, an early Christian, argued that sex orgies were a key to heaven. Prostitution was a religious duty in Mesopotamian temples. The two major Chinese religions, Taoism and Confucianism, are completely at odds with each other and yet are often practiced together. Despite having persecuted Jews for two thousand years, Christian fundamentalists are Israel's biggest supporters. Capturing just the right balance of in-depth knowledge, respect, humor, and irreverence, Bolelli takes an ecumenical approach to the task, revealing surprising, shocking, and little-known facts about the big three religions but also many more, including Zen Buddhism, Hinduism, Zoroastrianism, and of course the increasingly popular nonreligion, atheism.

Profanity, What You Don't Know Shows Eloise Coker Hunter, 2009-12. Faith Comes By Hearing The WORD. GOD challenges you to use the mind. He gave you Denying His existence without researching His Word is dishonest, immature, and deadly. This concise distillation of GOD's most important messages to mankind is His outreach in these last few days before JESUS' return. Rom 10:16. Esaias saith, LORD, who hath believed our report? 17 So then faith cometh by hearing, and hearing by the Word of GOD. 18 But I say, Have they not heard? Yes, verily, their sound went into all the earth, and their words unto the ends of the world. The whole world knows the name JESUS. The WORD of The Holy Bible. Ps 14:1. The fool has said in his heart, There is no GOD. They are corrupt, they have done abominable works, there is none that doeth good. 3 They are all gone aside, they are altogether become filthy. There is none that doeth good, no, not one. 4 Have all the workers of iniquity no knowledge? GOD does not mince words describing people who have ignored the proofs He has provided for any reasonable person to understand. Hosea 4:1. Because there is no truth, nor mercy, nor knowledge of GOD in the land. 2 By swearing and lying, and killing and stealing, and committing adultery, they break out, and blood toucheth blood. 4 Therefore shall the land mourn, and everyone that dwelleth therein shall languish. 6 My people are destroyed for lack of knowledge. Because thou hast rejected knowledge, I will also reject thee; I will also forget thy children. People audaciously judge GOD as a failure by the state of the world. They never look into The Holy Bible to see that man is the cause. GOD is pursuing all agnostics, atheists, evolutionists, and humanists. Start reading His WORD to understand how He thinks and accept JESUS as the door to eternity.
