Letting Go Demie Kurz,2024-10-15 In *Letting Go* Demie Kurz offers a deeper understanding of the demanding work of parenting teens and sheds new light on what it takes to produce a successful child Based on numerous interviews with a diverse group of mothers this book offers a nuanced candid portrait of the deeply emotional dynamics involved in raising adolescents and young adults and the ways social policy can play a key role in helping young people succeed Interlinear Hebrew-Greek-English Bible, New Testament, Volume 4 of 4 Volume Set, Case Laminate Edition Jay Patrick Green,2009-07 This complete interlinear Bible available in English is keyed to Strong's Exhaustive Concordance Featuring the complete Hebrew and Greek texts with a direct English rendering below each word it also includes the literal translation of the Bible in the outside column Investigation of Bureau of Internal Revenue United States. Congress. Senate. Select Committee on Investigation of the Bureau of Internal Revenue,1924 *Play Therapy in Asia* Angela F Y Siu,2018-01-15 This edited volume seeks to highlight the development of play therapy in various countries and cities in Asia The editors discuss how mostly Western play therapy approaches are adapted for use in Asian countries Contributors to the volume who are experts in using play therapy to work with clients from their own cultures offer unique discussions using a case study approach to integrate the theory and practice of play therapy across different Asian countries Having existed for years in the West play therapy is still in its early stage of development in most Asian countries including Mainland China Japan South Korea Malaysia Singapore and Indonesia This is the first play therapy book written by experts from specific Asian cultures for practitioners and students who are working in the mental health field for Asian groups Each chapter first describes play therapy development in that particular culture and then uses a case study to illustrate how play therapy can be adapted to suit specific cultural beliefs and environments in order to connect parents with their children or to address clients needs

Helicopter Parenting and Boomerang Children Anne West,Jane Lewis,2017-10-12 Drawing an unfavourable contrast between the position of students and graduates with that of their baby boomer parents has become a staple for media comment Indeed student indebtedness and difficulties in finding graduate jobs and housing typically contrasts markedly with their parents experiences Broadening the investigation *Helicopter Parenting and Boomerang Children* depicts how students and graduates are now likely to be close to their parents receive considerable financial and emotional support from them and upon graduation return home Using qualitative data from two interview studies of middle class families this title explores the impact of these changes on young people's transition to independence and adulthood and on intergenerational and intragenerational equality This enlightening monograph will appeal to undergraduate and postgraduate students interested

in fields such as Social Policy Family Sociology and Education **The Women of the Talmud** Judith Z. Abrams,1995 In this unique volume Judith Abrams author of the highly regarded series The Talmud for Beginners examines the episodes recorded in rabbinic literature that suggest the actions of the women of those times By overlooking what the sages thought about women or what they believed women ought to do in theory and by focusing upon the situational and behavioral patterns of these women Abrams has constructed a credible and feasible account of what women belonging to the rabbinic era were actually like and the manner in which they conducted themselves on a daily basis Upon looking at the materials presented the reader will find that women were every bit as varied a group then as women are today some were pious and respectful of the sages and some disregarded them some were poor and others rich some longed to be married while others yearned for divorce Perhaps the greatest surprise to the reader will be discovering the large amount of power and control women had over their own lives Far from passive these women were not the powerless figures the reader may have thought them to be
