Holistic Mental Health- Revised Dave Disano, 2009-07 *Holistic Mental Health Revised* is a concise guide that compares traditional western medicine or allopathic medicine to alternative or holistic treatments for mental disorders. A new section on Spiritual Healing attempts to begin to explain the unexplainable. HMH R will add clarity to the often confusing and misleading information the media and physicians promote when discussing alternative therapies such as herbs, nutritional interventions, and supplements. HMH R answers the questions of which treatment is more harmful and which is more beneficial, traditional or alternative. It gives specific recommendations using treatments other than prescription medications and backs the suggestions with current research. HMH R is the most thorough guide to date comparing all the available treatment options for mental disorders and illness. Anyone affected by or has a family member with Alzheimer's, anxiety, stress, depression, ADHD, chronic headaches, or migraines, bipolar disorder, or schizophrenia needs to read *Holistic Mental Health Revised*. **ADHD/ADD Natural remedy Report**, *Natural Relief for Adult ADHD* Stephanie Moulton Sarkis, 2015-07-01
