Natures God:

Nature's God and His Memorial: a series of four sermons on the subject of the Sabbath Nathan Wardner, 1867

Nature's Testimony to Nature's God Wm. Newton, 2023-07-14 Reprint of the original first published in 1873 **God and Nature** Curtis L. Thompson, Joyce M. Cuff, 2012-03-29 The current religion and science dialogue begs for greater clarity on the relation of God to nature In God and Nature two scholars who embrace contemporary insights from science and religion explore the complexities of this debate As the narrative unfolds classical and contemporary thinkers are engaged as discussion partners in articulating a philosophical theology of nature Conceptual pairs in which two concepts play off of each other provide the structure for each of the seven chapters with usually the first concept being more scientific in character and the second more religious in tone These pairs of concepts from chronology and creation to creativity and creator help to thematize and structure the progressing narrative Within each chapter the two concepts are first investigated independently then interdependently and finally in relation to the divine At the story's completion nature has emerged as alive with possibility that is as alluring as the actuality it evokes Envisioned is a divine Creator who works in and through the possibility of creation to lure it into fuller manifestations via creative transformation *Nature, God and Humanity* Richard L. Fern, 2002-04-04 Nature God and Humanity clarifies the task of forming an ethics of nature thereby empowering readers to develop their own critical faith based ethics Calling on original thought provoking analyses and arguments Richard L Fern frames a philosophical ethics of nature assesses it scientifically finds support for it in traditional biblical theism and situates it culturally Though defending the moral value of beliefs affirming the radical Otherness of God and human uniqueness this book aims not to compel the adoption of any particular ethic but rather illumine the contribution diverse forms of inquiry make to an ethics of nature How does philosophy clarify moral conviction What does science tell us about nature Why does religious faith matter Rejecting the illusion of a single rationally compelling ethics Fern answers these questions in a way that fosters both agreement and disagreement allowing those holding conflicting ethics of nature to work together for the common good **Sermons of the Rev. C. H. Spurgeon...** Charles Haddon Spurgeon, 1857 **Tao, Nature and Man** Yuelin Jin, 2020-01-02 This book presents the research achievements of Jin Yuelin the first logician and a prominent philosopher in China who founded a new philosophical system combining elements from Western and Chinese philosophical traditions especially the concept of Tao It consists of three sections the first section interprets Jin's studies on Chinese philosophy Russell's ideology and other general discussions in the field section 2 includes Jin's studies on logic which made him the founding father of modern logic in China and section 3 presents Jin's ideas on politics including his studies on Thomas Hill Green **Natural Law** Alessandro Passerin d'Entrèves, **Was America Founded as a Christian Nation?** John Fea, 2011-01-01 Presents a historical overview of the relationship between the United States and Christianity and an analysis of the beliefs of such figures as Thomas Jefferson Benjamin Franklin and George Washington *Jefferson's*

Declaration of Independence Allen Jayne, 2021-09-15 Allen Jayne analyzes the ideology of the Declaration of Independence and its implications by going back to the sources of Jefferson's ideas Bolingbroke Kames Reid and Locke He concludes that the Declaration must be read as an attack on two claims of absolute authority that of government over its subjects and of religion over the minds of men Today's world is more secular than Jefferson's and the importance of philosophical theology in eighteenth century critical thought must be recognized in order to understand fully and completely the Declaration's implications Jayne addresses this need by putting religion back into the discussion
