Roger Chickering, Stig Forster

Nazi Party In Dissolution Hitler And The Verbotzeit 1923 25:

The Nazi Party in Dissolution David Jablonsky,2013-10-18 This book examines the effect the Verbotzeit had on the leadership structure and on the consequent position of the party within the v lksch movement Looking primarily at Bavaria and North Germany it examines the failed attempts that were made to prevent Hitler from filling the leadership void within both the NSDAP the National Socialist German Workers Party and the v lksch movement The Nazi Party in Dissolution

David Jablonsky,2013-10-18 This book examines the effect the Verbotzeit had on the leadership structure and on the consequent position of the party within the v lksch movement Looking primarily at Bavaria and North Germany it examines the failed attempts that were made to prevent Hitler from filling the leadership void within both the NSDAP the National Socialist German Workers Party and the v lksch movement **Hitler, 1889-1936** Ian Kershaw,1999 Traces Hitler s rise from a shelter for needy children in Austria to dictatorship over Germany and the beginning of his persecution of the Jews

Frege and Fascism Stephen D'Arcy,2024-12-12 This book is the first to examine in minutiae the politics of Gottlob Frege 1848 1925 and his connections with various traditions of far right and fascist thought Frege was a philosopher of logic language and mathematics But he also believed that one could reconcile the politics of the far right with a firm commitment to reason guided inquiry and scientific objectivity The fundamental claim of the text is that Gottlob Frege was from the early 1890s to the mid 1920s an anti democratic nationalist political thinker and that his political thought eventually took on a fascist character This book makes no attempt to vilify or demonize Gottlob Frege nor does it try to rescue him from criticism It simply seeks to tell the truth about Frege s descent into fascism to document it in hitherto unprecedented detail to situate it in the context of intellectual and political debates in early Weimar era Germany and to explain how it could have happened that someone so intelligent and so manifestly devoted to reason and logic could have embraced fascism with such unreserved enthusiasm Frege and Fascism will be of interest to scholars of analytic philosophy intellectual history fascism and anti democratic thought **Hitler versus Hindenburg** Larry Eugene Jones,2016-01-05 Hitler versus Hindenburg provides the first in depth study of the titanic struggle between the two most dominant figures on the German Right in the last year before the establishment of the Third Reich Although Hindenburg was reelected as Reich president by a comfortable margin his authority was severely weakened by the fact that the vast majority of those who had supported his candidacy seven years earlier had switched their support to Hitler in 1932 What the two candidates shared in common however was that they both relied upon charisma to legitimate their claim to the leadership of the German nation The increasing reliance upon charisma in the 1932 presidential elections greatly accelerated the delegitimation of the Weimar Republic and set the stage for Hitler s appointment as chancellor nine months later

Hindenburg, Ludendorff and Hitler Alexander Clifford,2021-12-16 They are two of twentieth century history s most significant figures yet today they are largely forgotten Paul von Hindenburg and Erich Ludendorff Germany s First World War leaders Although defeat in 1918 brought an end to their silent dictatorship both

generals played a key role in the turbulent politics of the Weimar Republic and the rise of the Nazis Alexander Clifford in this perceptive reassessment of their political careers questions the popular image of these generals in the English speaking world as honourable Good Germans For they were intensely political men whose ideas and actions shaped the new Germany and ultimately led to Hitler s dictatorship Their poisonous wartime legacy was the infamous stab in the back myth According to the generals the true cause of the disastrous defeat in the First World War was the betrayal of the army by politicians leftists and Jews on the home front This toxic conspiracy theory polluted Weimar politics and has been labelled the beginning of the twisted road to Auschwitz Hindenburg and Ludendorff s political fortunes after the war were markedly different Ludendorff inhabited the far right fringes and engaged in plots assassinations and conspiracies playing a leading role in failed uprisings such as Hitler s 1923 Beer Hall Putsch Meanwhile Hindenburg was a vastly more successful politician winning two presidential elections and serving as head of state for nine years Arguably he bore even more responsibility for the destruction of democracy for he and the nationalist right he led sought through Hitler to remould the Weimar system towards authoritarianism

Hitler's Priests Kevin Spicer,2008-04-14 Shaken by military defeat and economic depression after War World I Germans sought to restore their nation s dignity and power In this context the National Socialist Party with its promise of a revived Germany drew supporters Among the most zealous were a number of Catholic clergymen known as brown priests who volunteered as Nazi propagandists In this insightful study Spicer unearths a dark subchapter in Roman Catholic history introduces the principal clergymen who participated in the Nazi movement examines their motives details their advocacy of National Socialism and explores the consequences of their political activism Some brown priests particularly war veterans advocated National Socialism because it appealed to their patriotic ardor Others had less laudatory motives disaffection with clerical life conflicts with Church superiors or ambition for personal power and fame Whatever their individual motives they employed their skills as orators writers and teachers to proclaim the message of Nazism Especially during the early 1930s when the Church forbade membership in the party these clergymen strove to prove that Catholicism was compatible with National Socialism thereby justifying their support of Nazi ideology Father Dr Philipp Haeuser a scholar and pastor went so far as to promote antisemitism while deifying Adolf Hitler The F hrer s antisemitism Spicer argues did not deter clergymen such as Haeuser because although the Church officially rejected the Nazis extreme racism Catholic teachings tolerated hostility toward Jews by blaming them for Christ s crucifixion While a handful of brown priests enjoyed the forbearance of their bishops others endured reprimand or even dismissal a few found new vocations with the Third Reich After the fall of the Reich the most visible brown priests faced trial for their part in the crimes of National Socialism a movement they had once so earnestly supported In addition to this intriguing history about clergymen trying to reconcile faith and politics Spicer provides a master list verified by extensive research in Church and government archives of Catholic clergy who publicly supported National Socialism

The Shadows of Total War Roger Chickering,Stig Forster,2003-01-16

The period between the two world wars of the twentieth century was one of the most challenging in the history of war. In anticipation of another conflict, military planners and civilian thinkers struggled after 1918 with the painful implications of World War I. Given its scope, the wholesale mobilisation of civilian populations and the targets of civilians via blockades and strategic bombing, many observers regarded this titanic conflict as a total war. They also concluded that any future conflict would bear the same hallmarks and they planned accordingly. The essays in this collection, the fourth in a series on the problem of total war, examine the inter-war period. They explore the consequences of World War I, the intellectual efforts to analyse this conflict's military significance, the attempts to plan for another general war, and several episodes in the 1930s that portended the war that erupted in 1939.

Alan S. Milward and Contemporary European History Fernando Guirao, Frances M.B. Lynch, 2015-10-14

Alan S. Milward was a renowned historian of contemporary Europe. In addition to his books as well as articles and chapters in edited books, he also wrote nearly 250 book reviews and review articles, some in French and German, which were published in journals world-wide. Taken together, they reveal a remarkable degree of theoretical consistency in his approach to understanding the history of Europe since the French Revolution. This book brings together these previously unexamined pieces of historical analysis in order to trace and shed light on key intellectual debates taking place in the second half of the 20th century. Many of these discussions continue to influence us today, such as the role of Germany in Europe, the economic, social, and political foundations of European integration, the European rescue of the nation-state, the reasons for launching the single currency, the conditions for retaining the allegiance of European citizens to the notions of nation and supra-nation, and ultimately the issue of democratic governance in a global environment. In bringing together these reviews and review articles, the book provides an introduction to the main scholarly achievements of Milward in his own words. Fernando Guirao and Frances M.B. Lynch provide an introduction to the volume, which both guides the reader through many of the academic debates embedded within the text while underlining their contemporary relevance. By introducing and bringing together this hitherto overlooked treasure trove of historical analysis, this book maps a close itinerary of some of the most salient intellectual debates of the second half of the 20th century and beyond. This unique volume will be of great interest to scholars of economic history, European history, and historiography.

Alan S. Milward and a Century of European Change Fernando Guirao, Frances Lynch, Sigfrido M. Ramirez Perez, 2012-08-21

The main purpose of the book is to introduce the work of Alan S. Milward and to acknowledge the full magnitude of his scientific contribution to contemporary British and European history. The book is a collection of essays which provide a better understanding of Alan Milward's extensive intellectual work for future scholars and facilitate the knowledge and transmission of his published work to present and future generations of students, scholars in the various disciplines concerned, and the general public. The series of original contributions which this book contains are related to or reflect critically upon Milward's own contributions to the fields of political, diplomatic, and socio-economic history, political science,

economics international relations and European Studies in general This book honors Alan Milward through a better understanding of his many pioneering contributions in the fields of contemporary European history in general and the history of European integration in particular Although the volume does not aim to be a substitute for Milward s work itself it illuminates and assesses his creative process along fifty years of continued and intense work as well as the impact of his main work and the continuing relevance of his main theses today

This is likewise one of the factors by obtaining the soft documents of this **Nazi Party In Dissolution Hitler And The Verbotzeit 1923 25** by online. You might not require more times to spend to go to the ebook opening as competently as search for them. In some cases, you likewise get not discover the pronouncement Nazi Party In Dissolution Hitler And The Verbotzeit 1923 25 that you are looking for. It will definitely squander the time.

However below, like you visit this web page, it will be for that reason definitely easy to acquire as without difficulty as download lead Nazi Party In Dissolution Hitler And The Verbotzeit 1923 25

It will not acknowledge many become old as we notify before. You can get it though perform something else at house and even in your workplace. in view of that easy! So, are you question?
