Nba Hot Shots:

NBA Hot Shots Joe Layden,1999 Briefly describes some of the NBA s best players Hot Shots Robert M. Lantis,Erik T. Nesson,2019 We investigate the hot hand hypothesis using detailed data on free throws and field goal attempts for the entire 2013 2014 and 2014 2015 NBA regular seasons Free throws represent a more controlled setting allowing a closer examination of the potential physiological mechanisms behind success in repeated motions while field goal attempts represent the setting most observers have in mind when commenting on a player s repeated shooting success We examine these two settings together within the same players in the same games permitting a more comprehensive analysis of the hot hand We find a small hot hand effect for free throws concentrated in second and third shots in a free throw sequence in players shooting at least 100 free throws in a season and in games where players shoot four to five free throws We find the opposite results for field goal attempts If a player makes a field goal he is less likely to make his next field goal attempt These results are robust to controlling for the characteristics of the previous shot Interestingly both offenses and defenses respond to made field goals as if the hot hand effect exists *Hot Shots of Pro Basketball* Louis Sabin,1974 Profiles of nine professional basketball superstars with exceptional scoring records *Hot Shots* Sam Goldaper,1975 *Hot Shot* Matt Christopher,2010-02-01 The exciting sequel to Slam Dunk Julian Pryce was once the star center of the Tornados But when he joins a new team after his family moves he suddenly finds himself the star benchwarmer It turns out the Warriors already have a starting center Paul Boyd who has no intention of sharing the court with Julian The coach is no help either for one simple reason Paul is his son Now Julian may have to take drastic measures if he s going to get back into the game but is he to blame when Paul winds up in the hospital *Breaking Up America* Joseph Turow,2007-12-01 Combining shrewd analysis of contemporary practices with a historical perspective *Breaking Up America* traces the momentous shift that began in the mid 1970s when advertisers rejected mass marketing in favor of more aggressive target marketing Turow shows how advertisers exploit differences between consumers based on income age gender race marital status ethnicity and lifestyles An important book for anyone wanting insight into the advertising and media worlds of today In plain English Joe Turow explains not only why our television set is on but what we are watching The frightening part is that we are being watched as we do it Larry King Provocative sweeping and well made Turow draws an efficient portrait of a marketing complex determined to replace the society making media that had dominated for most of this century with segment making media that could zero in on the demographic and psychodemographic corners of our 260 million person consumer marketplace Randall Rothenberg Atlantic Monthly Hot Shots of Pro Basketball Louis Sabin,1974 Profiles of nine professional basketball superstars with exceptional scoring records **Sports Card Collecting & Investing For Dummies** Geoff Wilson,Ben Burrows,Tyler Nethercott,2024-04-09 Become a part of the growing sports card trading community Sports Card Collecting Investing For Dummies will teach you how to start or resume collecting how to trade sell grade and protect your cards This is a
