

DO NOT BEND

NE PAS PLIER

Ne Pas Plier

Marie-Noklle Lamy

Ne Pas Plier:

, *Collectivism After Modernism* Blake Stimson, Gregory Sholette, Don't start an art collective until you read this book Guerrilla Girls Ever since Web 2.0 with its wikis, blogs and social networks the art of collaboration is back on the agenda. *Collectivism after Modernism* convincingly proves that art collectives did not stop after the proclaimed death of the historical avant-garde. Like never before, technology reinvents the social and artists claim the steering wheel. Geert Lovink, Institute of Network Cultures, Amsterdam. This examination of the succession of post-war avant-garde and collectives is new, important and engaged. Stephen F. Eisenman, author of *The Abu Ghraib Effect*. *Collectivism after Modernism* crucially helps us understand what artists and others can do in mushy, stinky times like ours. What can the seemingly powerless do in the face of mighty forces that seem to have their act really together? Here Stimson and Sholette put forth many good answers. Yes, Men. Spanning the globe from Europe, Japan and the United States to Africa, Cuba and Mexico, *Collectivism after Modernism* explores the ways in which collectives function within cultural norms, social conventions and corporate or state-sanctioned art. Together, these essays demonstrate that collectivism survives as an influential artistic practice despite the art world's star system of individuality. *Collectivism after Modernism* provides the historical understanding necessary for thinking through postmodern collective practice now and into the future. Contributors: Irina Aristarkhova, Jesse Drew Okwui Enwezor, Ruben Gallo, Chris Gilbert, Brian Holmes, Alan Moore, Jelena Stojanović, Reiko Tomii, Rachel Weiss. Blake Stimson is associate professor of art history at the University of California, Davis, the author of *The Pivot of the World: Photography and Its Nation* and coeditor of *Visual Worlds and Conceptual Art: A Critical Anthology*. Gregory Sholette is an artist, writer and cofounder of collectives *Political Art Documentation Distribution* and *REPOhistory*. He is coeditor of *The Interventionists' Users Manual for the Creative Disruption of Everyday Life*. To understand the various forms of postwar collectivism as historically determined phenomena and to articulate the possibilities for contemporary collectivist art production is the aim of *Collectivism after Modernism*. The essays assembled in this anthology argue that to make truly collective art means to reconsider the relation between art and public examples from the Situationist International and Group Material to Paper Tiger Television and the Congolese collective *Le Groupe Amos* make the point. To construct an art of shared experience means to go beyond projecting what Blake Stimson and Gregory Sholette call the imagined community; a collective has to be more than an ideal and more than communal craft; it has to be a truly social enterprise. Not only does it use unconventional forms and media to communicate the issues and experiences usually excluded from artistic representation but it gives voice to a multiplicity of perspectives. At its best, it relies on the participation of the audience to actively contribute to the work, carrying forth the dialogue it inspires. **BOMB** Library of Congress Subject Headings Library of Congress, 2004 Library of Congress Subject Headings Library of Congress. Cataloging Policy and Support Office, 2009 The Cambridge French-English Thesaurus Marie-Nokle Lamy, 1997-12-11 This is the first ever bilingual thesaurus of its kind. The book is aimed at all

English speaking learners and users of French at an intermediate to advanced level and is structured in a uniquely helpful way The book is arranged thematically rather than alphabetically with fifteen part titles subdivided into a total of 142 subheadings which are further subdivided into topic categories In each category learners will find synonyms and related French words and phrases of use for writing or speaking about the topic as well as sayings metaphors proverbs famous quotations or usage notes connected with the topic Every word phrase and example has an English translation Illustrations provide additional help and there is a special section on conversational gambits Two alphabetical indexes of more than 8 000 words each one listing English vocabulary and the other French help readers find what they re looking for easily

Lectures on the Art of Writing ... Interspersed with a great number of plates and examples ... Second edition
