## **On The Street Where I Lived:**

On the Street Where You Live Danda Humphreys, 1999 Today the streets of Victoria are busy thoroughfares Yesterday they were simple trails used by the Hudson's Bay Company men and the First Nations people who traded with them and helped build their fort Then came the gold miners followed by the bankers and businessmen sailors and saloon keepers poets postmasters architects and astronomers They're remembered in Victoria's city's streets and every street name tells a story Courtney Street is a misspelled memorial to Captain George W Courtenay whose Constance was one of the first of Her Majesty's vessels to sail into Esquimalt Harbour in the 1840s Fan Tan Alley provides a tantalizing glimpse into 1800s Chinatown where Fan Tan gambling dens existed alongside brothels and opium factories that fuelled the gamblers' fortunes Rattenbury Place is named for the ill-fated architect who designed the Empress Hotel and the Parliament Buildings Danda's knack for colourful no-nonsense writing makes history come alive You'll sympathize with the characters she writes about enjoy them and through their eyes experience 19th-century Victoria in a way you've never experienced it before

*On the Street Where You Live* Mary Higgins Clark, 2001-04-17 In the gripping novel from the Queen of Suspense a woman is haunted by two grisly murders separated by more than a century yet somehow inextricably linked Following a nasty divorce and the trauma of being stalked criminal defense attorney Emily Graham leaves Albany to work in Manhattan Craving roots she buys her ancestral home a Victorian house in the seaside resort town of Spring Lake New Jersey Her family sold the house in 1892 after one of Emily's forebears Madeline Shapley then a young girl disappeared As the house is renovated and a pool dug a skeleton is found and identified as Martha Lawrence a young Spring Lake woman who vanished several years ago Within her hand is the finger bone of another woman with a ring a Shapley family heirloom still on it Determined to find the connection between the two murders Emily becomes a threat to a seductive killer who chooses her as the next victim

**On the Street where You Live: Victoria's early roads and railways** Danda Humphreys, 2000 In the mid 1800s Victoria grew from a fur trading post into a provincial capital the jewel in British Columbia's golden crown Meanwhile many of the early residents happy to leave the Hudson's Bay Company behind followed simple trails from the fort or discovered new routes of their own In her first book Danda Humphreys introduced readers to some of the people who forged those pioneer pathways Now she takes us another step back in time to the roads and railways that connected the original city's core to today's suburbs From Saanich to Sooke street names tell stories of intrigue and adventure Rowland Avenue named for the farm labourer with a sinister sideline hangman for the HBC Joan Crescent where coal baron Robert Dunsmuir's widow once resided in solitary splendour in a castle called Craigdarroch Sidney Avenue close to where the Brethour brothers donated land for the northern terminus of the Cordwood Express first train to link the city with the Saanich Peninsula and the islands in the Strait of Georgia In this second book in her *On the Street Where You Live* trilogy Danda once again combines her passion for the past with a penchant for lively prose to bring you stories about Victoria's pioneers You know the streets now meet the people their

lives their loves and the legends they left behind      **The Street Where You Live** Donald Empson, 2006 More than one thousand entries and more than one hundred photographs present an entertaining history of the often quirky origins of St Paul place names from A Street to Zimmermann Place and including parks lakes streams roads cemeteries bridges neighborhoods and many other landmarks Original      **Living on the Street** United States. Congress. Senate. Committee on the Judiciary, 2008      *Living on the Street* Colin Hynson, 2006 Discusses the many reasons why children take to the streets in South American cities and what kind of help is offered to them particularly looking at one eighteen year old s life on the streets of a city in Brazil      **Living on Paper Street** Peter Thomas James, 2004-12-01 Living on Paper Street is a curiously prophetic and brilliant work by North Bergen New Jersey rap artist Peter James This book neatly encapsulates not only the hip hop culture but also thoughtfully portrays the hopes fears and frustrations of a young man Efforts were made to keep Peter s words as original and intact and they were in his notebooks A work of love and dedication which shines through every page this is simply a must have for any lover of poetry or rap      *Bordered Lives* Hsiao-Hung Pai, 2018-04-17 The headlines about Europe s migration crisis have now subsided though they continue to influence the political agenda all over the continent Though there are moments when the human reality cuts through as with the shocking picture of Alan Kurdi s body on the beach for the most part the individual stories are lost amid the hysteria over cutting migrant numbers and shutting the doors of Fortress Europe Award winning journalist Hsiao Hung Pai specializes in communicating poignant human stories that many people find it convenient to keep out of sight and out of mind She travels to meet migrants and asylum seekers who have just been washed up on the shores of Lampedusa or Sicily and have been absorbed into dismal reception camps While journalists ordinarily pitch up in such places and file their colour pieces before moving on to the next hot topic Hsiao Hung follows through staying in touch with some of those she encounters many of them children throughout their journeys into mainland Italy to Germany where they face harassment from far right groups and to the appalling conditions in the camps on the coast of northwest France      *Street Kids* Kristina E. Gibson, 2011-05-09 Street outreach workers comb public places such as parks vacant lots and abandoned waterfronts to search for young people who are living out in public spaces if not always in the public eye Street Kids opens a window to the largely hidden world of street youth drawing on their detailed and compelling narratives to give new insight into the experiences of youth homelessness and youth outreach Kristina Gibson argues that the enforcement of quality of life ordinances in New York City has spurred hyper mobility amongst the city s street youth population and has serious implications for social work with homeless youth Youth in motion have become socially invisible and marginalized from public spaces where social workers traditionally contact them jeopardizing their access to the already limited opportunities to escape street life The culmination of a multi year ethnographic investigation into the lives of street outreach workers and their kids on the streets of New York City Street Kids illustrates the critical role that public space regulations and policing play in shaping the experience of youth homelessness and the effectiveness of

street outreach      **Five Years Living in Elahiyeh, Fereshteh Street** Dr Dariush Pourkian, 2024-03-01 One day amidst my growing complaints to my mother about my father's lifestyle he found it necessary to have a heart to heart with me While planting a tree in our garden he shared a profound insight In society there are only two kinds of people lambs and wolves Lambs are perpetually preyed upon and killed whereas wolves hunt and advance He then posed a stark question Do you wish to be a lamb or a wolf Initially bewildered by his abrupt query I pondered before responding Perhaps something in between His reply was swift and certain There is no middle ground only these two Show mercy and you'll be devoured in this world This conversation was a turning point in understanding my father's complex character his occasional harshness and rudeness juxtaposed with moments of thoughtfulness He maintained his gentle treatment of others revealing a nuanced perspective of the constant struggle and conflict in human interactions This book is my endeavour to document the events and experiences I have personally witnessed It serves as a tapestry of social history reflecting the intricate dance between the lambs and wolves of our society My purpose in writing this book is only to record the events and things that I've witnessed with my own eyes      *Child Street Life* G.K.
