minute she didn't respond and he worried that he'd overstepped his welcome. Then her lips trembled beneath his and she exhaled a soft sigh. When he heard the little moan in the back of her throat, he put his arms around her and pulled her forward. Mitch deepened the kiss, taking it to the next level, swiping his tongue against her lips. She opened for him, tilting her head for better access, and he slid inside her mouth. She tasted of chocolate and vanilla and the sweet essence of Sarah.

Melnitz, Charles Lewinsky, 2015-02-05. The international bestselling saga of a large and colorful Jewish family buffeted from the quiet respectability of sorts in 1871 to the Nazi death camps of 1945. 1871 cattle dealer Solomon Meijer has made a reputation for himself as one of the few honest Jews in Endingen, a rare Swiss town in which Jews are allowed to reside. He leads a largely untroubled life, rewarded by his work and comforted at home by his wife and two daughters. But all of this is set to end when he answers a knock at the door in the middle of the night. On the doorstep stands his young distant cousin Janki, half dead and begging for refuge. The pitiful figure is invited in and given a coveted place in the bosom of the family, but when Janki recovers and regains his ambition and his fine looks, he will change the Meijer family's lives for generations to come. In the tradition of the great family romances of the 19th century, Melnitz is the saga of the Swiss Jewish Meijer family spanning five generations from the Franco-Prussian War to World War II. It is a novel of fate, fortune, and great falls, a homage to the sunken world of Yiddish culture and a celebration of the enduring spirit of biting Jewish humor.

Dr. Le Baron and His Daughters, Jane Goodwin Austin, 1892. **Dr. LeBaron and His Daughters**, Jane Goodwin Austin, 1890. Compendium of Poetry, David Thirgood, 2025-04-25. To read a blurb is quite absurd for a poetry book like this. Adventure, galore, ironical, score, drama, and a lover's bliss. Words from the heart, a legitimate start, regrets, and agony too. Reflections abound, lost siblings found, only to mention a few. Remembering the past, dreams that last, not to be missed, for quids. Cleaning the pool using the tools, and don't forget the kids.

Mountain Refuge, Sarah Varland, 2018-02-01. An ex-cop must rescue a woman and keep her alive as a killer tracks her through the wilds of Alaska. When someone tries to grab Summer Dawson on a secluded mountain path, she escapes, but soon discovers she's a serial killer's latest target. Her brother's friend, ex-cop Clay Hitchcock, promises she won't become the next victim, though even if it means putting himself at risk. Clay thought he was done with law enforcement, but after finding Summer running for her life off a mountain trail, he's back in cop mode. Determined to protect her, Clay shadows the brave, beautiful mountain runner. Now, if they want to stay alive, Clay and Summer must work together to bring down the crazed killer lurking in the wilderness.
