A Legal History of Adoption in Ontario, 1921-2015 Lori Chambers,2016-09-23 Lori Chamber s fascinating study explores the legal history of adoption in Ontario since the passage of the first statute in 1921 This volume explores a wide range of themes and issues in the history of adoption including the reasons for the creation of statutory adoption the increasing voice of unmarried fathers

in newborn adoption the reasons for movement away from secrecy in adoption the evolution of step parent adoption the adoption of Indigenous children and the growth of international adoption Unlike other works on adoption this book focuses explicitly on statutes statutory debates and the interpretation of statutes in court In doing so she concludes that adoption is an inadequate response to child welfare and on its own cannot solve problems regarding child neglect and abuse Rather Chambers argues that in order to reform the area of adoption we must first acknowledge that it is built upon social inequalities within and between nations Design and Lay Out a Newspaper ,1985 *Just Living Together* Alan Booth,Ann C. Crouter,Nancy S. Landale,2002-02-01 Based on the presentations and discussions from a national symposia *Just Living Together* represents one of the first systematic efforts to focus on cohabitation The book is divided into four parts each dealing with a different aspect of cohabitation Part I addresses the big picture question What are the historical and cross cultural foundations of cohabitation Part II focuses specifically on North America and asks What is the role of cohabitation in contemporary North American family structure Part III turns the focus to the question What is the long and short term impact of cohabitation on child well being Part IV addresses how cohabiting couples are affected by current policies and what policy innovations could be introduced to support these couples Providing a road map for future research program development and policymaking *Just Living Together* will serve as an important resource for people interested in learning about variations in the ways families of today are choosing to organize themselves **Blessing Same-Sex Unions** Mark D. Jordan,2013-09-03 At most church weddings the person presiding over the ritual is not a priest or a pastor but the wedding planner followed by the photographer the florist and the caterer And in this day and age more wedding theology is supplied by Modern Bride magazine or reality television than by any of the Christian treatises on holy matrimony Indeed church weddings have strayed long and far from distinctly Christian aspirations The costumes and gestures might still be right but the intentions are hardly religious Why then asks noted gay commentator Mark D Jordan are so many churches vehemently opposed to blessing same sex unions In this incisive work Jordan shows how carefully selected ideals of Christian marriage have come to dominate recent debates over same sex unions Opponents of gay marriage he reveals too often confuse simplified ideals of matrimony with historical facts They suppose for instance that there has been a stable Christian tradition of marriage across millennia when in reality Christians have quarreled among themselves for centuries about even the most basic elements of marital theology authorizing experiments like polygamy and divorce Jordan also argues that no matter what the courts do Christian churches will have to decide for themselves whether to bless same sex unions No civil compromise can settle the religious questions surrounding gay marriage And queer Christians he contends will have to discover for themselves what they really want out of marriage If they are not just after legal recognition as a couple or a place at the social table do they really seek the blessing of God Or just the garish melodrama of a white wedding Posing trenchant questions such as these *Blessing Same Sex Unions* will be a must read for both sides of the debate over gay marriage in

America today **The Child** ,1951 **Two Plus Two** Geoffrey L. Greif,Kathleen Holtz Deal,2012-04-23 Pays attention to differences between how men and women create and maintain friendships as well as how we are affected by developmental shifts across the lifespan Separates couples into three distinct categories Seekers Keepers and Nesters to provide a template for understanding the broad and dynamic situations of couples interactions with others Examines the challenges and difficulties many different types of couples face such as young mid life older remarried and inter racial couples The role of friendship in a person s and a couple s life is largely unexplored in family therapy literature and self help books on families Every couple is involved in some form of couples friendship yet virtually no research is available on this important relationship In addressing this gap in the literature this book will enhance the marriages and couples relationships of its readers as well as open up important avenues for marital and family therapists Based on a research study conducted by the authors with over 400 people Each chapter contains a marriage enrichment angle Expands existing research on gender differences in friendship development **Selling Transracial Adoption** Elizabeth Raleigh,2018 Chosen Children examines the role of the adoption marketplace in shaping how transracial adoptive families are sorted and matched and analyzes what these practices suggest about race in the United States In contrast to previous work on race and adoption markets that focus on the experiences of adoptive parents Raleigh s project focuses on adoption workers social workers attorneys and counselors Taking a market approach that treats adoptive parents as consumers and children as commodities Raleigh brings together interviews with adoption practitioners participant observation at adoption information sessions and adoption statistics in order to demonstrate how the downturn in supply of adoptable honorary white children which she defines as Asian and hispanic children led to the increased popularity of the transracial adoption of foreign born and biracial black children **Little Love Stories of Manhattan** Melville Chater,1904 *Congressional-Executive Commission on China Annual Report 2015* , Health Care Delivery and Clinical Science: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources,2017-12-01 The development of better processes to provide proper healthcare has enhanced contemporary society By implementing effective collaborative strategies this ensures proper quality and instruction for both the patient and medical practitioners Health Care Delivery and Clinical Science Concepts Methodologies Tools and Applications is a comprehensive reference source for the latest scholarly material on emerging strategies and methods for delivering optimal healthcare and examines the latest techniques and methods of clinical science Highlighting a range of pertinent topics such as medication management health literacy and patient engagement this multi volume book is ideally designed for professionals practitioners researchers academics and graduate students interested in healthcare delivery and clinical science **Couples Coping with Stress** Mariana K. Falconier,Ashley K. Randall,Guy Bodenmann,2016-05-12 This is the first book that reviews both empirical and clinical applications of how couples jointly cope with stress dyadic coping around the globe The Systemic Transactional Stress Model STM developed by co editor Guy

Bodenmann is used as a consistent framework so readers can better appreciate the contrasts and similarities across the fourteen cultures represented in the book. Written by scholars from the particular culture, each chapter provides a conceptual review of the dyadic coping research conducted in their specific cultures and also provides empirical and clinical recommendations. Additional contributions include how to measure dyadic coping so others can apply the STM model in other contexts. The latest treatment approaches for therapy and prevention are also highlighted, making this book ideal for professionals interested in expanding their cultural competence when working with couples from various backgrounds. Highlights include: How couples in different cultures deal with stress and how values and traditions affect dyadic stress and coping; Global applications especially to couples in the regions highlighted in the book: the U.S. including one chapter on Latino couples in the U.S.; Australia; China; Greece; Hungary; Italy; Japan; Kenya; Nigeria; Pakistan; Portugal; Romania; and Switzerland; Factors encountered in examining dyadic coping using the STM Model including measurement and assessment issues; Suggestions for making treatment prevention and intervention programs for couples more effective. Ideal for relationship researchers, psychologists, mental health counselors, social workers, and advanced students who work with couples dealing with stress. This book is also appropriate for advanced courses on interpersonal processes, close relationships, stress, and coping; multicultural issues in marriage and family therapy or counseling; or family systems taught in a variety of social science disciplines.

Enser's Filmed Books and Plays Ellen Baskin, 2018-04-27. This title was first published in 2003. The sixth edition of this compendium of film and television adaptations of books and plays includes several thousand new listings that cover the period from 1992 to December 2001. Brief Therapy for Couples W. Kim Halford, 2003-08-01. This book provides a complete guide to self-regulatory couple therapy (SRCT), an innovative clinical approach that maximizes the couple's capacity for self-directed change. Presented is a flexible framework for treating couples effectively in as few as one or two and as many as 25 sessions of highly focused work. Featuring step-by-step intervention guidelines and helpful clinical examples, the book demonstrates how to identify those couples for whom very brief therapy is possible, how to focus quickly on the processes associated with relationship distress, and how to integrate additional therapeutic components for clients needing longer-term help.
