Harrison,2022-08-25 The contributors to this book pursue three important lines of inquiry into parable study in order to illustrate how these lessons have been received throughout the millennia The contributors consider not only the historical and material world of the parables composition and focusing on the social political economic and material reality of that world but also seek to connect how the parables may have been seen and heard in ancient contexts with how they have been and continue to be seen and

heard Intentionally allowing for a bounded openness of approach and interpretation these essays explore numerous contexts encounters and responses Examining topics ranging from ancient harvest imagery and dependency relations to contemporary experience with the narratives and lessons of the parables this volume seeks to link those very real ancient contexts with our own varied modern contexts *The Essential Jesus* Whitney T. Isaac & Jacob Katheryn Maddox Haddad,2017-11-19 98 pages written in easy to read large 16 point font for the early reader Stories can be understood by four year olds and up At the end of each chapter is Think Do to help the child apply the story to their own life Popular among grandparents parents and excellent for homeschoolers When Isaac Abraham s promised son grew up he had two sons The brothers argued all the time Jacob even stole all his brother s wealth then had to leave it behind and run away But Jacob became sorry and God gave him 12 sons The brothers finally loved each other and God changed Jacob s name to Isra El Buy the whole set of ten books Adam Eve Noah Abraham Isaac Jacob Joseph Moses Samson 3 Great Kings Jonah Daniel **More Than a Clever Story: What Jesus Wants You to Know About Life From the Parables He Told** Brian Onken,2024-05-07 Jesus parables They are widely known or at least often referenced But does that mean they are well understood Having slipped into the lingua franca of our day we could be missing some of what He was communicating If familiarity breeds contempt perhaps our sense that we know these stories insulates us from what Jesus was saying about life with God If Jesus intended His parables to be much more than helpful illustrations or memorable word pictures we might need to hear them in a fresh way We could be overlooking what is essential if we read His parables simply as clever stories Like a chef who seasons the meal in such a way that the distinctive flavors of each element is enhanced

Brian invites the reader into an invigorating and fresh taste of what Jesus says in His parables. Reading each parable attentive to Jesus' own words and the context in which these stories are found, you'll hear the voice of the Savior in renewed ways. No longer will you think of His parables as clever stories, but you'll find them to be life-giving words from Jesus.
