Robinson, Gary Paul Green, 2011 Introduction to Community Development provides students of community and economic development with a theoretical and practical introduction to the field of community development Bringing together leading scholars in the field of community development the book follows the curriculum needs in offering a progression from theory to practice beginning with a theoretical overview an historical overview and the various approaches to community development

Peacebuilding, Conflict and Community Development John Eversley, Sinéad Gormally, Avila Kilmurray, 2022-11-28 How do local communities effectively build peace and reconciliation before during and after open violence This trailblazing book gives practical examples from the Global North the former Soviet bloc and Global South on communities addressing conflict in divided and contested societies The book draws on a range of critical perspectives and practitioner analyses The diverse case studies demonstrate the considerable knowledge skills commitment courage and relationships within local communities that a critical community development approach can support and encourage Concluding with activists perspectives on working with the challenges of violence the book offers insights for both an understanding of the root causes of conflict and for bottom up peacebuilding

Community Development Hennie Swanepoel, Frik De Beer, 2006 Based on foundations of participation and empowerment this entry level study covers every aspect necessary to mobilize a community to fight poverty Chapters address issues such as the principles of community development starting and maintaining community projects and workshops recruiting and motivating members and decision making and problem solving management

Political Theory and Partisan Politics Edward Bryan Portis, Adolf G. Gundersen, Ruth Lessl Shively, 2000-06-01 Renowned theorists address the interconnections between those who engage in political struggle and those who study it

The Southern African Development Community in Zimbabwe Rich Mashimbye, 2024-02-13 This book narrates the unravelling of Zimbabwe a country that was once considered an inspiration on the continent of Africa in terms of socioeconomic development Recognising that many factors contributed to the collapse of the nation and that this collapse was a process that occurred over a long period it looks at historical events and processes like the colonisation of the country and dispossession of the indigenous people and the misrule politically motivated violence and economic mismanagement that followed under Robert Mugabe as the pivotal moments that precipitated the subsequent fall of Zimbabwe The book also examines the role that the regional intergovernmental organisation the Southern African Development Community SADC played in trying to help Zimbabwe overcome its security political and economic challenges

Ranked Choice Voting James W. Endersby, Michael J. Towle, 2025-02-26 Ranked choice voting RCV is an electoral and political reform sweeping across North America already

adopted in a variety of places including New York City the state of Maine and cities and towns in Minnesota California and Utah In localities using RCV voters don't cast just a single vote for one candidate but rank candidates according to preference first choice second choice third and so forth To be elected a candidate must win a majority not a plurality of votes Though touted by proponents as way to enhance voter satisfaction with elections promote trust in government and increase voter turnout the implementation of RCV is not without its challenges In **Ranked Choice Voting** James W Endersby and Michael J Towle provide a comprehensive and balanced analysis of RCV systems drawing from examples across the United States to evaluate how they function Using a wealth of data from observed elections outcomes to election theory from political history to interviews with advocates and election administrators the authors detail the history strengths and weaknesses of RCV and preferential voting more generally Broad ranging even handed and evidence based this authoritative overview of an increasingly popular format for democratic elections in the US will appeal to anyone interested in electoral reform and American democracy more generally

Youth, Security and Community Development in Nigerian Conflict and Post-Conflict Eras Abimbola Adesoji, 2025-02-12 The book explores the relevance of youths in the context of their contributions and the challenges they pose to the security and development of Ile Ife and Modakeke communities It assesses the impact of the renewed communal clashes on the youth and the security and development of their communities in the conflict and post conflict eras The book contributes to the understanding of how intercommunal conflicts in Ile Ife and Modakeke turned youths into both security assets and liabilities It provides a critical link in scholarship on the youth as a phenomenon in different cultures and contexts It shows that a clearer understanding of militarised youths in search of identity and given limited opportunities has the capability of providing a sound basis for policy formulation that could provide a logical solution to security related problems not only in the study area but in the whole of Nigeria and even elsewhere in the world

Learning and Mobilising for Community Development Lynda Shevellar, 2016-04-22 Learning and Mobilising for Community Development introduces the reader to different ways of thinking about and organising community based education and training within different settings Stories from the global south and north illustrate approaches to collective learning and collective action The book provides not only an insight into the how to of community based education and training but through a range of applications demonstrates the often unspoken shadow side of the developmental work we undertake The first section of the book outlines the key elements that underpin effective community based education and training It then locates community based education and training within a broader pedagogical project by tracing the tradition of transformative learning and education The second half of the book focuses on stories and practice distilling the application of theory and frameworks The practitioners within this book emerge from unique and challenging contexts From civil resistance in West Papua and youth empowerment in South Africa to financial freedom in Australia these diverse experiences speak to a common quest for social change and justice

An Introduction to Community Development Rhonda

Phillips, Robert Pittman, 2014-11-26 Beginning with the foundations of community development An Introduction to Community Development offers a comprehensive and practical approach to planning for communities Road tested in the authors own teaching and through the training they provide for practicing planners it enables students to begin making connections between academic study and practical know how from both private and public sector contexts An Introduction to Community Development shows how planners can utilize local economic interests and integrate finance and marketing considerations into their strategy Most importantly the book is strongly focused on outcomes encouraging students to ask what is best practice when it comes to planning for communities and how do we accurately measure the results of planning practice This newly revised and updated edition includes increased coverage of sustainability issues discussion of localism and its relation to community development quality of life community well being and public health considerations and content on local food systems Each chapter provides a range of reading materials for the student supplemented with text boxes a chapter outline keywords and reference lists and new skills based exercises at the end of each chapter to help students turn their learning into action making this the most user friendly text for community development now available **Theory, Practice, and**

Community Development Mark Brennan, Jeffrey Birdger, Theodore Alter, 2013-06-19 For many scholars the study of community and community development is at a crossroads Previously dynamic theories appear not to have kept pace with the major social changes of our day Given our constantly shifting social reality we need new ideas and research that pushes the boundaries of our extant community theories Theory Practice and Community Development stretches the traditional boundaries and applications of well established community development theory and establishes new theoretical approaches rooted in new disciplines and new perspectives on community development Expanded from a special issue of the journal Community Development Theory Practice and Community Development collects previously published and widely cited essays as well as new theoretical and empirical research in community development Compiled by the editors of Community Development the essays feature topics as varied as placemaking democratic theory and rural organizing Theory Practice and Community Development is vital for scholars and practitioners coming to grips with the rapidly changing definition of community **Tribal Education for Community Development** Rudolf C. Heredia, 1992 Study on the educational work of the Talasari Mission in Talasari Taluka Maharashtra
