Party Government In 48 Democracies 1945 1998 Composition Duration Personnel:

Party Government in 48 Democracies (1945-1998) J.J. Woldendorp, Hans Keman, I. Budge, 2013-04-17 Since the 1980s political scientists have developed a renewed interest in the study of political institutions based on the assumption that institutions matter that is that formal governmental institutions and constitutional legal rules as well as informal institutions like parties and interest groups are crucial determinants of the shape of politics and policy outcomes In this respect the new institutionalism resembles the old institutionalism of pre behaviorist days but the crucial difference between the two is that the new institutionalists are committed to systematic empirical testing of their hypotheses at least in principle In practice however especially in comparative analyses this goal has often been frustrated by the lack of reliable data for a large number of countries Researchers have therefore usually been limited to testing their hypotheses with modest data sets collected for their own particular purposes Of all of the political institutions the executive branch of the government is by far the most important it can be regarded as the irreducible core of government and the principal embodiment of political authority with specific powers that are not lodged elsewhere in the political system Almost all countries in the world and certainly all modern democracies have an executive body called government cabinet or administration as in the term the Clinton administration that has the main responsibility for running the country's public affairs *Party Government in the New Europe* Hans Keman, Ferdinand Muller-Rommel, 2012-05-31 This truly comparative volume examines the life cycle of party governments in Europe from 1990 onwards and analyses its role and function in contemporary European parliamentary democracies The life and the performance of party governments in Europe became more and more volatile and publicly contested In some cases it has even challenge the democratic quality of the state This book presents comparative analyses of party governments from formation and duration to performance It brings together some of the foremost scholars researching on party government to evaluate existing theories and compare both the developments in the Western and the new Eastern Europe in an empirically grounded comparative analysis The book discusses the interaction between various institutions political parties and policies and evaluates how institutional change and party behaviour can drive the life cycle of party government *Party Government in the New Europe* will be of interest to students and scholars of Comparative Politics Democracy Government and European Politics *Social Democracy* Hans Keman, 2017-06-14 5 4 Office and policy seeking performance of Social Democracy 5 5 The use of public powers through government by Social Democracy 6 The use of public powers Social Democratic policy formation and policy performance 6 1 Introduction 6 2 The interdependence between state and society intervention and care 6 3 The Dual Welfare State as a policy profile of Social Democracy 6 4 Does Social Democratic policy formation matter 6 5 Towards a Social Democratic society 7 Searching for a new direction Third Ways Europe and globalisation 7 1 Introduction 7 2 Globalisation European integration and national welfare 7 3 A new Social Democratic model From Dual Welfare State to social investment state 7 4 Social Democratic programmatic change from Left

to Right 7 5 Maintaining power resources of Social Democracy votes or office 7 6 The policy performance of the new Social Democracy 7 7 Global change and flexible adjustments Social Democracy in flux 8 Varieties of Social Democracy pathways to power and mission performance 8 1 Epitome Social Democracy unity and diversity and development 8 2 Democratisation and the development of Social Democratic power resources 8 3 Ideological change and its ramifications for the Social Democratic project and model 8 4 Gaining political powers and party control to develop the Dual Welfare State 8 5 From diversity to mainstreaming Social Democracy moving into the 21st century Appendix Index *Democratic Politics and Party Competition* Judith Bara, Albert Weale, 2006-09-27 This new book introduces innovative research on democracy from the leading Comparative Manifestos Project CMP It details the key achievements of the project to date illustrates how its findings may be applied lays out the future challenges it faces and examines how the field as a whole can advance It also presents a special assessment of the dimensionality of party competition presenting ways in which research can be extended and related to broader approaches in Political Science and Theory Although CMP research is widely used and constitutes the major comparative data set on party positions and ideological location it is also subject to challenge The volume therefore provides the reader with a clear sense of the key debates and questions surrounding its work This volume also honours the life time achievement of Professor Ian Budge who has provided distinguished intellectual leadership for the CMP over the last twenty five years This is an essential point of reference for all comparative research on the functioning of democracies This book will be of great interest to all students and scholars of politics and of democracy in particular *Government Stability in Comparative Perspective* Marco Improta, 2025-04-09 This insightful book provides a systematic and comprehensive analysis of government stability across democracies Marco Improta draws on an original multilevel longitudinal dataset to investigate the factors influencing cabinet survival and identify policy recommendations to address the challenges facing contemporary governments **Technocratic Ministers and Political Leadership in European Democracies** António Costa Pinto, Maurizio Cotta, Pedro Tavares de Almeida, 2017-09-12 This book provides an in depth analysis of the technocratic shift in ministerial recruitment measuring its extent and variations over time in fourteen European countries It addresses the question who governs in European democratic regimes Just a few decades ago the answer would have been straightforward party men and fewer party women More recently however and in varying degrees across Europe a greater proportion of non politicians or experts have been recruited to government as exemplified by the 2017 election of Emmanuel Macron to the French Presidency These experts frequently labelled technocrats increasingly occupy key executive positions and have emerged as powerful actors in the decision making process This edited collection explores the contemporary debates surrounding the relationship between technocracy democracy and political leadership and will appeal to scholars and advanced students interested in these fields *The Presidentialization of Politics* Thomas Poguntke, Paul Webb, 2007-04-27 The Presidentialization of Politics shows that the politics of democratic societies is moving towards a presidentialized

working mode even in the absence of formal institutional changes These developments can be explained by a combination of long term structural changes in modern politics and societies contingent factors which fluctuate over time While these contingent short term factors relate to the personalities of office holders the overall political agenda and the majority situation in parliament there are several structural factors which are relatively uniform across modern nations First the internationalization of modern politics which is particularly pronounced within the European Union has led to an executive bias of the political process which has strengthened the role of political top elites vis vis their parliamentary groups and or their parties Their predominance has been amplified further by the vastly expanded steering capacities of state machineries which have severely reduced the scope of effective parliamentary control At the same time the declining stability of political alignments has increased the proportion of citizens whose voting decisions are not constrained by long standing party loyalties In conjunction with the mediatization of politics this has increased the capacity of political leaders to by pass their party machines and to appeal directly to voters As a result three interrelated processes have led to a political process increasingly moulded by the inherent logic of presidentialism increasing leadership power and autonomy within the political executive increasing leadership power and autonomy within political parties and increasingly leadership centred electoral processes The book presents evidence for this process of presidentialization for 14 modern democracies including the US and Canada While there are substantial cross national differences the overall thesis holds modern democracies are increasingly following a presidential logic of governance through which leadership is becoming more central and more powerful but also increasingly dependent on successful immediate appeal to the mass public Implications for democratic theory are considered

The Role of Political Parties in the European Union Bjorn Lindberg, Anne Rasmussen, Andreas Warntjen, 2013-09-13

At the national level political parties play an important role in making representative democracy work They help to aggregate and communicate policy preferences link decision making between different legislative bodies and hold politicians accountable In the European Union however the electoral connection is weak This casts doubt on the impact of partisan politics at the European level Are political parties able to fulfil their role as transmission belts ensuring political accountability and consistent decision making in the European Union To answer this question we look at the micro foundations of partisan politics in the European Union The contributions in this volume all depart from a common theoretical framework but use a wide range of empirical data and research designs covering qualitative process tracing elite interview and large N quantitative analysis Moreover they examine party effects in the electoral and legislative arena Finally the volume covers all European institutions the Commission the Council of the European Union the European Council and the European Parliament The findings enhance our understanding of the workings of decision making in Brussels add to the debate on the EU democratic deficit and highlight the usefulness of drawing upon insights from the literature on Comparative Politics when studying the European Union This book was published as a special issue of the Journal of

European Public Policy **Comparative Democratic Politics** Hans Keman, 2002-03-26 Democracy is the most widely used way of organizing politics in the contemporary world Comparative Democratic Politics brings together a team of renowned international scholars to provide a comprehensive review of theory and research in this essential area of comparative study A key aim to the book is to introduce and understand representative democracy as a political process and contemporary system of governance in need of constant attention and scrutiny Four important themes include the contribution of comparative politics as a distinct field within political science to our understanding of democracy democratic politics and democratic theory what we can learn from a comparative analysis of the role functioning and behaviour of the principal actors electorate parties and institutions across nations the relationship between politics and public policy formation and processes of democratic decision making and corresponding policy making capacity how we measure contemporary democracy or democratic performance in both a procedural and material sense Comparative Democratic Politics will afford new and important insights to the contemporary study of representative democracy It will be essential reading for all students and academics of political science and public policy seeking a deeper understanding of both the world's so called established and emerging democracies New Parties in Government Kris Deschouwer, 2008-02-08 This volume is a unique exploration of European political parties making the move towards government for the first time **The Role of Parties in Twenty-First Century Politics** Luciano Bardi, Stefano Bartolini, Alexander H. Treschel, 2017-10-02 For a long time analyses of political parties were framed within the usual context of democracy and of the historical transformation of the forms of democratic government More recently several authors among which eminently Peter Mair progressively began to question the relationship between the normative definition of democratic government and the actual operation of parties These new concerns are well epitomized by the tension between responsiveness and responsibility that gives the title to this book While classic democratic theory sees as desirable that parties in government and in opposition too are sympathetically responsive to their supporters first and more generally to public opinion and at the same time responsible toward the internal and international systemic constraints and compatibilities these two roles seem to have become more difficult to reconcile and even increasingly incompatible The chapters of this book explore the tensions between responsiveness and responsibility decomposing the international sources from the domestic sources and discussing the options and the possibilities for political parties to continue to play the role of provider of political stability in rapidly changing domestic and international environments This book was published as a special issue of West European Politics **Elections and Voters** Cees Van der Eijk, Mark N. Franklin, 2009-09-02 This major new text by two leading authorities in the field provides a state of the art assessment of what we know about voting behaviour and the character consequences and significance of elections in democratic states It shows how patterns of electoral behaviour have evolved over time and vary in different countries **Party System Change, the European Crisis and the State of Democracy** Marco Lisi, 2018-08-06 Party systems are

crucial elements for the functioning of political systems and representative democracies With several European countries experiencing significant changes recently it is necessary to update our knowledge This volume analyses party system changes in Europe in the 21st century by considering several dimensions such as interparty competition the cleavage structure electoral volatility and the emergence of new actors The book describes the principal continuities and changes in party systems in Europe analyzes the main explanations for these trends and assesses the impact of the crisis on the patterns observed By considering a wide range of Western and Eastern European countries and focusing on the parameters of party system change this book seeks to fill an important gap in the literature through a comparative analysis of the evolution of party systems in Europe over the last decades This book will be of key interest to scholars and students of political parties party systems and politics electoral behavior as well as more broadly to European politics comparative politics political representation and the quality of democracies

The Technocratic Challenge to Democracy Eri Bertsou, Daniele Caramani, 2020-03-09 This book represents the first comprehensive study of how technocracy currently challenges representative democracy and asks how technocratic politics undermines democratic legitimacy How strong is its challenge to democratic institutions The book offers a solid theory and conceptualization of technocratic politics and the technocratic challenge is analyzed empirically at all levels of the national and supra national institutions and actors such as cabinets parties the EU independent bodies central banks and direct democratic campaigns in a comparative and policy perspective It takes an in depth analysis addressing elitism meritocracy depoliticization efficiency neutrality reliance on science and distrust toward party politics and ideologies and their impact when pitched against democratic responsiveness accountability citizens input and pluralist competition In the current crisis of democracy this book assesses the effects of the technocratic critique against representative institutions which are perceived to be unable to deal with complex and global problems It analyzes demands for competent and responsible policy making in combination with the simultaneous populist resistance to experts The book will be of key interest to scholars and students of comparative politics political theory policy analysis multi level governance as well as practitioners working in bureaucracies media think tanks and policy making

How Australia Compares Rodney Tiffen, Ross Gittins, 2009-11-12 How Australia Compares is a handy reference that compares Australia with seventeen other developed countries across a wide range of social economic and political dimensions Whenever possible it gives not only snapshot comparisons from the present but charts trends over recent decades or even longer Encyclopaedic in scope it provides statistics for a huge range of human activity from taxation to traffic accidents homicide rates to health expenditure interest rates to internet usage This new edition is fully revised and updated and features two new chapters The Howard Impact and The Search for Scoreboards New sections include obesity advertising broadband internet access childcare and corruption Information is highly accessible with double page spreads for each topic Tables and graphs are presented on one page and clear explanation and analysis on the facing page In each discussion the focus is to put the

Australian experience into international perspective drawing out the implications for the nation's performance policies and prospects

International Encyclopedia of Social Policy Tony Fitzpatrick, Huck-ju Kwon, Nick Manning, James Midgley, Gillian Pascall, 2013-07-04 Available in paperback for the first time this milestone work offers an in depth treatment of all aspects of the discipline and practice of social policy globally Supported by a distinguished international advisory board the editors have compiled almost 900 000 words across 734 entries written by 284 leading specialists to provide authoritative coverage of concepts policy actors welfare institutions and services along a series of national regional and transnational dimensions Also included are biographical entries on major policy makers and shapers The editors have particularly striven to provide strong coverage of differing geographical and cultural traditions so that the variety of social policy as both an academic discipline and a domain of governance is reflected Contributors draw in and make the necessary connections with social policy's associated disciplines to provide a rich picture of this vast and highly diverse field Comprehensive and authoritative the Encyclopedia has sought to open up rather than to foreclose the numerous areas in which there is on going research debate and sometimes serious disagreement and divergence in theory and practice To this end entries attempt to introduce a core or common ground of understanding before moving on to a wider discussion of debates regarding different conceptual and geographical approaches The whole is integrated by cross referencing and each entry includes a bibliography for further reading There is a full index The International Encyclopedia of Social Policy provides the most substantial mapping of the international study and practice of social policy to date and will stand as a vital storehouse of knowledge for many years to come Comparative European Politics , *Developments in Central and East European Politics 3* Stephen White, Judy Batt, Paul G. Lewis, 2003

The Politics of Post-Industrial Welfare States Klaus Armingeon, Giuliano Bonoli, 2007-01-24 This new study assesses the welfare state to ask key questions and draw new conclusions about its place in modern society It shows how the welfare states that we have inherited from the early post war years had one main objective to protect the income of the male breadwinner Today however massive social change in particular the shift from industrial to post industrial societies and economies have resulted in new demands being put on welfare states These demands originate from situations that are typical of the new family and labour market structures that have become widespread in western countries since the 1970s and 1980s characterised by the clear prevalence of service employment and by the massive entry of women in the labour market Against this background this book presents a precise and clear definition of new social risks A concept being increasingly used in welfare state literature focuses on the groups that are mostly exposed to new social risks women the young the low skilled in order to study their political behaviour assesses policymaking processes that can lead to successful adaptation It covers key areas such as child care care for elderly people adapting pensions to atypical career patterns active labour market policies and policy making at the EU level This book will be of great interest for all students and scholars of politics sociology and the welfare state in particular *The*

Oxford Handbook of Political Executives Rudy B. Andeweg, Robert Elgie, Ludger Helms, Juliet Kaarbo, Ferdinand Müller-Rommel, 2020-07-30 Political executives have been at the centre of public and scholarly attention long before the inception of modern political science In the contemporary world political executives have come to dominate the political stage in many democratic and autocratic regimes The Oxford Handbook of Political Executives marks the definitive reference work in this field Edited and written by a team of world class scholars it combines substantive stocktaking with setting new agendas for the next generation of political executive research

Party Government In 48 Democracies 1945 1998 Composition Duration Personnel Introduction

In the digital age, access to information has become easier than ever before. The ability to download Party Government In 48 Democracies 1945 1998 Composition Duration Personnel has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Party Government In 48 Democracies 1945 1998 Composition Duration Personnel has opened up a world of possibilities. Downloading Party Government In 48 Democracies 1945 1998 Composition Duration Personnel provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Party Government In 48 Democracies 1945 1998 Composition Duration Personnel has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Party Government In 48 Democracies 1945 1998 Composition Duration Personnel. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for

undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Party Government In 48 Democracies 1945 1998 Composition Duration Personnel. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Party Government In 48 Democracies 1945 1998 Composition Duration Personnel, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Party Government In 48 Democracies 1945 1998 Composition Duration Personnel has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Party Government In 48 Democracies 1945 1998 Composition Duration Personnel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Party Government In 48 Democracies 1945 1998 Composition Duration Personnel is one of the best book in our library for free trial. We provide copy of Party Government In 48 Democracies 1945 1998 Composition Duration Personnel in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Party Government In 48 Democracies 1945 1998 Composition Duration Personnel. Where to download Party Government In 48 Democracies 1945 1998 Composition Duration

Personnel online for free? Are you looking for Party Government In 48 Democracies 1945 1998 Composition Duration Personnel PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Party Government In 48 Democracies 1945 1998 Composition Duration Personnel. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Party Government In 48 Democracies 1945 1998 Composition Duration Personnel are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Party Government In 48 Democracies 1945 1998 Composition Duration Personnel. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Party Government In 48 Democracies 1945 1998 Composition Duration Personnel To get started finding Party Government In 48 Democracies 1945 1998 Composition Duration Personnel, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Party Government In 48 Democracies 1945 1998 Composition Duration Personnel So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Party Government In 48 Democracies 1945 1998 Composition Duration Personnel. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Party Government In 48 Democracies 1945 1998 Composition Duration Personnel, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Party Government In 48 Democracies 1945 1998 Composition Duration Personnel is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Party Government In 48 Democracies 1945 1998 Composition Duration Personnel is universally compatible with any devices to read.
