

Party Symbol

Robert R. Redfield

Party Symbol:

Politics and Symbols David I. Kertzer, 1996-01-01 In the wake of the collapse of the Soviet Union and its Communist satellites the Italian Communist Party began a heated two year struggle over an identity and future David I Kertzer tells the riveting story of how Italy's second largest political party transformed itself into the new Democratic Party of the Left

Leader Symbols and Personality Cult in North Korea Jae-Cheon Lim, 2015-03-24 The legitimacy of the North Korean state is based solely on the leaders personal legitimacy and is maintained by the indoctrination of people with leader symbols and the enactment of leadership cults in daily life It can thus be dubbed a leader state The frequency of leader symbols and the richness and scale of leader symbol making in North Korea are simply unrivalled Furthermore the personality cults of North Korean leaders are central to people's daily activity critically affecting their minds and emotions Both leader symbols and cult activities are profoundly entrenched in the institutions and daily life and if separated and cancelled the North Korean state would be transformed This book analyses North Korea as a leader state focusing on two elements leader symbols and cult activities It argues that these elements have been and continue to be the backbone of North Korea shaping North Korean culture To reveal the leader state character the book specifically examines North Korea's leadership cults its use of leader symbols in these cults and the nature of the symbolism involved How has the North Korean state developed the cult of the Kim Il Sung family How does the state use leader symbols to perpetuate this cult How has the state developed myths and rituals that sustain the cult in daily life What leader images has state propaganda manufactured How does the state's manipulation of leader symbols affect the symbolism that is assigned to the leader's actions In answering these questions this book sheds new light on the strength and resilience of the North Korean state and shows how it has been able to survive even the most difficult economic period of the mid 1990s **Leader Symbols and Personality Cult in North Korea** will be essential reading for students and scholars of North Korea Korean politics Asian politics political sociology and visual politics

The Party Machine Michael Angel Folorunso, 2016-03-16 The Party Machine amplifies critical

function of political parties as stabilising platform required to water the garden of democracy Perpetual education is crucial to oiling the engine of ideologically committed political party Progressively inclined party should be a breeding ground for recruiting transformational interactional innovative and character based leaders Strategic planning and action research will go a long way in identifying and solving multifarious problems of the people in the republic The work discountenances the unprincipled defections of party members to other party simply because of lack of integrity and ideological commitment

Political Symbols and National Identity in Timor-Leste Catherine E. Arthur, 2018-09-14 This book explores how national identity has been negotiated and re imagined through the political symbols that embody it in post conflict Timor Leste It develops a Modernist approach to nations and nationalism by incorporating Bourdieusian theories of symbolic capital and conflict to examine how national identity has been constructed and represented in political symbols Taking case studies of flags monuments national heroes and street art it critically analyses how a diverse population has interpreted and re constructed its national identity throughout the first decade of independence and how the transition from a context of conflict to peace has influenced such popular imaginings By examining these processes of identification with a wide range of symbols the book discusses the numerous challenges that this young nation state still faces including victimhood and recognition democratization and electoral politics the political role of cosmology and spirituality and post colonial generational differences and divisions

Symbolism and Politics Graeme Gill, Luis F. Angosto-Ferrandez, 2020-05-21 Symbolism and Politics is a timely intervention into ongoing debates around the function of political symbols in a historical period characterized by volatile electoral behaviour fragmented societies in search of collective identifications and increasingly polarized political models Symbols are central features of organized human life helping to define perception shaping the way we view the world and understand what goes on within it But despite this key role in shaping understanding there is never a single interpretation of a symbol that everyone within the community will accept and the way in which symbols can mobilize antagonistic political factions demonstrates that they are as much a central element in power struggles as they are avenues to facilitate processes of identification This dual potential is the object of discussion in the chapters of this book which sheds new light on our understanding of the political function of symbols in a historical period Symbolism and Politics will be of great interest to scholars working on Political Symbols Nationalism Regime Change and Political Transitions The chapters originally published as a special issue of Politics Religion Ideology

Why India Votes? Mukulika Banerjee, 2017-09-19 Why India Votes offers a fascinating account of the Indian electorate through a series of comprehensive ethnographic explorations conducted across the country Delhi Uttar Pradesh Bihar West Bengal Chhattisgarh Madhya Pradesh Tamil Nadu Kerala Maharashtra Gujarat and Rajasthan It probes the motivations of ordinary voters what they think about politicians the electoral process democracy and their own role within it This book will be useful to scholars and students of political science anthropology and sociology those in media and politics and those interested in elections and

democracy as also the informed general reader

Minority Governments in India Csaba Nikolenyi, 2009-09-30 India's national parliamentary elections typically result in the election of majority parliaments and the formation of a single party majority government. However, India's national party system has changed beyond recognition since the parliamentary elections of 1989. The Congress Party has lost its dominant party status; the number of political parties that contest elections, win seats in parliament and gain cabinet portfolios have increased; minority governments and cabinet instability have become regular features of parliamentary politics. This book addresses each of these aspects of party system transformation in India by applying the analytical techniques of rational and social choice theory. Challenging conventional wisdom, the book argues that the number of parties in India has increased as a result of the unexpected consequences of the constitutional amendment of 1985 that was conceived to curtail party defections. Although the Congress Party no longer dominates the new multi-party system, it still retains a pivotal role in deciding which coalitions may form viable and stable minority governments. The Indian case study is theoretically driven and it is readily comparable with other parliamentary federations where minority governments are often formed, such as Canada, and the book finds that these processes are also present in the sub-national party systems of the states, however with greater variation.

Kenya Gazette, 2006-07-14 The Kenya Gazette is an official publication of the government of the Republic of Kenya. It contains notices of new legislation, notices required to be published by law or policy, as well as other announcements that are published for general public information. It is published every week, usually on Friday, with occasional releases of special or supplementary editions within the week.

The Logic of Liberal Rights Eric Heinze, 2004-02-24 The Logic of Liberal Rights uses basic logic to develop a model of argument presupposed in all disputes about civil rights and liberties. No prior training in logic is required, as each step is explained. This analysis does not merely apply general logic to legal arguments but is also specifically tailored to the issues of civil rights and liberties. It shows that all arguments about civil rights and liberties presuppose one fixed structure and that there can be no original argument in rights disputes except within the confines of that structure. Concepts arising in disputes about rights like liberal or democratic are not mere abstractions but have a fixed and precise character. This book integrates themes in legal theory, political science and moral philosophy, as well as the philosophy of logic and language. For the advanced scholar, the book provides a model presupposed by leading theoretical schools: liberal and critical, positivist and naturalist. For the student, it provides a systematic theory of civil rights and liberties. Examples are drawn from the European Convention on Human Rights, but no special knowledge of the Convention is assumed, as the issues analysed arise throughout the world. Such issues include problems of free speech, religious freedom, privacy, torture, unlawful detention and private property.

Political Marketing and Management in Ghana Kobby Mensah, 2017-08-09 This book focuses on the emergence of new frames of political engagement underpinned by concepts in

marketing management and organisation It goes beyond political electioneering and campaigning and considers business theories such as market research segmentation social media brand architecture and human resources With contributions from a range of skilled experts Political Marketing and Management in Ghana emphasises and provides insights on the symbols oriented approach of political campaigning in Africa and distinguishes this from the technology driven process of the west Offering a total understanding of African politics and its supply and demand interactivity between key actors this book is of great use to academics interested in political science communications marketing and business and management The Routledge Handbook of Postsecularity Justin Beaumont, 2018-10-26 The Routledge Handbook of Postsecularity offers an internationally significant and comprehensive interdisciplinary collection which provides a series of critical reviews of the current state of the art and future trends in philosophical theoretical and conceptual terms The volume likewise presents a range of empirical knowledges and engagements with postsecularity A critical yet sympathetic dialogue across disciplinary divides in an international context ensures that the volume covers a wide and interrelated intellectual and geographical scope The editor's introduction with Klaus Eder offers a robust foundation for the volume setting out the central aims and objectives the rationale for the contributions and an outline of the structure Thorny issues of normativity and empirical challenges are highlighted for the reader The handbook comprises four interrelated sections Part I Philosophical meditations discusses postsecularity from philosophical standpoints and Part II Theological perspectives presents contributions from a variety of theological viewpoints Part III Theory space social relations contains pieces from geography planning sociology and religious studies that delve into theoretically informed empirical implications of postsecularity Part IV Political and social engagement offers chapters that emphasize the political and social implications of the debate In the Afterword Eduardo Mendieta joins the editor to reflect on the notion of reflexive secularization across the volume as a whole alluding to new lines of inquiry The handbook is an invaluable guide for graduate and advanced undergraduate teaching and a key reference for students and scholars of human geography sociology political science applied philosophy urban and public theology planning and urban studies *Kenya Gazette*, 2002-12-05 The Kenya Gazette is an official publication of the government of the Republic of Kenya It contains notices of new legislation notices required to be published by law or policy as well as other announcements that are published for general public information It is published every week usually on Friday with occasional releases of special or supplementary editions within the week **Kenya Gazette**, 2002-12-05 The Kenya Gazette is an official publication of the government of the Republic of Kenya It contains notices of new legislation notices required to be published by law or policy as well as other announcements that are published for general public information It is published every week usually on Friday with occasional releases of special or supplementary editions within the week **Religion, Caste, and Politics in India** Christophe Jaffrelot, 2010 Following independence the Nehruvian approach to socialism in India rested on three pillars secularism and democracy in the political domain state intervention in the economy and

diplomatic non alignment mitigated by pro Soviet leanings after the 1960s These features defined a distinct Indian model if not the country s political identity From this starting point Christophe Jaffrelot traces the transformation of India throughout the latter half of the twentieth century particularly the 1980s and 90s The world s largest democracy has sustained itself by embracing not only the vernacular politicians of linguistic states but also Dalits and Other Backward Classes or OBCs The simultaneous and related rise of Hindu nationalism has put minorities and secularism on the defensive In many ways the rule of law has been placed on trial as well The liberalization of the economy has resulted in growth yet not necessarily development and India has acquired a new global status becoming an emerging power intent on political and economic partnerships with Asia and the West The traditional Nehruvian system is giving way to a less cohesive though more active India a country that has become what it is against all odds Jaffrelot maps this tumultuous journey exploring the role of religion caste and politics in determining the fabric of a modern democratic state
