# Party Government And Political Culture In Western Germany

**Eric Langenbacher, David P. Conradt**

## **Party Government And Political Culture In Western Germany:**

*Party Government and Political Culture in Western Germany* H. Doring, G. Smith, 1982-03-04      **Transformation of the German Political Party System** Christopher S. Allen, Larry Eugene Jones, 2001 Using German political parties as a prism with which to view institutional change this collection transcends a single country focus and places the German experience in a comparative and historical framework Evaluation the performance of the German parties and party system in dealing with problems of integration and legitimation common to all industrialized democracies it presents a sharp analysis of the effects and incompleteness of German unification      *Party Governments* Richard S. Katz, 2019-06-04 No detailed description available for Party Governments      *Parties and Party Systems in Liberal Democracies* Steven B Wolinetz, 2023-07-14 First published in 1988 *Parties and Party Systems in Liberal Democracies* considers the extent and ways in which Western European and North American parties and party systems changed in the 1970s and 1980s after decades of relative stability It examines changes in the nature and organisation of parties and relates this to changes in electoral behaviour and to wider social and economic change It concentrates on political parties as actors and the ways in which they maintain themselves and respond to the moves and gambits of both established and newer parties and to the increasingly numerous and vociferous single interest pressure groups One important argument put forward is that many social and economic changes have had a minimal impact because established parties have been able to adapt by redefining issues in their favour and have also been able to rely on residual support and access to patronage This engaging volume will have strong appeal for courses in political science government political behaviour and history      *West German Politics* Lewis Joachim Edinger, 1986 Moving deftly among literary and visual arts as well as the modern critical canon Christopher Prendergast's book explores the meaning and value of representation as both a philosophical challenge What does it mean to create an image that stands for something absent and a political issue Who has the right to represent whom The Triangle of Representation raises a range of theoretical historical and aesthetic questions and offers subtle readings of such cultural critics as Raymond Williams Paul de Man Edward Said Walter Benjamin and Hélène Cixous in addition to penetrating investigations of visual artists like Gros Ingres and Matisse and significant insights into Proust and the onus of translating him Above all Prendergast's work is a striking display of how a firm grounding in theory is essential for the exploration of art and literature      *Developments in West German Politics* Gordon Smith, William E. Paterson, Peter H. Merki, 2016-01-12 This book gives up to date assessments of key trends and issues in the Federal Republic with sufficient background analysis to make the treatment of the various topics accessible to those without detailed prior knowledge of German politics      **Continuity and Change in German Politics** Stephen Padgett, Thomas Poguntke, 2002 Over three decades Gordon Smith has written authoratively and with style on almost every aspect of German politics In this volume leading UK and German scholars use themes from his work in an examination of the evolution of German policy in the face of socio economic change globalisation European integration and the domestic

upheaval of unification      **Parties, Opposition and Society in West Germany (RLE: German Politics)** Eva Kolinsky, 2018-10-24 In this volume originally published in 1984 the author examines the social composition of the electorate of membership and leadership of West German political parties as well as their representation and finances Kolinsky argues that while affiliation and electorates remained distinct the social composition of party organisations became narrower and more uniform The book examines how the parties became alienated from contemporary West German society and discusses the difficulties experienced by opposition parties in trying to develop alternative strategies in particular those of the Green Party      The Postwar Transformation of Germany John Shannon Brady, Beverly Crawford, Sarah Elise Wiliarty, 2010-08-04 As Germany celebrates the fiftieth anniversary of the founding of the Federal Republic of Germany the former West Germany leading scholars take stock in this volume of the political social and economic progress Germany made as it built a democratic political system and a powerful economy survived the Cold War and dealt with the challenges of reunification The contributors address issues such as Germany's response to extremists the development of a professional civil service judicial review the maintenance of the welfare state the nature of contemporary German nationalism and Germany's role in the world Contributors are Thomas Banchoff Thomas U Berger Patricia Davis Ernst Haas Jost Halfmann Christard Hoffmann Carl Ludwig Holtfrerich Donald P Kommers Wolfgang Krieger Peter Krueger Gregg O Kvistad Ludger Lindlar Charles Maier Andrei Markovitz Peter Merkl Claus Offe Simon Reich and Michaela Richter John S Brady and Sarah Elise Wiliarty are doctoral candidates in the Department of Political Science University of California Berkeley Beverly Crawford is Professor of Political Science Senior Lecturer in Political Economy of Industrial Societies and Associate Director Center for German and European Studies University of California Berkeley      **Green Parties and Political Change in Contemporary Europe** Michael O'Neill, 2019-05-20 Published in 1997 This book offers an up to date guide to the Green parties of Western Europe as the optimism of the 1980s confronts the Green fatigue of the 1990s The approach is both thematic and comparative Green politics in Europe is located in its historical and cultural context There is a comparative analysis of the principal ideological questions policy issues and strategic dilemmas that have confronted the European Greens There are national profiles of Green politics throughout the European Union The conclusion addresses the critical issue of political change in post industrial societies It discusses the contribution of Green parties to the New Politics and assesses their likely impact on post modern politics      **Politics, Policy and the European Recession** Andrew Cox, 1982-06-18      The Rise and Demise of German Statism Gregg Kvistad, 1999-03-01 German statism as a political ideology has been the subject of many historical studies Whereas most of these focus on theoretical texts cultural works and vague traditions this study understands German statism as a functioning logic of political membership a logic that has helped to determine who is in and who is out with regard to the German political community Tracing statism from the early 19th century through German unification and beyond in the 1990s the author argues that with its central concern for a political loyalty that is vetted from above it

historically served the function of stabilizing the political order and containing democratic mobilization Beginning in the 1960s however a mobilized German democratic consciousness from below gradually rejected statism as anachronistic for informing political and policy debate and German political institutions began to respond to kind *West European Prime Ministers* G.W. Jones,2025-09-12 *West European Prime Ministers* 1991 examines the roles played by the prime ministers of seven West European countries Britain Germany France Italy Spain Holland and Ireland In addition three general chapters provide a comparative perspective The main focus is on the power of the prime ministers Their many and various resources such as their formal authority their political influence their administrative support and their personal skills and the constraints on their use of these powers are all examined and analysed The book also examines the people and organisations prime ministers have dealings with from cabinets ministers parliaments and parties to the civil service pressure groups and the public and appraises how well other power centres are resources or supports for the prime minister It explores the backgrounds and career patterns of prime ministers and the part they play in different policy areas It assesses trends in prime ministerial power over the last decade and reveals the significance of the personality of the prime minister *The German Social Democrats Since 1969* Gerard Braunthal,2019-07-11 This thoroughly revised edition of *The West German Social Democrats 1969 1982* Profile of a Party in Power contrasts the period during which the SPD was in power with its role since 1982 as an opposition party Even though it was the senior party in the coalition governments of chancellors Willy Brandt and Helmut Schmidt it did not have the influence on domestic and foreign policy in the 1970s that it had hoped for Nevertheless it achieved insider status unlike its dual competitive and cooperative opposition role vis a vis the conservative governments of Helmut Kohl Braunthal also discusses the short lived East German SPD which formed during the crumbling months of the German Democratic Republic and then merged with the West German party shortly before unification In a period when some analysts pronounce the victory of capitalism and the death of socialism and others decry the crises among political parties the SPD has managed to remain relatively strong Yet the party argues the author will need to enhance its support especially in eastern Germany if it expects to regain political power in the 1990s Such a goal cannot be reached unless it projects a modern image minimizes intraparty discord copes successfully with the external social and economic forces affecting its development and has a dynamic leadership that presents appealing policy alternatives to the Kohl government Braunthal details the SPD s organization leadership factions constituent associations ideology voter support and elections relations to Parliament and government and influence on government policies He draws from a wealth of primary sources including unpublished German archival records and over 200 interviews with top politicians party officials SPD members and journalists Braunthal one of the leading Western scholars on the SPD presents here the definitive study of this pivotal party *Political Parties and Democracy in Turkey* Jacob M. Landau, Metin Heper,2016-03-31 Since the establishment in 1945 of a constitutional democracy political parties have figured prominently in Turkish politics This book

first published in 1991 examines the role they have played Key features of the political culture of the Turkish republic have created dilemmas for multi party democracy Atatrkism still exerts a powerful influence on the country s bureaucratic and military elites With their notion of responsible leadership and of democracy as rational intellectual debate in pursuit of the best policy they have expected an unrealistic degree of idealism and statesmanlike behaviour from the leaders of political parties Three times in 1960 1971 and 1980 the military has intervened in politics on the third occasion to undertake wholesale constitutional and legal restructuring aimed at producing sensible politicians Given these ambiguous circumstances what role have the political parties themselves played in the promotion and functioning of democracy in Turkey and what are their attitudes to the issues involved This collection of essays discusses political parties since the foundation of the Turkish Republic in 1923 until the 1990s With contributions from leading political scientists and historians of modern Turkey it is indispensable reading for all those concerned with the country

**Political Culture in France and Germany (RLE: German Politics)** John Gaffney,Eva Kolinsky,2014-12-17 This book originally published in 1991 assesses how attitudes political orientations and social values changed during the five decades after the Second World War The case studies in the book focus on key sites in political culture in France on the extreme right the cinema the impact of media personalities and changes of political discourse in Germany on the decline of regional identities the emergence of specific issues and the concern of political parties with the effectiveness of language This interdisciplinary study provides new insights into the way French and German people see themselves

**The German Polity** Eric Langenbacher,David P. Conradt,2017-02-16 This thoroughly revised and updated edition provides a comprehensive introduction to contemporary Germany one of the world s leading economic and political powers Tracing the country s transformation since World War II the authors provide an in depth guide to Germany s institutions actors and challenges

**Political Party Research** Elmar Wiesendahl,2024-04-18 The book by the well known German party researcher Elmar Wiesendahl presents the development theoretical perspectives research approaches and fields of investigation in party research in light of the state of the art

*Social And Political Structures In West Germany* Ursula Hoffmann-lange,Peter Jelavich,Robert Rickards,Lewis J Edinger,2019-05-28 This book offers a view of West German social structure and political culture from a multidisciplinary perspective Focusing on the remarkable changes that have taken place in West Germany since World War II it provides a basis for judging what direction a united Germany is likely to take

**The West German Model** William E Paterson,Gordon R Smith,2014-04-23 First Published in 1981 The essential stability of the Federal German Republic was once more confirmed by the outcome of the 1980 election In other respects too there was little evidence that Western Germany would emulate the crisis situation affecting other West European states Yet stability is not an immobile condition and since it results from the interaction of a number of factors political social and economic no single explanation of Germany s performance is likely to be convincing Furthermore West Germany has to face several unresolved problems which although not pointing to a

fundamental crisis remind us that the concept of stability has to be approached with care. The essays in this book reflect these ideas and they explore a range of issues that are central to the understanding of contemporary German politics. The political focus is apparent in the analyses of the 1980 federal election and in the related contributions on political leadership and the questions surrounding German political culture. However, other themes also merit detailed attention: West German foreign policy and the Deutschlandpolitik as well as problems associated with university reform, the interpretation of German history and the considerations affecting both the management and the performance of the West German economy. Finally, the discussion is concluded by examining the question of whether the German democracy does have secrets that might explain the stability of the political system.

This is likewise one of the factors by obtaining the soft documents of this **Party Government And Political Culture In Western Germany** by online. You might not require more become old to spend to go to the books opening as capably as search for them. ## Party Government And Political Culture In Western Germany Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Party Government And Political Culture In Western Germany free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Party Government And Political Culture In Western Germany free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and

allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Party Government And Political Culture In Western Germany free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Party Government And Political Culture In Western Germany. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Party Government And Political Culture In Western Germany any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Party Government And Political Culture In Western Germany Books**
