

Regional Parties around the World

Canada

Ministers chosen by the prime minister and appointed by the governor general to lead various ministries and agencies, generally with regional representation. Traditionally most, if not all, cabinet ministers will be members of the leader's own party.

South Africa

The NCOP provides equal representation to South Africa's nine provinces and its approval is required for laws that affect South Africa's provinces and cultural communities. Whereas the National Assembly is elected by party proportional representation, the NCOP is elected by the legislatures of each province.

India

India has a multi-party system, where there are a number of national as well as regional parties. A regional party may gain a majority and rule a particular state. If a party is represented in more than 4 states, it would be labelled a national party. Out of the 72 years of India's independence, India has been ruled by the Congress party for 53 years as of January 2020.

Party Government And Regional Representation In Canada

Alain-G. Gagnon, A. Brian Tanguay

Party Government And Regional Representation In Canada:

Party Government and Regional Representation in Canada Peter Aucoin, 1985 **The Changing Shape of Government in the Asia-Pacific Region** John W. Langford, K. Lorne Brownsey, 1988 The seminar for which the papers in this publication were prepared was the first in a series of workshops intended to link senior public policy researchers from around the Pacific Rim in order to open up channels of communication through which researchers from Asia Pacific nations can exchange views on problems and reforms in the area of governance and public sector management Paper titles include The Changing Shape of Government in the Asia Pacific Region Korean Politics in a Period of Transition The Unfinished Political Reforms of the Hong Kong Government Demi democracy Thai Politics and Government in Transition Government and Governance in Multi Racial Malaysia Controlled Democracy Political Stability and PAP Predominance Government in Singapore Entrenched Strong Man Rule The Governmental System in Bangladesh Australian National Government 1987 Toward More Effective Government in the US and Some Issues of Governance in Canada *Rebuilding Canadian Party Politics* R. Kenneth Carty, William Cross, Lisa Young, 2012-01-01 Canadian party politics collapsed in the early 1990s This book is about that collapse about the end of a party system with a unique pattern of party organization and competition that had governed Canada's national politics for several decades and about the ongoing struggle to build its successor Rebuilding Canadian Party Politics discusses the breakdown of the old party system the emergence of the Reform Party and the Bloc Qu b cois and the fate of the Conservative and New Democratic Parties It focuses on the internal workings of parties in this new era examining the role of professionals new technologies and local activists To understand the ambiguities of our current party system the authors attended local and national party meetings nomination and leadership meetings and campaign kick off rallies They visited local campaign offices to observe the parties grassroots operations and conducted interviews with senior party officials pollsters media and advertising specialists and leader tour directors Written in a lively and accessible style this book will interest students of party politics and Canadian political history as well as general readers eager to make sense of the changes reshaping national politics today Parties, Elections, and the Future of Canadian Politics Amanda Bittner, Royce Koop, 2013-03-01 On May 2 2011 as Canadians watched the federal election results roll in and Stephen Harper's Conservatives achieve a majority it appeared that we were witnessing a major shift in the political landscape In reality Canadian politics had been changing for quite some time This volume provides the first account of the political upheavals of the past two decades and speculates on the future of the country's national party system By documenting how parties and voters responded to new challenges between 1993 and 2011 this book sheds light on one of the most tumultuous periods in Canadian political history Dynasties and Interludes Lawrence LeDuc, Jon H. Pammett, 2016-08-06 The Hill Times Best Books of 2016 An overview of the history of elections and voting in Canada including minority governments dynasties and social movements Dynasties and Interludes provides a comprehensive and unique overview of elections and voting in Canada

from Confederation to the most recent election Its principal argument is that the Canadian political landscape has consisted of long periods of hegemony of a single party and or leader dynasties punctuated by short sharp disruptions brought about by the sudden rise of new parties leaders or social movements interludes This revised and updated second edition includes an analysis of the results of the 2011 and 2015 federal elections as well as an in depth discussion of the Harper Dynasty

Political Parties and Democracy Kay Lawson, 2010-07-20 Native scholars explore the relationship between political parties and democracy in regions around the world The development of political parties over the past century is the story of three stages in the pursuit of power liberation democratization and de democratization Political Parties and Democracy is comprised of five stand alone volumes that probe the realities of political parties at all three stages In each volume contributors explore the relationship between political parties and democracy or democratization in their nations providing necessary historical socioeconomic and institutional context as well as the details of contemporary political tensions Contributors are distinguished indigenous scholars who have lived the truths they tell and are thus able to write with unique breadth depth and scope They show the parties of their respective nations as they have developed through history and changing institutional structures and they explain the balance of power among them and between them and competing agencies of power today

Canada Votes, 1935-1988 Frank B. Feigert, 1989 This work updates and enhances Howard Scarrow s *Canada Votes* 1962 with complete election data from the constituency level through the province region and nation for more than a half century of Canadian political life since the benchmark election of 1935 Frank Feigert adds a description of the circumstances of all the elections since and he gives background descriptions of the electoral systems in each province and territory The result is a compendium of data and analysis that can be found nowhere else and which will be an invaluable sourcebook for students of Canadian political behavior

Parties, Candidates, and Constituency Campaigns in Canadian Elections Anthony Sayers, 2011-11-01 Political scientists have traditionally examined the democratic process at the macro level With its unique micro level focus *Parties Candidates and Constituency Campaigns in Canadian Elections* provides the first systematic analysis of the local constituency campaigns that are the basis of elections and democracy in Canada By taking a detailed look at campaigns in seven B C ridings during the 1988 free trade election the last under the old three party system Anthony Sayers develops a typology of candidates and campaigns The dynamics of local associations nominations and campaigns including those of former prime minister Kim Campbell and New Democrat Svend Robinson as well as key strategic events and the role of the media are reconstructed from interviews with candidates campaign managers party strategists volunteers and journalists The 1993 and 1997 elections are then invoked to show that the insights drawn about the nature of constituency politics remain relevant to the new party system This important contribution to the study of Canadian elections forcefully argues that knowledge of the dynamics at the local level is essential to a full understanding of Canadian polity its underlying social basis and the factors that determine successful election

campaigns As such Parties Candidates and Constituency Campaigns in Canadian Elections will intrigue not only political scientists and students of Canadian politics but also election candidates and party strategists The Big Red Machine Stephen Clarkson,2011-11-01 The Liberal Party of Canada has governed for 78 of the last 110 years making it the most successful political party in the world How has one party been able to dominate the polls during such a tumultuous sweep of history Will it continue to win In *The Big Red Machine* astute Liberal observer Stephen Clarkson tells the story of the Liberal Party's performance in the last nine elections providing essential historical context for each and offering incisive behind the scenes detail about how the party has planned changed and executed its successful electoral strategies Arguing that the Liberal Party has opportunistically straddled the political centre since Sir John A Macdonald leaning left or moving right and as circumstances required Clarkson also shows that the party's grip on power is becoming increasingly uncertain having lost its appeal not just in the West but now in Qu bec Its campaigns now reflect the splintering of the party system and the integration of Canada into the global economy An ideal political primer deftly written and filled with a wealth of fact and analysis *The Big Red Machine* is a fascinating history of Liberal pragmatism communication tactics and dramatic changes in leadership style Even if the last century did not belong to Canada Canada turns out to have belonged to the Liberal Party Clarkson concludes Although he foresees considerably less rosy prospects for Grits in the years ahead the big red machine remains a formidable political force *Citizens and Community* Allan Kornberg,Harold D. Clarke,1992-04-24 This book addresses political legitimacy and system support in one democracy Canada *The Canadian Senate in Bicameral Perspective* David E. Smith,2017-06-22 *The Canadian Senate in Bicameral Perspective* is the first scholarly study of the Senate in over a quarter century and the first analysis of the upper house as one chamber of a bicameral legislature David E Smith's aim in this work is to demonstrate the interrelationship of the two chambers and the constraints this relationship poses for Senate reform He analyses past literature on the Senate and current proposals for reform such as a Triple E Senate and compares Canada's upper chamber with those of Australia the United States Germany and the United Kingdom noting a revival of interest in Canada and abroad in upper chambers and bicameralism Drawing on parliamentary debates and committee reports as well as a range of broad secondary sources *The Canadian Senate in Bicameral Perspective* examines the Canadian Senate within the international context shedding light on its role as a political institution and arguing for a renewed investigation into its future *Canadian Federalism* Herman Bakvis,Grace Skogstad,2020-07-09 *Canadian Federalism* is Canada's leading text on federal institutions and processes The fourth edition provides extensive updates and covers all the significant developments of the past decade including Prime Minister Stephen Harper's battles with the Supreme Court and Prime Minister Justin Trudeau's efforts at a more co operative approach to intergovernmental relations It also features two entirely new chapters one on criminal justice and criminal law the other on comparative federalism Specific topics include the Supreme Court's renewed emphasis on co operative federalism and a federal provincial balance tilted

more in favour of the provinces the Trudeau government's efforts to broker a deal between provinces over pipelines and carbon taxes as part of its commitment under the Paris Agreement the strains imposed on federal provincial relations with the influx of refugees and the changing role of Ottawa and the provinces towards cities and in accommodating Indigenous rights Examination of these key issues includes discussion of the implications of the 2019 federal election and recent provincial elections

Parties and Party Systems in Liberal Democracies Steven B Wolinetz, 2023-07-14 First published in 1988 *Parties and Party Systems in Liberal Democracies* considers the extent and ways in which Western European and North American parties and party systems changed in the 1970s and 1980s after decades of relative stability It examines changes in the nature and organisation of parties and relates this to changes in electoral behaviour and to wider social and economic change It concentrates on political parties as actors and the ways in which they maintain themselves and respond to the moves and gambits of both established and newer parties and to the increasingly numerous and vociferous single interest pressure groups One important argument put forward is that many social and economic changes have had a minimal impact because established parties have been able to adapt by redefining issues in their favour and have also been able to rely on residual support and access to patronage This engaging volume will have strong appeal for courses in political science government political behaviour and history

Democracy in Canada Donald J. Savoie, 2019-09-02 Canada's representative democracy is confronting important challenges At the top of the list is the growing inability of the national government to perform its most important roles namely mapping out collective actions that resonate in all regions as well as enforcing these measures Others include Parliament's failure to carry out important responsibilities an activist judiciary incessant calls for greater transparency the media's rapidly changing role and a federal government bureaucracy that has lost both its way and its standing Arguing that Canadians must reconsider the origins of their country in order to understand why change is difficult and why they continue to embrace regional identities *Democracy in Canada* explains how Canada's national institutions were shaped by British historical experiences and why there was little effort to bring Canadian realities into the mix As a result the scope and size of government and Canadian federalism have taken on new forms largely outside the Constitution Parliament and now even Cabinet have been pushed aside so that policy makers can design and manage the modern state This also accounts for the average citizen's belief that national institutions cater to economic elites to these institutions own members and to interest groups at citizens own expense A masterwork analysis *Democracy in Canada* investigates the forces shaping the workings of Canadian federalism and the country's national political and bureaucratic institutions

Foundations of Canadian Political Behaviour Amanda Bittner, *Canadian Parties in Transition, Fifth Edition* Alain-G Gagnon, Brian Tanguay, 2024-10-01 The fifth edition of *Canadian Parties in Transition* continues and enriches the work of earlier editions in bringing together a highly respected group of scholars to offer a comprehensive account of the development of party politics in Canada The book addresses the origin and the evolution of the Canadian party system and

discusses how that system has been impacted by regionalism brokerage politics and political marketing It focuses on the competing ideological currents that occupy the political stage while also paying attention to the role of third parties in federal politics Contributors address the representation and democracy through an exploration of voting systems direct democracy the role occupied by constituencies gender politics and the distinct Quebec dynamics in the federal party system Finally the book analyses topical issues such as electoral participation social movements right wing populist parties political campaigning and digital party politics This new edition has been thoroughly revised and updated to reflect ongoing transformations and includes nineteen new contributing authors and coverage of seven new topics

Canadian Parties in Transition presents a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy

Political Parties in Advanced Industrial Democracies Paul Webb, David Farrell, Ian Holliday, 2002-09-26

How relevant and vital are political parties in contemporary democracies Do they fulfill the functions that any stable and effective democracy might expect of them or are they little more than moribund anachronisms relics of a past age of political life now superseded by other mechanisms of linkage between state and society These are the central questions which this book aims to address through a rigorous comparative analysis of political parties operating in the world s advanced industrial democracies Drawing on the expertise of an impressive team of internationally known specialists the book engages systematically with the evidence to show that while a degree of popular cynicism towards them is often chronic though rarely acute parties have adapted and survived as organizations remodelling themselves to the needs of an era in which patterns of linkage and communication with social groups have been transformed This has enabled them to remain central to democratic systems especially in respect of the political functions of governance recruitment and albeit more problematically interest aggregation On the other hand the challenges they face in respect of interest articulation communication and participation have pushed parties into more marginal roles within Western political systems The implications of these findings for democracy depend on the observer s normative and theoretical perspectives Those who understand democracy primarily in terms of popular choice and control in public affairs will probably see parties as continuing to play a central role while those who place greater store by the more demanding criteria of optimizing interests and instilling civic orientations among citizens are far more likely to be fundamentally critical

Comparative Politics is a series for students and teachers of political science that deals with contemporary issues in comparative government and politics The General Editors are Max Kaase Vice President and Dean of Humanities and Social Sciences International University Bremen and Kenneth Newton Professor of Government at Southampton University The series is published in association with the European Consortium for Political Research

Canadian Parties in Transition, Fourth Edition Alain-G. Gagnon, A. Brian Tanguay, 2017-01-01

Canadian Parties in Transition examines the transformation of party politics in Canada and the possible shape the party system might take in the near future With chapters written by an outstanding team of political scientists the book presents a multi faceted

image of party dynamics electoral behaviour political marketing and representative democracy The fourth edition has been thoroughly updated and includes fifteen new chapters and several new contributors The new material covers topics such as the return to power of the Liberal Party voting politics in Quebec women in Canadian political parties political campaigning digital party politics and municipal party politics

The Political Party in Canada William P. Cross, Scott Pruyssers, Rob Currie-Wood, 2022-11-01 Political parties exist at the centre of democratic politics but where does power lie within them and how is it exercised The Political Party in Canada explores the inner workings of these complex organizations through an examination of the composition and roles of key party actors members and activists candidates local associations donors central officials and members of Parliament as well as the interactions between them Contemporary parties play a key role in recruiting and selecting candidates and leaders waging election campaigns and organizing legislatures Drawing on a rich trove of data from the 2015 and 2019 federal elections this book offers a comprehensive examination of the composition functions activities and power sharing relationships that characterize Canadian parties The authors focus not only on which groups are included in decision making but also on what power and authority rest with each level of the parties respective structures Basing its astute investigation on the themes of complexity representation and personalization The Political Party in Canada provides important insights into a fundamental institution that makes modern democracy possible

Canadian Parties in Transition, Third Edition Alain G. Gagnon, Brian Tanguay, 2007-05-01 Alain G Gagnon and A Brian Tanguay continue the work of earlier editions of Canadian Parties in Transition by presenting a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy with chapters written by an outstanding team of political scientists Innovative features of the third edition include an examination of party alignments and the mobilization of interests a discussion of democratic participation and a critical exploration of direct democracy through referendums and other mechanisms The comparative literature on party politics is brought in systematically to provide a better account of Canadian party politics The greater part of this volume consists of entirely new chapters others have been completely revised and updated An appendix that provides Canadian federal election results from 1925 to 2006 rounds out the book

Whispering the Techniques of Language: An Mental Quest through **Party Government And Regional Representation In Canada**

In a digitally-driven earth wherever monitors reign supreme and quick transmission drowns out the subtleties of language, the profound techniques and mental nuances concealed within words frequently go unheard. However, nestled within the pages of **Party Government And Regional Representation In Canada** a captivating fictional value pulsing with fresh thoughts, lies an exceptional journey waiting to be undertaken. Published by a skilled wordsmith, that enchanting opus invites readers on an introspective trip, lightly unraveling the veiled truths and profound impact resonating within ab muscles cloth of each word. Within the psychological depths of this poignant evaluation, we can embark upon a genuine exploration of the book is primary themes, dissect its charming writing fashion, and succumb to the effective resonance it evokes deep within the recesses of readers hearts.

Party Government And Regional Representation In Canada Introduction

In the digital age, access to information has become easier than ever before. The ability to download Party Government And Regional Representation In Canada has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Party Government And Regional Representation In Canada has opened up a world of possibilities. Downloading Party Government And Regional Representation In Canada provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Party Government And Regional Representation In Canada has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Party Government And Regional Representation In Canada. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Party Government And Regional Representation In Canada. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Party Government And Regional Representation In Canada, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Party Government And Regional Representation In Canada has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
