Party Parliament And Personality Essays Presented To Hugh Berrington

Stephen Meredith

Party Parliament And Personality Essays Presented To Hugh Berrington:

Party, Parliament and Personality Peter Jones, 2002-11-01 This is a collection of essays on political psychology commissioned to commemorate the retirement of Hugh Berrington and to celebrate his contribution to the field the authors comprise some of the best known names in Political Science in the UK including Ivor Crewe Vincent Wright David Hine and Iain McLean The central focus of the volume is British Politics but the book also contains a number of comparative chapters including David Hine's on the political psychology of corruption which focuses on Italy The book also contains theoretical chapters including Albert Weale's on the central nature of disagreement in democratic politics The bulk of the chapters are concerned with the psychology of individual political actors but there is also a chapter on the psychology of individual political theorists which focuses on Thomas Hobbes and Jean Jacques Rousseau

Party, Parliament and Personality

Peter Jones, 2002-11 A collection of essays on political psychology from some of the best known names in political science in the UK including Ivor Crewe Vincent Wright Rod Hague David Hine and Iain McLean

Conscience and Parliament Philip Cowley, 2012-10-12 Considering how the British policy process deals with conscience issues this book covers eight topics discussed by Parliament in the last quarter of a century abortion censorship divorce Sunday trading homosexuality war crimes disability rights and animal welfare

Labours old and new Stephen Meredith, 2013-07-19 This study is concerned with the Old Labour right at a critical juncture of social democratic and Labour politics It attempts to understand the complex transition from so called Old Right to New Right or New Labour and locates at least some of the roots of the latter in the complexity tensions and fragmentation of the former during the lean years of social democracy in the 1970s The analysis addresses both the short and long term implications of the emerging ideological organisational and political complexity and divisions of the parliamentary Labour right and Labour revisionism previously concealed within the loosely adhesive post war framework of Keynesian reformist social democracy It establishes the extent to which New Labour is a legatee of at least some elements of the disparate and discordant Labour right and tensions of social democratic revisionism in the 1970s In so doing it advances our understanding of a key moment in the development of social democracy and the making of the contemporary British Labour Party

The Battle for British Entry into the European Community, 1971-72

Geoff Horn, 2025-08-30 This book offers a new perspective on the parliamentary battle for British entry into the European Community EC the forerunner of the EU It provides a historical case study of how the whipping operation overseen by the Chief Whip Francis Pym played a critical role in securing EC entry in 1971-72 More specifically it explores how the Conservative Government's Whips Office managed dissent through the concept of loyal dissent a party management approach characterised by tolerance and respect for dissenting views It addresses key themes that remain relevant in British politics today how does a whipping operation resolve the tension between toleration of dissent the imperatives of party loyalty and the overriding objective of consistently securing government majorities in the division lobbies What subtle or

indirect methods of party management can be employed to minimise or nullify dissent without recourse to punitive sanctions. In respect for individual conscience the best means of avoiding damaging party splits on controversial and divisive issues. This book highlights the role of the whips during the parliamentary battle for entry into Europe but it also places a spotlight on Britain's adversarial politics. Whipping is symptomatic of a culture that emphasises party loyalty and discipline but appears ill suited to issues of fundamental constitutional principle or individual conscience that go above and beyond normal party politics. It can be argued that Britain's relationship with Europe belonged in this category. Pym's whipping operation was critical in securing parliamentary approval for Britain's entry into Europe but this success relied on a subtle and skilful circumvention even subversion of the rigidities of an adversarial whipping system. **Sacred Cows and Common Sense**

Tim Bale, 1999. Using Labour's postwar welfare policy it shows that we need to break down distinctions between the symbolic and the substantial in politics that cultural theory has potential as a way of understanding party political culture and that welfare policy has played a crucial but self-defeating role in Labour's efforts to manage itself, win hearts and minds and govern competently. It concludes by arguing that New Labour's attempts to rethink welfare is largely rhetorical if one recalls what Labour did in office rather than promised in opposition. Rather than a serious attempt to confront social realities the rethink represents a continuation of past practice and a way of signalling the government's soundness to the market. The British political elite and Europe, 1959-1984 Bob Nicholls, 2019-01-06. This book offers an original interpretation of Britain's relationship with Europe over a 25 year period 1959-84 and advances the argument that the current problems over EU membership resulted from much earlier political machinations. This evidence-based account of the seminal period analyses the applications for EEC membership, the 1975 referendum and the role of the press. Was the British public misled over the true aims of the European project? How significant was the role of the press in changing public opinion from anti to pro Common Market membership? Why after over 40 years since Britain became a member of the European community does the issue continue to deeply divide not only the political elite but also the British public? These and other pertinent questions are answered in this timely book on a subject that remains topical and highly controversial. Democratic Politics and Party Competition Judith Bara, Albert Weale, 2006-09-27. This new book introduces innovative research on democracy from the leading Comparative Manifestos Project (CMP). It details the key achievements of the project to date, illustrates how its findings may be applied, lays out the future challenges it faces and examines how the field as a whole can advance. It also presents a special assessment of the dimensionality of party competition, presenting ways in which research can be extended and related to broader approaches in Political Science and Theory. Although CMP research is widely used and constitutes the major comparative data set on party positions and ideological location it is also subject to challenge. The volume therefore provides the reader with a clear sense of the key debates and questions surrounding its work. This volume also honours the life-time achievement of Professor Ian Budge who has provided distinguished intellectual leadership for the CMP over the last twenty

five years This is an essential point of reference for all comparative research on the functioning of democracies This book will be of great interest to all students and scholars of politics and of democracy in particular Michael Foot and the Labour Leadership Andrew Scott Crines,2011-07-12 Michael Foot's political career can simplistically be characterised by cataclysmic failures within the period between 1979 and 1983 culminating in Labour's substantial electoral defeat Developments within political discourse have since sought to perpetuate this characterisation by utilising the defeat as a justification for the subsequent modernisations However this analysis does not entirely appreciate the significance of Foot's leadership This book argues that far from being a disaster Foot's leadership in fact contributed to the survival of the Labour Party Foot's political education political evolution and experiences between him joining the Party in 1935 and the end of his ministerial career in 1979 enabled him to emerge as the unity candidate in opposition to the divisive potential of a Denis Healey or Tony Benn leadership Foot's support base included moderate social democrats and moderate left wing MP's as well as centrists who opposed radicals from both sides This subverts the orthodox assumption of Foot's election being indicative of a sudden and simplistic left wing domination after 1979 This book will be of particular interest to those seeking to develop their knowledge of Michael Foot the Labour Party and their ideological diversity Principles and Politics in Contemporary Britain Mark Garnett,2013-10-28 This book shows the importance of political ideas in policy making and demonstrates the extent to which pragmatic considerations preclude the imposition of rigid ideological programmes It charts the decline of the postwar British consensus the changing face of both the Conservative and Labour parties under the long shadow of Thatcherism and the growing emergence of single issue policies such as environmentalism and feminism With an extensive bibliography and suggested seminar and essay topics Principles and Politics can be used on any course which focuses on contemporary British politics as well as having general appeal to those interested in looking at the contemporary political and ideological debate in the context of wider issues and trends This second edition is completely revised and updated Parliament's Secret War Veronika Fikfak,Haley J Hooper,2018-02-22 The invasion of Iraq in 2003 and the Coalition Government's failure to win parliamentary approval for armed intervention in Syria in 2013 mark a period of increased scrutiny of the process by which the UK engages in armed conflict For much of the media and civil society there now exists a constitutional convention which mandates that the Government consults Parliament before commencing hostilities This is celebrated as representing a redistribution of power from the executive towards a more legitimate democratic institution This book offers a critical inquiry into Parliament's role in the war prerogative since the beginning of the twentieth century evaluating whether the UK's decisions to engage in conflict meet the recognised standards of good governance accountability transparency and participation The analysis reveals a number of persistent problems in the decision making process including Parliament's lack of access to relevant information government legalisation of parliamentary debates which frustrates broader discussions of political legitimacy and the skewing of debates via the partial public disclosure of information based upon secret

intelligence The book offers solutions to these problems to reinvigorate parliamentary discourse and to address government withholding of classified information It is essential reading for anyone interested in war powers the relationship between international law and domestic politics and the role of the Westminster Parliament in questions of national security

Encyclopedia of Contemporary Italian Culture Gino Moliterno, 2023-06-14 This rigorously compiled A Z volume offers rich readable coverage of the diverse forms of post 1945 Italian culture With over 900 entries by international contributors this volume is genuinely interdisciplinary in character treating traditional political economic and legal concerns with a particular emphasis on neglected areas of popular culture Entries range from short definitions histories or biographies to longer overviews covering themes movements institutions and personalities from advertising to fascism and Pirelli to Zeffirelli The Encyclopedia aims to inform and inspire both teachers and students in the following fields Italian language and literature Arts Humanities and Social Sciences European Studies Media and Cultural Studies Business and Management Art and Design It is extensively cross referenced has a thematic contents list and suggestions for further reading

Governing from the Centre Jack Ernest Shalom Hayward, Vincent Wright, 2002 Two leading authors challenge the assumption that France has a well coordinated government The constitutional political and policy frameworks of coordination are critically assessed in relation to the central actors and spending ministries as well as the formal and informal mechanisms of coordination Four case studies are examined the European Union budget privatization and immigration policy processes The book concludes with forthright findings on a fragment executive struggling to steer a disparate and partially paralyzed institutional structure The research findings offer precise cautionary recommendations to policy makers against the dangers of overconfident recourse to joined up government The findings are relevant not merely to France but generally to Western states more generally

The Value and Limits of Rights Ian O'Flynn, Albert Weale FBA, 2016-04-29 Rights are part of our everyday moral and political vocabulary Yet while few would deny that rights are important there is a great deal of disagreement about just how valuable rights are and what their proper limits ought to be For example some scholars and practitioners maintain that human rights are valuable because they lay down a framework of protection while at the same time leaving people ample room to lead their lives as they see fit They are not just another way of life but instead set the boundaries to what government can or cannot do Others however hold that while important rights are not neutral between different ways of life and hence cannot tell us what to do when different ways of life conflict This collection breaks new ground by tackling such questions head on The issues it covers are some of the most vital that we face today Their relevance to contemporary social and political debates cannot be overstated The collection should appeal to political philosophers lawyers human rights activists and advanced undergraduate and graduate students in the arts humanities and social sciences This book was published as a special issue of *Critical Review of International Social and Political Philosophy*

The Politics of Party Policy A. Gauja, 2015-12-11 Examining the complexities and tensions in relations between party members and

parliamentarians through an in depth analysis of the processes that shape the development of party policy in the UK
 Australia and New Zealand this book Presents new evidence on the challenges facing parties in encouraging citizen
 participation in policy development **European Journal of Political Research** ,2002 *Current Research in Britain*
 ,1998 **American Book Publishing Record** ,1996 *Political Science Abstracts* ,2013-03-07 The 1996 Supplement of
 Political Science Abstracts contains 10 000 carefully prepared abstracts of materials from public affairs magazines major
 newspapers professional journals and books devoted to politics and political analysis The organization of the proceeding
 volumes has been retained intact as has the recently added list of subdisciplinary descriptors Users of earlier volumes will be

Party Parliament And Personality Essays Presented To Hugh Berrington Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Party Parliament And Personality Essays Presented To Hugh Berrington PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Party Parliament And Personality Essays Presented To Hugh Berrington PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Party Parliament And Personality Essays Presented To Hugh Berrington free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Party Parliament And Personality Essays Presented To Hugh Berrington Books

1. Where can I buy Party Parliament And Personality Essays Presented To Hugh Berrington books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
