

Party Politics In Germany

Simon Green, Ed Turner

Party Politics In Germany:

Party Politics in Germany C. Lees, 2005-09-20 *Party Politics in Germany* is the only English language study of its kind and examines the phenomenon of party politics in the Federal Republic through comparison across time and space. It draws upon new data from the 2002 Federal elections and recent Land elections as well as on a far more explicitly comparative literature than is generally found in single country studies. The book not only sheds new light on political phenomena in Germany but also allows students of the comparative method to apply some of the key concepts, models and approaches with which they are familiar to the rich context of a single country study. *Party Politics in the New Germany* Geoffrey Roberts, 1997-01-01

A comprehensive, accessible and authoritative account of the party systems of modern Germany. This book covers the period from 1945 to the present. Parties And Politics In Modern Germany Gerard Braunthal, 2019-06-18 This comprehensive text

provides a detailed overview of the party system and politics of one of the most powerful states in the international arena.

Noted scholar Gerard Braunthal surveys the parties in the Federal Republic of Germany and in the German Democratic Republic after World War II and in united Germany since 1990. By illustrating the cent

Reunification in West German Party Politics From Westbindung to Ostpolitik Joost Kleuters, 2012-09-10

Combining new thinking in International Relations theory with original historical research, Kleuters explores the struggle between Christian Democrats and Social Democrats on the subject of German reunification from Westbindung to Ostpolitik. The result is a gripping narrative focussing on theoretical relevance in foreign policy decisions making. **German politics today** Geoffrey Roberts, 2013-01-18

This revised and updated edition provides the reader with a comprehensive description and analysis of the institutions of the German political system. The historical development of German politics is surveyed and special attention is given to the causes, course and consequences of German reunification. Where more detailed explanations of special topics are required, such as surplus seats in the electoral system or the political career of Chancellor Merkel, these are provided in boxes set within the relevant chapters. Some information is provided in tabular form, such as the list of federal chancellors and federal presidents, the membership of trade unions or election results. Appendices contain examples of important constitutional court cases plus a survey of the political features of the sixteen Länder which make up the federal structure of the state. Each chapter offers suggestions for further reading. Accessibly written with suggestions for further reading, this book offers a sound basis for all undergraduate courses focused on or including study of the German political system. The author's familiarity with all aspects of the German political system is evident from the authority with which he explains the structures and processes which form the basis of German politics. **Party Government and Political Culture in Western**

Germany H. Döring, G. Smith, 1982-03-04 **The Left Party in Contemporary German Politics** Dan Hough, M.

Koß, Jonathan Olsen, 2007-09-12 This is the first book in either English or German to analyse the development of Germany's newest political party, the Left Party. It compares and contrasts the party's development with that of Germany's most well

known outsider party the Greens It also analyses the party's performance in office in two eastern German Länder

Continuity and Change in German Politics Stephen Padgett, Thomas Poguntke, 2002 Over three decades Gordon Smith has written authoritatively and with style on almost every aspect of German politics In this volume leading UK and German scholars use themes from his work in an examination of the evolution of German policy in the face of socio-economic change globalisation European integration and the domestic upheaval of unification Territorial Party Politics in Western Europe W. Swenden, B. Maddens, 2015-12-04 This book looks at the organization and strategy of state-wide parties from across some of the most important multi-layered countries in Western Europe The volume provides the first systematic attempt to study the strategy of state-wide parties on the basis of the comparative literature on issue voting

Europeanisation and Party Politics Erol Kūlahci, 2012-05-01 A sophisticated theoretical framework and up-to-date analysis of the Europeanisation of domestic party systems and political parties' policy stances This book covers a range of contemporary topics party systems policy stances of political parties opposition co-operation over European integration cleavage theory of party response to European integration domestic depoliticisation and EU representation It presents a sophisticated political analysis of Europe and an exceptional amount of factual information about European countries and parties The Politics of Party Policy A. Gauja, 2015-12-11 Examining the complexities and tensions in relations between party members and parliamentarians through an in-depth analysis of the processes that shape the development of party policy in the UK Australia and New Zealand this book Presents new evidence on the challenges facing parties in encouraging citizen participation in policy development Transformation of the German Political Party System Christopher S. Allen, 2001-04-01 Using German political parties as a prism with which to view institutional change this collection transcends a single country focus and places the German experience in a comparative and historical framework Evaluation the performance of the German parties and party system in dealing with problems of integration and legitimation common to all industrialized democracies it presents a sharp analysis of the effects and incompleteness of German unification

Understanding the Transformation of Germany's CDU Simon Green, Ed Turner, 2016-02-05 This book analyses the Christian Democratic Union of Germany CDU one of Europe's most successful and influential political parties The CDU might have been expected to struggle in the circumstances of a more diverse secular reunified Germany yet it has prospered to an extent almost unparalleled in western Europe Chapters consider the CDU's policies the factors driving them their variation across Germany the relationship to women and the welfare state its organisational development and change and its position within the party system Contributors particularly emphasise the diversity of the CDU and the way it varies across Germany's regions The CDU is compared to other Christian Democratic parties and special consideration is given to the CDU's Bavarian sister party the Christian Social Union CSU This book was published as a special issue of German Politics Understanding British Party Politics Stephen Driver, 2011-05-16 This is an excellent text which charts a safe path for students through the

minefield that is contemporary British party politics in a wonderfully efficient yet engaging way Colin Hay University Of Sheffield

Intra-Party Politics and Coalition Governments Daniela Giannetti, Kenneth Benoit, 2008-10-27 This book explores how intra party politics affects government formation and termination in parliamentary systems where the norm is the formation of coalition governments The authors look beyond party cohesion and discipline in parliamentary democracies to take a broader view assuming a diversity of preferences among party members and then exploring the incentives that give rise to coordinated party behaviour at the electoral legislative and executive levels The chapters in this book share a common analytical framework confronting theoretical models of government formation with empirical data some drawn from cross national analyses and others from theoretically structured case studies A distinctive feature of the book is that it explores the impact of intra party politics at different levels of government national local and EU This offers the opportunity to investigate existing theories of coalition formation in new political settings Finally the book offers a range of innovative methods for investigating intra party politics which for example creates a need to estimate the policy positions of individual politicians inside political parties This book will be of interest to political scientists especially scholars involved in research on political parties parliamentary systems coalition formation and legislative behaviour multilevel governance European and EU politics

The Party Politics of Territorial Reforms in Europe Emanuele Massetti, Simon Toubeau, 2015-09-07 The book analyses how political parties compete and strategise on the issue of territorial reform using case studies that include countries from both Western Belgium Germany Italy and Spain and Central Eastern Europe Poland Slovakia and Romania Each case study in the volume considers the different drivers of decentralization such as territorial identities and the demands of regionalist parties for territorial autonomy or independence efficiency concerns related to issues of uneven economic development and economic competitiveness the pressure from supra national organizations especially the EU as well as different combinations of these drivers They also consider how the ideology and organisation of state wide parties and the institutional context in which they compete shape their responses to these drivers and their strategy towards the question of territorial reform This collection investigates the logic of the actions that guide political parties strategy to highlights trends that are apparent across the case studies This book was originally published as a special issue of West European Politics

The 2021

German Federal Election Ross Campbell, Louise K. Davidson-Schmich, 2023-12-14 The German Federal Election of 2021 was one of the most open and competitive in the post war era This book provides a systematic analysis of its domestic and international context the shifting balance of the political parties the election strategies and campaign themes along with the challenges of government formation An international array of scholars from Europe North America and Australasia have contributed specially commissioned chapters on their principal areas of research The discussion of individual topics is combined with sufficient background information so as to be accessible to readers who may not have detailed knowledge of German politics In addition by including links to multimedia election related content we enhance the value of this volume and

make it an indispensable reference tool

Shifting Paradigms in Contemporary German Politics and Policy Eric

Langenbacher, 2024-06-01 Germany has undergone more change in the past two years than it has experienced in decades In the fall of 2021 the Social Democratic Party unexpectedly surged to first place in the Bundestag elections going on to lead a coalition of SPD Greens and Free Democrats that promised to dare more progress domestically Then just two months after the new government was installed Russia invaded Ukraine The contributions in this volume investigate the altered state of German politics and predict the trajectory of Europe's leading power in the transformed geopolitical environment

Promoting Party Politics in Emerging Democracies Peter Burnell, Andre W. M. Gerrits, 2013-09-13 This book offers a critical and comparative examination of international support to political parties and party systems in emerging and prospective new democracies in several world regions It combines the insights of a strong international grouping of leading academics and pioneering doctoral studies and draws on extensive new field work inquiries The wide ranging coverage pools evidence from countries in Europe and Eurasia Africa East Asia and Central America The book shows how far international support still has to go if it is to achieve its aims of helping party politics make a constructive contribution to furthering democracy It advances our understanding both of the role the political parties are playing in the different polities and the sometimes negative impact of democracy promotion actors from outside By contributing original theoretical perspectives and empirical findings the book points the way forward to agendas for future research and new courses of action It will be of interest to academics and the policy making and practitioner communities alike This book was published as a special issue of Democratizations

Handbook of Party Politics Richard S Katz, William J Crotty, 2006-01-05 This thoughtful and wide ranging review of parties and party research contains contributions from many of the foremost party scholars and is a must for all library shelves Richard Luther Keele University The study of political parties has never been livelier and this genuinely international Handbook theoretically rich comparatively informed and focused on important questions defines the field This volume is both an indispensable summary of what we know and the starting point for future research R K Carty University of British Columbia Political parties are ubiquitous but their forms and functions vary greatly from regime to regime from continent to continent and from era to era The Handbook of Party Politics captures this variation and richness in impressive ways The editors have assembled an excellent team and the scope of the volume is vast and intriguing Kaare Strom University of California San Diego Political parties are indispensable to democracy and a central subject of research and study in political science around the world This major new handbook is the first to comprehensively map the state of the art in contemporary party politics scholarship The Handbook is designed to provide an invaluable survey of the major theories and approaches in this dynamic area of study and research give students and researchers a concise road map to the core literatures in all the sub fields of party related theorizing and research identify the theories approaches and topics that define the current cutting edge of the field The Handbook is comparative in overall approach but also addresses some topics to be

addressed in nationally or regionally specific ways The resulting collaboration has brought together the world s leading party theorists to provide an unrivalled resource on the role of parties in the pressing contemporary problems of institutional design and democratic governance today

Party Politics In Germany Introduction

In the digital age, access to information has become easier than ever before. The ability to download Party Politics In Germany has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Party Politics In Germany has opened up a world of possibilities. Downloading Party Politics In Germany provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Party Politics In Germany has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Party Politics In Germany. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Party Politics In Germany. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Party Politics In Germany, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Party Politics In Germany has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Party Politics In Germany Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Party Politics In Germany is one of the best book in our library for free trial. We provide copy of Party Politics In Germany in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Party Politics In Germany. Where to download Party Politics In Germany online for free? Are you looking for Party Politics In Germany PDF? This is definitely going to save you time and cash in something you should think about.
