Party Rivalry And Political Change In Taisho Japan:

Party Rivalry and Political Change in Taishō Japan Peter Duus, 1992 **Party Rivalry and Political Change in Taisho Japan** Peter Duus, 1980 *Party Rivalry and Political Change in Taishō Japan*, 1968 Party Rivalry and Political Change in Taisho Japan Peter Duus, *The Japanese Party System* Ronald J Hrebienar, 2019-07-09 This is a nuts and bolts textbook in the best sense of the term It is bound to be a great boon both to teachers and students of contemporary Japanese politics from the Foreword by Haruhiro Fukui This timely volume is the first book in nearly twenty five years to focus on the party system of Japan In the past two decades the Japanese political scene has undergone a dramatic transformation What had been a two party system proliferated during the 1960s and 1970s into a seven party system This book provides a comprehensive look at all of Japan s current major and minor national level parties For the first time in English detailed analyses are presented on the Democratic Socialists the Clean Government party K meit and the New Liberal Club Thorough coverage is provided for parties in the 1955 System the ruling Liberal Democratic party and the two long term opposition parties the Socialists and the Communists Many of the new miniparties that have appeared in recent elections are also discussed Japanese Political Parties gives readers a solid understanding of party histories leadership and internal organization as well as a look at prospects for the future The party discussions are preceded by three chapters on the laws and political forces affecting Japanese politics Chapter 1 describes the basic characteristics of the Japanese party system since 1945 and provides an overview of Japanese voting behavior and political values Chapter 2 describes the rules of the game the electoral laws and discusses the ongoing political problem of malapportionment Chapter 3 interprets data on political finance in contemporary Japan Along with a wealth of information and interpretation the authors offer insight into the common patterns Japan shares with democracies around the world placing the Japanese system within the larger context of world party systems Designed for courses on Japanese politics this text should also prove useful to students of comparative politics and political parties **Routledge Library Editions: Business and Economics in Asia** Various, 2021-07-14 This set examines a vast range of topics covering all experiences of business and economics from across Asia Dealing with early banking systems in China the industrialisation of Korea and Taiwan the evolution of Japanese business practices economic development protectionist policies industrial investment trade tourism and a host of other topics the books collected here form a vital reference resource across a wide subject area *Japan Encyclopedia* Louis-Frédéric, 2002 Knowing Japan and the Japanese better Louis Fr d ric states in the introduction to this encyclopedia is one of the necessities of modern life The Japanese have a profound knowledge of every aspect and detail of Western societies Unfortunately we in the West cannot say the same about our knowledge of Japan We tend to see Japan through a veil of exoticism as a land of ancient customs and exquisite arts or we view it as a powerful contributor to the global economy the source of cutting edge electronics and innovative management techniques To go beyond these clich s we must begin to see how apparently contradictory aspects of

modern Japanese culture spring from the country's evolution through more than two millennia of history. This richly detailed yet concise encyclopedia is a guide to the full range of Japanese history and civilization from the dawn of its prehistory to today, providing clear and accessible information on society and institutions, commerce and industry, sciences, sports, and politics, with particular emphasis on religion, material culture, and the arts. The volume is enhanced by maps and illustrations along with a detailed chronology of more than 2,000 years of Japanese history and a comprehensive bibliography. Cross references and an index help the reader trace themes from one article to the next. Japan Encyclopedia will be an indispensable one-volume reference for students, scholars, travelers, journalists, and anyone who wishes to learn more about the past and present of this great world civilization.

Business-Government Relations in Prewar Japan Peter von Staden, 2007-08-07 For the business and government relationship in Japan, the pre-war period was an era of considerable change. Framed by Japan's nation-building efforts, the relationship adapted and evolved with the often fluid economic and political circumstances. As both business and government had vested interests in the direction and success of Japan's industrialization process, on one level they became partners. At the same time, though, they were both stakeholders in the fiercely competitive iron and steel industry. This book explores how that partner-competitor relationship worked during the amalgamation of this strategic industry from 1916 to 1934, demonstrating how both parties engaged in meaningful negotiation through the open forum of the Shingikai or Councils of Deliberation throughout the pre-war period. Drawing upon the original minutes of the debates, it shows the ways in which the participants defended their vested interests and sought to forge agreement, taking the forum seriously as a means of influencing outcomes and not simply as a mere exercise of artifice deployed to shroud the real locus of decision-making. **Business-Government Relations in Prewar Japan** is an important contribution to the literature on the relationship between government and business in pre-war Japan.

Historical Dictionary of Japan to 1945 Kenneth Henshall, 2013-11-07 The Historical Dictionary of Japan to 1945 spans the entire period from the earliest evidence of human habitation in Japan through to the end of the Pacific War. It includes substantial topics such as cultural and literary history, with entries ranging from aesthetics to various genres of writing. Other branches of history also feature, such as economic history, industrial history, political history, and so forth. And, of course, there are the makers of Japanese history, ranging from emperors and shoguns to politicians and extremists, as well as foreign arrivals. The early history of Japan is told through a detailed chronology, an introductory essay, appendixes, an extensive bibliography, and over 800 cross-referenced dictionary entries on important people, organizations, activities, and events. The Historical Dictionary of Japan to 1945 will appeal to both academics and the general public who have an interest in Japan, particularly those who want reliable information quickly and easily.

The Japanese Empire S. C. M. Paine, 2017-03-06 An accessible analytical survey of the rise and fall of Imperial Japan in the context of its grand strategy to transform itself into a great power.

A History of Japan Conrad Totman, 2014-09-11 This is an updated edition of Conrad Totman's authoritative

history of Japan from c 8000 BC to the present day The first edition was widely praised for combining sophistication and accessibility Covers a wide range of subjects including geology climate agriculture government and politics culture literature media foreign relations imperialism and industrialism Updated to include an epilogue on Japan today and tomorrow Now includes more on women in history and more on international relations Bibliographical listings have been updated and enlarged Part of The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production

The Making of Urban Japan André Sorensen, 2004 This is the first book to comprehensively examine the phenomenon of Japanese city planning Japan is one of the world's most urbanized countries with its own traditions of urban management that are remarkably little known in the rest of the world

The Politics Of East Asia John E. Endicott, William R. Heaton, 2019-07-16 This is the first undergraduate text on the politics of East Asia to be published since 1970 Looking at both domestic and international politics the authors discuss the political systems of China Japan and Korea within the context of environmental factors culture society the economy geography language historical and political traditions etc The People's Republic of China is presented as a country with strong traditions committed to rapid development under frequently changing ideological auspices Its two governmental apparatuses the party and the bureaucracy sometimes act in unison sometimes are locked in fierce struggles and often are motivated by differing ideologies and administrative dynamics Japan is seen as a mature society and a developed economy with functioning democratic institutions and a strong party system but like the PRC subject to powerful traditions and influenced by radical ideologies Both North and South Korea are discussed with a comparison and contrast of the authoritarian democratic system in the South where a basically democratic parliament finds itself in conflict with a quasi dictatorial regime and an all powerful president The book is completely up to date The section on China takes into account the major developments of the post Mao period including the accession of Hua Kuo feng and the struggle against the Shanghai faction The discussion of Japanese politics covers the 1976 elections and the creation of the Shin Jiyu club in the developing thrust away from factional politics to an issue oriented electorate

Routledge Handbook of Democratization in East Asia Tun-jen Cheng, Yun-han Chu, 2017-09-01 This handbook provides a comprehensive analysis of the dynamics and prospects of democratization in East Asia A team of leading experts in the field offers discussion at both the country and regional level including analysis of democratic attitudes and movements in China Japan South Korea and

Taiwan Evaluating all the key components of regime evolution from citizen politics to democratic institutions the sections covered include Regional Trends and Country Overviews Institutions Elections and Political Parties Democratic Citizenship Democratic Governance The Political Economy of Democratization Examining the challenges that East Asian emerging democracies still face today as well as the prospects of the region s authoritarian regimes the Routledge Handbook of Democratization in East Asia will be useful for students and scholars of East Asian Politics Comparative Politics and Asian Studies

Japan's Total Empire Louise Young,1998-01-01 In this first social and cultural history of Japan s construction of Manchuria Louise Young offers an incisive examination of the nature of Japanese imperialism Focusing on the domestic impact of Japan s activities in Northeast China between 1931 and 1945 Young considers metropolitan effects of empire building how people at home imagined and experienced the empire they called Manchukuo Contrary to the conventional assumption that a few army officers and bureaucrats were responsible for Japan s overseas expansion Young finds that a variety of organizations helped to mobilize popular support for Manchukuo the mass media the academy chambers of commerce women s organizations youth groups and agricultural cooperatives leading to broad based support among diverse groups of Japanese As the empire was being built in China Young shows an imagined Manchukuo was emerging at home constructed of visions of a defensive lifeline a developing economy and a settler s paradise

From Versailles to Pearl Harbor Margaret Lamb,Nicholas Tarling,2017-03-14 In 1941 the European war became a world war This book tackles that process in its economic political and ideological dimensions Margaret Lamb and Nicholas Tarling explore the significance of the Asian factor and the importance of East Asia in the making of the war in Europe and the transformation of the European war of 1939 into the world war of 1941 This Asian factor has often been neglected but the policies of all the major powers were affected by their world wide interests France had its possessions in North Africa and Asia Nazi Germany chose to become involved in China and to make an agreement with Japan Britain s action in Europe and the Mediterranean were conditioned by its commitments elsewhere in the world and the United States and the Soviet Union were both involved in Europe and Asia In particular the threat that Japan presented to the status quo in East Asia made it difficult for the war in Europe in turn affected the position in East Asia The US built a two ocean navy and encouraged the British to continue their struggle by keeping the resources of South East Asia available and these steps led to a clash with the Japanese Lamb and Tarling s global approach throws valuable new light on the origins of the Second World War

The Routledge Handbook of Japanese Politics Alisa Gaunder,2011-02-25 The Routledge Handbook of Japanese Politics is an advanced level reference guide which surveys the current state of Japanese politics featuring both traditional topics and cutting edge research The volume is divided into five sections covering domestic politics civil society social policy political economy and international relations security The first four sections begin with an overview chapter that provides historical background information on the section s overarching topic The chapters that follow explore more specific topics in the sub area In the final section

historical background information is contained in the individual chapters which cover the diverse areas of international political economy security and foreign policy Offering a complete overview of the full spectrum of Japanese politics the Handbook is an invaluable resource for academics researchers policy analysts graduate and undergraduate students studying this ever evolving field

Japan Edwin O. Reischauer, 2020-01-29 In this major revision of his classic history of Japan from the tribally divided state under the leadership of Yamato in the fifth century through centuries of dynastic rule to the death of Emperor Hirohito in 1989 the eminent Harvard historian and former U S Ambassador to Japan Edwin O Reischauer incorporates nearly a decade s worth of new scholarship His book is divided into three parts the first part examines traditional Japan from the early Chinese influences to the flowering of a native culture and the establishment of a feudal system and society the second looks at Japan in transition from the beginnings of the modern state to the rise of militarism and the advent of World War II the third section extensively rewritten to reflect Japan s drastically changed role in world affairs since 1984 deals with postwar Japan from the American Occupation and years of political division and instability to Japan s gradual metamorphosis into an economic giant The Nakosone and Takeshita years are discussed at length and the transformation of Japan s economy hinged upon surging exports to the West is analyzed Clear concise and enormously informative Reischauer s Japan The Story of a Nation encompasses political social economic and cultural history in a superbly readable narrative

Postwar Japan as History Andrew Gordon, 1993-10-20 As they examine three related themes of postwar history the authors describe an ongoing historical process marked by unexpected changes such as Japan s extraordinary economic growth and unanticipated continuities such as the endurance of conservative rule From publisher s description

The New Continentalism Kent E. Calder, 2012-04-24 In this groundbreaking book Kent E Calder argues that a new transnational configuration is emerging in Asia driven by economic growth rising energy demand and the erosion of longstanding geopolitical divisions What Calder calls the New Silk Road with a strengthening multi faceted relationship between East Asia and the Middle East at its core could eventually emerge as one of the world s most important multilateral configurations Straddling the border between comparative politics and international relations theory this important book will stimulate debate and discussion in both fields

Party Rivalry And Political Change In Taisho Japan Introduction

In today's digital age, the availability of Party Rivalry And Political Change In Taisho Japan books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Party Rivalry And Political Change In Taisho Japan books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Party Rivalry And Political Change In Taisho Japan books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Party Rivalry And Political Change In Taisho Japan versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Party Rivalry And Political Change In Taisho Japan books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Party Rivalry And Political Change In Taisho Japan books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Party Rivalry And Political Change In Taisho Japan books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Party Rivalry And Political Change In Taisho Japan books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Party Rivalry And Political Change In Taisho Japan books and manuals for download and embark on your journey of knowledge?
