Pascal Selections The Great Philosophers:

The Meaning of Life and the Great Philosophers Stephen Leach, James Tartaglia, 2018-05-11 The Meaning of Life and the Great Philosophers reveals how great philosophers of the past sought to answer the question of the meaning of life This edited collection includes thirty five chapters which each focus on a major philosophical figure from Confucius to Rorty and that imaginatively engage with the topic from their perspective This volume also contains a Postscript on the historical origins and original significance of the phrase the meaning of life Written by leading experts in the field such as A C Grayling Thaddeus Metz and John Cottingham this unique and engaging book explores the relevance of the history of philosophy to contemporary debates It will prove essential reading for students and scholars studying the history of philosophy philosophy of religion ethics metaphysics or comparative philosophy

The Best of Pascal Blaise Pascal, 2017-03-25 Blaise Pascal 1623 1662 was a French mathematician physicist and religious philosopher who laid the foundation for the modern theory of probabilities Starting in 1657 Pascal began to write notes that would be posthumously organized and published as the Pensées Thoughts In this his most famous work Pascal often writes with great philosophical profundity about his position on faith the human condition the meaning of life the way to happiness and other philosophical and theological questions The most often cited portion of the collection is Pascal's famed Wager in which he states that it is more advantageous for religious skeptics to embrace a belief in God as they ultimately have more to lose if the existence of God in particular the Christian God is revealed after death In this book are collected the most profound and thought provoking passages from the Pensées along with occasional explanation and commentary by Darrell Wright

Abiding Faith Scott Cowdell, 2014-06-26 Australian theologian Scott Cowdell explores how having faith has changed under the influence of modernity and post modernity in the West Following the understanding of faith typical of Saint Paul the Fathers and the medieval monastic theologians faith is returned from pious sentimentality and arid philosophy of religion to the realm of participating knowing paradigmatic imagination and personal transformation where it belongs as a form of life shaped by encounter with Jesus Christ and worked out through the Eucharistic community
