the individual and society Contains more than 240 articles written by domain experts in the field Written in an accessible style using terms that an educated layperson can understand Of interest to public as well as research libraries with coverage of many important topics including marital health divorce couples therapy fathers child custody day care and day care providers extended families and family therapy *In Her Own Time* Jeanne Stevenson Moessner,2000-05-17 Challenging much in contemporary developmental theory this book sheds new light on developmental themes passages and issues in the lives of women from the perspective of pastoral care In Her Own Time provides a much needed framework for the pastoral care of women **Broken Dreams** Mark Jackson,2021-06-10 The midlife crisis has become a cliché in modern society Since the mid twentieth century the term has been used to explain infidelity in middle aged men disillusionment with personal achievements the pain and sadness associated with separation and divorce and the fear of approaching death This book provides a meticulously researched account of the social and cultural conditions in which middle aged men and women began to reevaluate their hopes and dreams reassess their relationships and seek new forms of identity and fresh pathways to self satisfaction Drawing on a rich seam of literary medical media and cinematic sources as well as personal accounts Broken Dreams explores how the crises of middle aged men and women were shaped by increased life expectancy changing family structures shifting patterns of work and the rise of individualism **Coming for to Carry Me Home** , Health Education for Women Vivian M. Littlefield,1986 **Women Ageing** Miriam Bernard,Val Harding Davies,Linda Machin,Judith Phillips,2005-06-22 Women Ageing provides a better understanding of what ageing is like for women and challenges the myths which have grown up around the ageing process Blending the scholarly the personal and the political it reveals the range of strategies and identities women adopt to manage the transitions of the second half of the life course In doing so it uncovers not only the commonalities and the similarities between mid life and older women but also some of the variation and diversity relating to ethnicity and race class disability and sexual orientation Women Ageing makes the ordinary lives of ordinary women as in this instance they grow older more visible Its findings have important implications for policy and practice All those studying or working with older people will find it an illuminating text *Women's Sexuality Across the Life Span* Judith C. Daniluk,2003-06-09 Moving beyond a traditional focus on sexual functioning this book emphasizes the complex interaction of psychological social cultural and biological influences on women's sense of themselves as sexual beings Written for practitioners and educators its goal is to challenge contradictory messages and meanings that cause many women to feel disconnected from their bodies and from their needs and desires Themes explored include the development of sexual awareness and sexuality in childhood and adolescence the critical sexual choices of young adulthood and the multiple transitions characterizing the middle and later years of life The book features creative exercises and interventions to help girls and women construct more affirming sexual meanings The Meanings of Menopause Ruth Formanek,2013-05-13 In this scholarly compilation of a major event in the life of every woman editor Ruth Formanek has adopted an avowedly

multidisciplinary mandate to illuminate menopause as both an event and a stage of life by gathering together a variety of discipline specific meanings and research perspectives The result is an admirably comprehensive study that not only charts the premodern meanings of menopause but proceeds to examine menopause from current biomedical endocrinological cultural and psychological perspectives Ample attention is given to the psychosocial influences on menopause and to cross cultural variations in the experience of and life adjustments that follow menopause Societal and familial attitudes toward menopausal women are also explored through an examination of women in classical and modern literature Clinical contributions review psychoanalytic perspectives on menopause elucidate the individual meanings of the menopausal experience uncovered in therapy and consider male views of menopausal women Collectively the contributors to this volume remedy the scant attention menopause has heretofore received in the psychological and psychotherapeutic literature They not only explore the range of issues associated with menopause but address these issues in the context of the various myths and superstitions about menopause that have endured over the centuries Essential reading for students of human development gender issues and women's studies The Meanings of Menopause is for helping professionals an invaluable source book on a life event fraught with psychological significance

Traditionalism and Modernity Dr. A.H.M Zehadul Karim, 2014-04 This book has outlined many aspects of traditionalism and modernity although the topics here are divergent the consistent part of it is that all of the authors mostly come from the same disciplines of Sociology and Social Anthropology The main concern is to find out the socio cultural changes that have occurred due to modernization and development From that perspective the book is very useful to understand Sociology and Social Anthropology from diversities based on traditionalism and modernity It contains eleven articles contributed by a few renowned sociologists and social anthropologists from a number of countries around the world focusing on diversified issues on traditionalism and modernity The papers are written on the basis of each author's expertise in their respective field which are compiled to make them a suitable document in the field of Sociology and Social Anthropology The book seems to be very useful for the students seeking knowledge on traditionalism and modernity having based in Sociology and Social Anthropology The concepts of traditionalism and modernity are very important and are related issues in Sociology and Social Anthropology that many theoretical discussions have been carried out in these areas and several theoretical paradigms have been conceptualized in this regard which have been highlighted in the book in the form of descriptive analytic discussion
