## **Passage To Ararat And Exiles:**

*Passage to Ararat* Michael J. Arlen, 2006-05-16 In *Passage to Ararat* which received the National Book Award in 1976 Michael J Arlen goes beyond the portrait of his father the famous Anglo Armenian novelist of the 1920s that he created in *Exiles* to try to discover what his father had tried to forget Armenia and what it meant to be an Armenian a descendant of a proud people whom conquerors had for centuries tried to exterminate But perhaps most affectingly Arlen tells a story as large as a whole people yet as personal as the uneasy bond between a father and a son offering a masterful account of the affirmation and pain of kinship     **Exiles** Michael J. Arlen, 1970     Exiles: Passage to Ararat Michael J. Arlen, 1970

*Selves at Risk* Ihab Hassan, 1990 In this era of supersonic jets ubiquitous McDonalds and pervasive Panasonics in our coddled jacuzzi culture our cybernetic society of acronyms and first names does the spirit of quest endure Indeed from rain forests across oceans steppes savannahs and saharas to the peaks of the Andes or Himalayas American writers still test the limits of human existence They test spirit flesh marrow and imagination in a timeless quest for meaning beyond civilization at the razor edge of mortality And they return with sun cracked skin and gazes honed on horizons to tell us the tale Ihab Hassan s new book on quests turns out to be a quest of his own He takes us through an invigorating range of today s American writers as they test themselves against the far corners of our tattered planet Hassan shows us how their quests and incidentally his own entwine risks commitments and desperate exercises in belief how their aspirations are human but uniquely American This is a book everyone interested in American culture can learn from and enjoy Hassan s voice is one of graceful wisdom and passionate elegance a refreshing landfall in today s turgid sea of criticism Norman N Holland University of Florida     The Magical Pine Ring Margaret Bedrosian, 1991 Margaret Bedrosian s pioneering interdisciplinary study examines the continuing effect of Armenian history on Armenian American writing Using the work of ten Armenian American poets and fiction and non fiction writers she shows the continuing impact on Armenian Americans of cultural symbols myths and attitudes carried over from the Old World and explores the ways in which two cultures meet conflict and become integrated in the imagination Through analysis of writers actual or fictionalized experience *The Magical Pine Ring* provides an understanding of the Armenians specific concerns as Armenians and as immigrants the effect of their self awareness as Armenians on their adaptation to America the typical and stereotypical situations and personalities that emerged with time and the key values and beliefs that endured even as names were changed and assimilation blurred physical and social demeanor Bedrosian also explores the directions Armenian American writers have taken in portraying group history and the nature of their self discovery as Armenian Americans For the most part this literature is not a direct outgrowth of the mainstream of Armenian literature The relationship of the writer discussed here is one of spirit of ancestral sympathies burdens and responsibilities These writers register the pain of exile and alienation as they weave images of yearning and loss celebration and futuristic vision into their writing Through their crossroads identity in America these writers add to our

understanding of the Armenian diaspora      Song of the Land Robert Burden, 2022-04-26 The past is a foreign country a place of stories and secrets James Stares has heard his English father talk about how the Great War affected the lives of his own father mother and brother a lot about how he met James mother in Cairo about defending the Empire in Egypt at a time of rising unrest in the 1950s But these stories are not all they seem More than anything James wonders why his mother s Armenian culture plays so little part in his upbringing Looking into his mother s origins James reaches out to his Armenian relatives in Canada researching the circumstances of his maternal grandparents leaving Anatolia in a hurry in 1915 Yet much is left unsaid We follow James as he digs deeply into his family s past the English and the Armenian and in the process comes to a better understanding of himself      *Saroyan* Lawrence Lee, Barry Gifford, 1998-01-01 A biography of William Saroyan an American author working mainly in the middle of the twentieth century      **The Huntress** Alice Arlen, Michael J. Arlen, 2016-08-23 From National Book Award winner Michael J Arlen and screenwriter Alice Arlen here is the fascinating adventurous life of Alicia Patterson who became at age thirty four one of the youngest and most successful newspaper publishers in America when she founded Newsday With *The Huntress* the Arlens give us a revealing picture of the lifestyle and traditions of the Patterson Medill publishing dynasty one of the country s most powerful and influential newspaper families but also Alicia s rebellious early years and her dominating father Joseph Patterson Founder and editor of the New York Daily News Patterson was a complicated and glamorous figure who in his youth had reported on Pancho Villa in Mexico and had outraged his conservative Chicago family by briefly espousing socialism Not once but twice first at age twenty Alicia agreed to marry men her father chose despite having her own more interesting suitors He encouraged her to do the difficult training required for an aviation transport license in 1934 she became only the tenth woman in America to receive one Patterson brought her along to London to meet with Lord Beaverbrook to Rome to meet Mussolini and to Moscow in 1937 at the time of Stalin s show trials where a young George Kennan took her under his wing Alicia caught the journalism bug writing for *Liberty* magazine an offshoot of the Daily News A trip to French Indochina highlighted her hunting skills and made the sultan of Johor an ardent admirer another trip would involve India the dangerous sport of pigsticking several maharajas and a tiger hunt A third marriage to Harry Guggenheim blew hot and cold but it did last it was with him that she started Newsday in a former car dealership on Long Island Governor Adlai E Stevenson two time Democratic candidate for president would be one of her last admirers With access to family archives of journals and letters Michael and Alice Arlen have written an astonishing portrait of a maverick newspaperwoman and an intrepid adventurer told with humor compassion and a profound understanding of a time and place With black and white illustrations throughout      **Exiles** Michael J. Arlen, 2014-06-17 Back in print a wry and moving rare and minute accounting of growing up Time *Exiles* is the story of two glamorous people one a beautiful aristocrat the other a self made man one of the most famous authors of the 1920s In this slender volume which was nominated for the 1970 National Book Award and helped reestablish the memoir as a genre

Michael J Arlen evokes with humor and honesty his parents seemingly charmed life in Hollywood and New York his own childhood spent between homes and boarding schools and the decline of a family full of love joy and pride in one another in other words a family as ordinary as it is unusual *First Generation* June Namias,1992

**Image and Territory** Jennifer Burwell, Monique Tschofen, 2007 In a culture that often understands formal experimentation or theoretical argument to be antithetical to pleasure Atom Egoyan has nevertheless consistently appealed to wide audiences around the world If films like *The Adjuster* *Calendar* *Exotica* and *The Sweet Hereafter* have ensured him international cult status as one of the most revered of all contemporary directors Egoyan's forays into installation art and opera have provided evidence of his versatility and confirmed his talents Throughout his career Atom Egoyan has shown himself to possess the rarest kind of singularity As Jonathan Romney puts it Egoyan's preoccupations and tropes have been so consistent that he's practically created his own genre<sup>3</sup> 1995 8 Hrag Vartanian adds 2Egoyanesque has become a word to film aficionados commonly understood to mean a cinematic moment that examines sexuality technology and alienation in the modern world<sup>3</sup> 2004 For this singularity Egoyan is widely hailed as a true auteur someone carrying on the legacy of the European art house traditions of Bergman Godard and Truffaut Certainly his work bears a most recognizable signature there is no confusing an Egoyan work with anyone else's Like his art house predecessors Egoyan clearly intends that his work be as Dudley Andrew puts it 2read rather than consumed 3 that is viewed meditatively reflected upon and discussed 2000 24 And indeed in this world in which filmmaking has become commonplace where as Egoyan has said 2what used to be a rarified activity is now available to anyone with a digital camera and a computer<sup>3</sup> 2001b 18 he intends through much of his work to recall an earlier image culture in which artists had an ability to produce something that gained its power precisely through its rarity

**The Other Modernists** Margaret Bedrosian, 1984

**A Darkening Green** Peter Prescott, 2017-07-05 This is a book about the end of childhood Much of it is drawn directly from a diary the author kept while he was a bright but insecure freshman at Harvard in the 1950s From these pages emerges a precise description of the raw half understood experience of late adolescence the anguish and arguments the rivalry and anxiety about sex the facile cynicism and desperate fumbblings for purpose the bull sessions held late at night just as Peter Prescott recorded them only hours after the event These diary excerpts are contained in a narrative that examines that freshman experience from a vantage point of twenty years Thus we are able to look at the past with a double perspective The exact record unclouded by memory or nostalgia of what was said and done is set in a structure that reveals the form of the experience The result is an ironic witty and often moving book Writing with some compassion and even more asperity Peter S Prescott not only captures the conflicts and emotions of a single year but probes beneath the surface of memory to explore certain tribal customs and rites of passage as they are played out in the classrooms and living quarters of the college A few famous people T S Eliot and Edith Sitwell among them play brief parts in this chronicle but young Prescott's attention was primarily engaged in his struggle with his extravagant roommates and an assortment of

eccentric undergraduates      *A Darkening Green* Peter S.
