Passage Through Sacred History Lenten Re:

A Passage Through Sacred History Don C. Skinner, 1997 *A Passage Through Sacred History* is a guide for personal pilgrimages through Scripture allowing readers to see themselves as active participants in the Lenten season **Lent and the Holy Week in Rome** Charles Isidore Hemans, 1856 Together for a Season: All-age seasonal resources for Lent, Holy Week and Easter Peter Craig-Wild, Diane Craven, Peter Moger, 2007 A practical companion through the Church's year for all those planning and leading all age worship It offers an array of creative material designed to bring to life the seasonal liturgy of Lent Holy Week and Easter including Pentecost **Ivors, by the author of 'Amy Herbert'**. Elizabeth Missing Sewell, 1858 *The Churchman*, 1879 Lent Through Eastertide David L. Bartlett, Barbara Brown Taylor, 2010-10-01 *Feasting on the Word* offers pastors focused resources for Sermon preparation written by companions on the way With four different essays on each of the four biblical texts assigned by the Revised Common Lectionary this series offers preachers sixteen different ways into the proclamation of God's Word on any given occasion For each reading preachers will find brief essays on the exegetical theological homiletical and pastoral challenges of the text The page layout is unusual By setting the biblical passage at the top of the page and placing the essays beneath it we mean to suggest the interdependence of these four approaches without granting priority to any one of them Some readers may decide to focus on the Gospel passage for instance by reading all four essays provided for that text Others may decide to look for connections between the Hebrew Bible Psalm Gospel and Epistle texts by reading the theological essays on each one Wherever they begin preachers will find what they need in a single volume produced by writers from a wide variety of disciplines and religious traditions These authors teach in colleges and seminaries They lead congregations They write scholarly books as well as columns for the local newspaper They oversee denominations In all these capacities and more they serve God's Word joining the preacher in the ongoing challenge of bringing that Word to life We have been honored to work with a multitude of gifted thinkers writers and editors We present these essays as their offering and ours to the blessed ministry of preaching From the introduction by David L. Bartlett Barbara Brown Taylor **The Almanac for Pastoral Liturgy Sourcebook** Joseph DeGrocco, 2013

A complete guide to the art of brewing ... To which are added practical instructions for making Malt** John PITT (Butler.), 1859 **The Literal Sense and the Gospel of John in Late Medieval Commentary and Literature** Mark Hazard, 2013-12-16 Focusing on the famous Medieval commentator Nicolas of Lyra and the anonymous Middle English biblical adaptation of the Gospel of John the Cursor Mundi this book examines the development of the analytical tools of biblical literary criticism showing how late Medieval commentators negotiated the paradoxical interdependence of the literal and spiritual senses as transmitted by traditional and inherited vocabularies through a focus on narrative structure Mark

Hazard combines an enlightening account of the actual practice of professional commentators the history of Gospel interpretation and cultural history to reveal that remarkable shift in the treatment of the Bible that modern scholars would regard as having laid the groundwork for the historical critical methods in biblical research As such this book sheds light not only on the 14th century practice of biblical interpretation but will also be of value to those currently engaged in reading and writing about the bible
